The Witness Protection Program for the Church Edward Ray Sutton, 2007-09 Have you ever wondered why you were saved What it really means to be a witness for the Lord What are the benefits in serving the Lord more than just going to heaven when you die Did you know that there is more designed for you than just going to heaven and missing hell Did you know that God has a plan for your life and you can know it without wasting a lot of time and years doing your own thing Have you ever thought what it really means to be a Christian If your answer to the above questions are yes then this is the book for you it will help you understand the plan and will of God for your life And it will bring some clarity as to why you are here This book is designed to bring some common sense reality to the gospel of Jesus Christ It is loaded with informative teaching and has a sense of humor that will cause you to want more Edward Ray Sutton accepted Jesus as Lord and Savior in 1971 God instantly delivered him from a life of alcohol addiction at the age of 20 After seeking the Lord as to where he wanted him to go to church he joined the local assembly of the Disciples of Christ in Goldsboro N C Later after a period of time he was appointed a deacon and after being faithful in that office he was later called by God to preach the word of the Lord In 1984 he was instructed by God to leave and join a full gospel church that God was raising up In this church he served as children s and youth pastor for several years during which he established a successful puppet ministry Some of the children as adults are in children ministry in other places in the country He served as associate pastor for several years before leaving to follow the call of God and to go forward with his own ministry He has been married to his wife Diana for 36 years and is the father of four children They reside in Dudley N C

Witness Protection! Richard Bennett, 2011-02-25 WILL WE REALLY BE PROTECTED DOES GOD HAVE A SPIRITUAL SAFE HOUSE HISTORICALLY our nation has provided a program to protect witnesses in critical court cases Such cases often hinge on the testimony of individuals who have personal eyewitness accounts of criminal activity The threat of not having justice served on a known criminal e g Satan or unrepentant people puts all at risk for potential danger GOD HAS A SIMILAR PROGRAM for those who come out of the shadows to serve as a witness against Satan THESE ARE SOME OF THE INSIGHTS REVEALED The Day God Trusted Us into Battledecisions at the crossroad Struggles and Penalties of a

Committee on Appropriations. Subcommittee on Departments of State, Justice, and Commerce, the Judiciary, and Related Agencies,1983 *Witsec* Pete Earley,2009-11-18 For decades no law enforcement program has been as cloaked in controversy and mystery as the Federal Witness Protection Program Now for the first time Gerald Shur the man credited with the creation of WITSEC teams with acclaimed investigative journalist Pete Earley to tell the inside story of turncoats crime fighters killers and ordinary human beings caught up in a life and death game of deception in the name of justice WITSEC Inside the Federal Witness Protection Program When the government was losing the war on organized crime in the early 1960s Gerald Shur a young attorney in the Justice Department s Organized Crime and Racketeering Section urged the department to entice mobsters into breaking their code of silence with promises of protection and relocation But as high ranking mob figures came into the program Shur discovered that keeping his witnesses alive in the face of death threats involved more than eradicating old identities and creating new ones It also meant cutting off families from their pasts and giving new identities to wives and children as well as to mob girlfriends and mistresses It meant getting late night phone calls from protected witnesses unable to cope with their new lives It meant arranging funerals providing financial support and in one instance even helping a mobster s wife get breast implants And all too often it meant odds that a protected witness would return to what he knew best crime In this book Shur gives a you are there account of infamous witnesses from Joseph Valachi to Sammy the Bull Gravano to Fat Vinnie Teresa of the lengths the program goes to to keep its charges safe and of cases that went very wrong and occasionally even protected those who went on to kill again He describes the agony endured by innocent people who found themselves in the wrong place at the wrong time and ended up in a program tailored to criminals And along with Shur s war stories WITSEC draws on the haunting words of one mob wife who vividly describes her life of lies secrecy and loss inside the program A
