Items of the Reverend Charles Wesley, M.A., Second Edition Prof. Richard P. Heitzenrater, Randy L. Maddox, Frank
Baker, 2023-01-17 Charles Wesley's Journal is crucial to an understanding of the beginnings of the Wesleyan Methodist
movement As a primary record of one of the founders of the Wesleyan Methodist movement Charles Wesley's Journal is
crucial to an understanding of the beginnings of that movement It is an indispensable interpretive companion to John Wesley's
Journal diaries and letters Since it provides essential background to the context of Charles Wesley's lyrical theology
expressed in sacred poetry it is likewise essential for anyone who wants to understand the context out of which Wesleyan
theology worship spirituality hymnody and conferencing emerged For a church or movement which avers that it sings its
theology Charles Wesley's Journal is an imperative This volume is part of a series dedicated to providing a complete and
accurate published collection of Charles Wesley's manuscript items beyond his sermons and verse The various items in the
series constitute crucial primary texts for studying Wesley's life his ministry and his increasingly contentious position within
Methodism in his later years The first two volumes of the series were devoted to Charles Wesley's Manuscript Journal a
single bound item held at the Methodist Archives and Research Centre The present volume gathers a number of scattered
items the majority also held at MARC many of which are earlier and more complete drafts of material in the Manuscript
Journal The third major component of the series is the publication of all of Charles Wesley's surviving personal
correspondence which is replete with material of biographical and larger historical interest This second edition adds journal
letters and records from December 1716 January 1717 Accounts of Old Jeffrey and May 12 June 14 1746 Praise for the First
Edition It's a great day in the life of a student of the Wesleys when we get a fresh volume of material scarcely known to
previous generations So it is with this collection of Charles Wesley's journal letters from the period 1738 1756 and similar
letters up to 1778 that describe his sons' musical careers and in fact reveal a great deal about his life This will be relished by
all concerned with the heritage of the Wesleys and we're especially blessed to have it in a very well annotated critical edition
Ted A Campbell Professor of Church History Perkins School of Theology Southern Methodist University Dallas TX The
publication of Charles Wesley's Journal Letters helps expand our knowledge of his life and ministry and enrich our
understanding of the wider evangelical revival This is an essential text for scholars of early Methodism edited by renowned
experts in the field Geordan Hammond Senior Lecturer in Church History and Wesley Studies and Director of the
