Enigma Beyond Illusion The Lifting Of The Veil

George Eliot

Enigma Beyond Illusion The Lifting Of The Veil:

Enigma Beyond Illusion Richard Kydd, Jr., Richard Douglas Kydd, 2003-03-11 In his third published book *Enigma Beyond Illusion* Richard D Kydd Jr again demonstrates his compassion and concern for his fellow man his anger at life's injustices his deep sense of family and community and his spirituality With his skillful and often musical touch he operates on many levels at once frequently blending seemingly opposed emotions In *The Shopper's Song* for example he evokes both humor and identification in his description of a compulsive spender yet the reader can hear Kydd's tone of frustration at the debt that is consuming the poor *A Quiet Dissertation* is simultaneously hilarious and disturbing and the chuckle that *Binary Code* evokes is an uneasy one Kydd's range is wide swinging from the caustic social comment of *Yo Romeo* through the philosophical introspection of *Solitary Man* and expanding into the spiritual vision of *Life Calling Forth* Although he calls life as he sees it and is sometimes grittily realistic even cynical and full of apparent despair it's notable that a number of his works are love poems Although capable of painting a harsh reality Kydd is essentially an optimistic poet and he amply demonstrates his belief that in the end the spirit will triumph as in *Oh Victorious* This collection of poems will give the reader a full taste of Kydd's broad human vision

Marucci,2022-01-31 The negative historical judgment given to George Eliot's *The Lifted Veil* amounts nowadays to a gross critical blunder and in the last three decades the story has been firmly reinstated in Eliot's major canon The premise of the present book is that George Eliot's oeuvre is a compact macrotext where themes motifs patterns and cultural and personal archetypes recur with variations and that *The Lifted Veil* functions as the linchpin of this oeuvre A sequential approach to the story is authorized by the use of a mimetic enunciation that simulates a gradual definition of events places and characters as they have appeared to the narrating I in the course of time until the moment of the enunciation Contextualizing *The Lifted Veil* means placing it within Eliot's oeuvre and against the background of Victorian mid century fiction in a further meaning seeing it as intersecting various contemporary genres and subgenres such as that of the European and American literature of the veil that of the archetypal icon of the femme fatale that of Wilkie Collins's dead secret novels The most significant facet that critical literature on *The Lifted Veil* has tended to overlook is however the encrypting of the experience of a failed religious conversion and the foreshadowing of the search for a spiritual and racial identity of Daniel Deronda the hero of Eliot's final novel Greatest Works of George Eliot Part I : Brother Jacob/The Lifted Veil /Romola/Adam Bede/ George
