Stressed, Depressed. I'm a Mess Leah Stapleton, 2023-04-03 A book on depression and anxiety meant for anyone struggling with mental health. Targeted for kids, teens, adults. It is in the form of short chapters, songs, and poems.

I'm Not CRAZY, I'm just depressed, panicky, and a little moody Dina Millican, 2024-04-10 Embark on a Journey Through the Shadows to Find Your Light. October 31, 2012 is a day I will never forget. I had my very first panic attack in front of customers. I was helping at my job; it hit me out of nowhere. I fell to my knees and could not breathe. I did not even know what was happening to me. I knew nothing about panic attacks. I really never heard of them until my ex-husband told me what was happening. From that day on for a little over a year, I suffered from non-stop panic attacks every single day, 24 hours a day. My life changed forever. I could no longer work in front of customers, carry items from place to place without feeling like I was going to drop it. I could not walk straight because I always felt like I was going to fall over. Even in bed at night, I could not lay on the edge without feeling I was going to fall off. There are many, many more things I could not do anymore from that day on. I am better now, not completely healed. I hope this book will help explain, identify, and help to make it easier to live. PANIC AND ANXIETY SUCKS. Imagine peeling back the layers of confusion surrounding mood disorders, revealing a path that leads not just to understanding but to hope. I'm Not CRAZY. I'm just depressed, panicky, and a little moody is your compass through the often misunderstood realms of depression, anxiety, and mood swings, illuminating each step of the way with compassion, clarity, and wisdom. Begin your journey with a deep dive into the complex world of mood disorders. Unravel the spectrum of emotions, debunk the myths, and discover the truth about depression and anxiety. But understanding is just the beginning. Venture further to explore the intricate dance between our brain and our emotional well-being, unearthing how external factors can impact our mental health. As you navigate through the fog of fear in anxiety or the depths of despair in depression, find solace in practical coping strategies and real-life stories of triumph over adversity. However, no exploration is complete without examining the tools at our disposal. From the delicate balance of medicating the mind to the healing power of holistic approaches, this book offers a treasure trove of solutions. Therapy, lifestyle changes, meditation, and mindfulness are but a few of the allies you'll gather along the way. Yet a journey of transformation is not a solo endeavor. I'm Not CRAZY. I'm just depressed, panicky, and a little moody encourages building a strong support network, breaking the stigma surrounding mental health, and the importance of seeking professional help when necessary. As you transition from the depths of despair to nurturing hope, you'll discover the critical role of self-care, the power of positive thinking, and the strength found in

Still Here, for Thou Art with Me Corinne

Crowder,2022-05-04 Corinne Crowder's latest book of poems called Still Here for Thou Art with Me was written when she was between the ages of twenty to thirty years old Ms Crowder's poems reflect a transparency into her many tormenting struggles painful in their content yet poignant in their honesty and sincerity Along with sharing her battles Ms Crowder reveals a deep faith in the Lord and her dependency on God's grace mercy forgiveness and restoration Ms Crowder continues to reveal her innermost being with the hope that sharing her life's difficult and arduous journey will be able to reach out to those who have been in her shoes and have also struggled in life whether it be mental illness self-harm insecurities delusions physical illness broken hearts and relationships broken marriages addictions abuse of any kind sexual or otherwise imprisonment rejection and abandonment utter loneliness nervous breakdowns broken families way too many near-death experiences some suicide attempts lost in a battle with your faith and being far from perfect and just wanting someone who understands Her poems speak for those who may not know how to put their struggles into words Let her words give you some comfort in knowing that she has gone through all of those things and she is still here The only reason she is still here is because she put her faith in Jesus when she was seven years old and even though she fought with God He has never left her and never will She urges you to find comfort also in a relationship with God It's never going to be perfect and life will sometimes only seem to get harder As this is being read she hopes she has left behind enough words in her poetry to help even just one soul out there God bless
