OSERS News in Print ,1987 **Bulletin** Classroom Teachers Association,1925 **Circular** United States. Office of Education,1965 Handbook of Positive Behavior Support Wayne Sailor,Glen Dunlap,George Sugai,Rob Horner,2008-12-02

A revolution in working with difficult students began during the 1980s with a dramatic shift away from dependence on simply punishing bad behavior to reinforcing desired positive behaviors of children in the classroom With its foundation in applied behavior analysis ABA positive behavior support PBS is a social ecology approach that continues to play an increasingly integral role in public education as well as mental health and social services nationwide The Handbook of Positive Behavior Support gathers into one concise volume the many elements of this burgeoning field and organizes them into a powerful dynamic knowledge base theory research and applications Within its chapters leading experts including the primary developers and researchers of PBS

- 1 Review the origins history and ethical foundations of positive behavior support
- 2 Report on applications of PBS in early childhood and family contexts from Head Start to foster care to mental health settings to autism treatment programs
- 3 Examine school based PBS used to benefit all students regardless of ability or conduct
- 4 Relate schoolwide PBS to wraparound mental health services and the RTI response to intervention movement
- 5 Provide data and discussion on a variety of topics salient to PBS including parenting issues personnel training high school use poorly functioning schools and more

This volume is an essential resource for school based practitioners as well as clinicians and researchers in clinical child school and educational psychology
