**50 Ways to Help Save the Earth** Rebecca Barnes-Davies, 2009-06-01 This guide outlines fifty ways in which you your congregation and your local community can help fight global warming and enjoy participation in a vital part of Christian discipleship 50 Ways to Help Save the Earth makes a clear connection in a practical and unintimidating way between stewardship of the earth and living one's faith This easy to follow book consists of seven chapters on topics related to global climate change Water Energy Transportation Food and Agriculture People Other Species and Wilderness and Land Each chapter begins with a statement on how the content relates to global warming followed by seven action items ranging from individual efforts to activities that encourage the involvement of the congregational and wider communities *God's Holy Plan to Save Earth* Carol Aubuchon, 2008-01-07 The following message was written for you by God This is God Creator of all Heaven and Earth I give this message for you as well as all thus written of Our novel in place I first wish to tell My children that this book is not part of fictional mind The lessons within this novel are true presents of faith given of you through My child of earth to present My thoughts of this Holy Plan Should you be remiss and think otherwise I will bring suffering of mind around earth through her travel of your countries to impress upon your minds how real this message will be taken by My children No one will know when I choose this form of event to broadcast My will of your thoughts given Me But many will fear Our course of action taken when this begins Now I say those of you who know Me will give Me heed of their time and give My daughter just love of her as she brings Our word and direction to you God has chosen to give earth a chance to change what is written in the Bible about the end of the world This Plan is Gods Holy way of letting everyone on earth know that through Him all eternity can change God has no choice but to give love freely to all who He created This is how Our Heavenly Father has graced us since the beginning of time Openly and without grudge of those who have moved against His will for their lives Welcome God into your life for a few hours while you read His Holy terms and conditions regarding this Plan Be as open minded as you think someone else should be to your ideas and allow Our Master Being to invite you into His mind for a change See what God thinks about all the changes mankind has made to confront Satan on his own and how much stronger Our fight against evil would be if we only let Our Father help us All earth is in turmoil presently and many people have given God prayers to ask for His help We have never learned the correct manner to pray of Our Heavenly Father who justifies our selfish prayer by allowing some correction made us However now God wants us to learn the correct terms of Holy Prayer to His being We need not spend hours in prayer to get what we need to sustain life here on earth But we need correct manner and guidance from God to know how to live each day according to His plan of our life Never before in the history of earth has Our LORD come to us to ask us to give His Soul Peace But today with the publishing of this Novel of Main Events God is changing the way He treats mankind for all time We have never been asked by Our Creator to give Him this much attention before God is now within moments of ending earth of Evil due to Satan and his fellow angels who are

tormenting human beings to show their revenge on God for sending them from Heaven Our Father in Heaven is now creating a new world for us where love is prevalent above all else done We need to come to God our life planner for details of the way we need to conduct ourselves daily Should this plan fail and we not live up to the course His plan draws out for us within the next few short years destruction of earth will begin God is asking all mankind to adhere to this plan regardless of your religion background country laws or efforts forced against you This is how earth will replace pain in His soul with the love His time spent with us has greatly deserved Mankind has not given their Heavenly Father love completely as was His will when creating us God created man to show Him honor and give love back to His being Every time man touches against the will of Satan in the presence of The Father it brings excruciating pain of remorse to His being Time now has changed for God is no longer able to withstand our pained attempts of His form He sees us fall into traps set by Satan with no knowledge of this invisible beast of prey Now God is on the at

**When God Walked the Earth** Rick Joyner,2007-08 After creation itself the greatest miracle was when God Himself became a Man and walked upon the earth He did this to show man how to become a new creation ascending into the heavenly realm with a spiritual nature This book one of Rick Joyner s favorites is about this most remarkable time and written from the perspective of both men and angels     Between Heaven and Earth Gerhard Lohfink,2022-07-15 In this book the

New Testament scholar Gerhard Lohfink interprets a spectrum of biblical texts some familiar others not He explores them in a spirit of curiosity questions them insistently and confronts them with the realities of our present day from COVID 19 to the inner loneliness experienced by so many In light of central biblical texts Lohfink asks What would a life look like today if it were wholly in the world and at the same time wholly in God sweeping joyously between heaven and earth aware of the immeasurable breadth of the universe and still able to marvel at the tiniest flower knowing the depths of the human heart and being comforted by a child s smile This book takes up the colorful threads of many Old and New Testament texts and weaves from them a many hued tapestry of biblical theology It reveals things unknown sheds new light on things known and is full of surprises It speaks not only to the curious or the ones who want to know more about the Christian message it is addressed to everyone who senses a desire to understand the Bible better and more deeply     *Self, Earth, and Society*

Thomas N. Finger,2020-03-12 Our era is experiencing unparalleled and rapid transience The twentieth century began with the telephone and ended with e mail People change jobs and homes a half dozen times or more in their lives Air and water pollution are threatening the well being of the earth itself Wars their multiplying refugees and political crises are tearing societies apart If there is a key word for our era it might be alienation Amid increasing and often chaotic complexity individuals struggle to attain an integrated stable self with durable relationships An expanding ecological consciousness reveals our estrangement from the earth Societies are internally divided by clashing political and economic perspectives and processes This profound and important book recognizes and reveals the connections among these three alienations Thomas Finger undertakes a probing critical conversation with culture and develops his own public theology Each alienation is analyzed in depth through the writings of secular authors His theological construction draws neither on modern philosophy nor worldviews but perhaps surprisingly on Scripture To support his emphasis on Christ Finger engages the skepticism of the much celebrated Jesus Seminar He rejects the widespread claim that Christianity s transcendent God is largely absent from

the world and legitimates human exploitation of it For transcendence means that God is different but not distant from the world Finger then examines the roles of Jesus Father and Spirit in his earthly ministry In this and later scriptures these three act and interact in a salvific manner that can only be divine This means that his Father and Spirit also suffer with Jesus in his death and with all creation as Jürgen Moltmann brilliantly explains and accompany him in his resurrection This also means that the creation exists in God as some feminists maintain and originated as the overflow of God's love and character into a realm which was hardly distant from God yet very different In addition this entails that every human self and the process of becoming a self as God's creations must be respected as indeed must all earthly creatures and the basic structures needed to form and maintain any society Theological developments in the last decade have done much to critique misguided biblical interpretations which would justify unbridled human exploitation and abuse of creation But work in exploring how an understanding of a trinitarian transcendent God results in creative and caring relationship between humanity and creation has been less developed In discussing these matters with Dr Finger I am convinced that his proposed work holds the promise of meeting an important need within global theological discussions today Further I know that Dr Finger is fully capable of accomplishing this project Thus from my vantage point where I have the opportunity of hearing theological discussions on these subjects from the major Christian traditions and from throughout the globe it is clear that Dr Finger's proposal will fill a theological void and enrich our search for truth Wesley Granberg Michaelson Executive Secretary Commission on Church and Society World Council of Churches 1988 1994 General Secretary Reformed Church in America 1994 2011

**Revealed: As the War in Heaven Continues on Earth - PREPARE FOR THE FALL OF AMERICA** Cynthia Anne Dahm,2010-06-21 Will America suffer the same fate as Atlantis Atlantis was God s first large province created after Lucifer was cast from heaven but not before the ultimate fallen angel renamed Satan rebelled causing untold chaos death and destruction in the universe Eventually the devil s hatred of God s creation law and order carried over into this world to such an extreme only God Himself could intervene It came in the form of a pole shift the great Cataclysm that sank Atlantis killing millions and sending the fallen angels or dark lights scattering But God knew history would repeat itself as our world is once again experiencing the devastating effects of when man doesn t learn from his mistakes as greed corruption and abuse of power relentlessly continues The turmoil on earth has always been a Spiritual War between the Forces of Good and Evil that began in the cosmos Earth was created as a schoolhouse to provide lessons for those who lost their physical bodies but not their souls in the great Universal Battle due to Satan s deception This battle will be permitted to play out according to Bible prophecy wherein ones will again be given the chance to choose whose side they re on Christ or the devil When global order deteriorates especially in America to the point of no return as is happening now God will need to directly intervene again just as He did before in the antediluvian era by bringing Judgment in the form of another pole shift Meanwhile Satan knowing his

time is short is working overtime to take as many souls with him to eternal damnation doing so through earthly minions those who ve sold out and are doing his bidding The Mark of the Beast of Rev 13 is destined to become the devil s greatest tool to make this happen And it s just around the corner This book shares some of God s best kept secrets such as an elaborate account of the War in Heaven and how it affects everyone also the Levels Planet System why Earth was created and how it s actually an extension of God s mercy the truth of past lives benevolent human looking beings from other planets and living spacecraft the lost continent of Atlantis and how it parallels with America soul mates or the marriage made in heaven who guides and missioned beings are and much more But its greatest purpose is to warn and help people prepare for the future so all can make the right choice for God and live forever not only on a purified earth but also within the realms of our original homeland the place where everyone s from the universe
