Northall, 1892 Mishcàt-ul-ma's'abì'h; Or, A Collection of the Most Authentic Traditions Regarding the Actions and Sayings of Mu'hammed Muḥammad ibn 'Abd Allāh Khaṭīb al-Tibrīzī, 1810 **Long Ago and Far Away** Robert Fyne, 2008-05-20 The Second World War was the greatest social political and economic upheaval of the 20th century As a popular Hollywood subject WWII still enthalls viewers six decades after Allied commanders affixed their signatures on the victory document in Tokyo Bay Recreating flag waving charges frontal beachhead assaults commando raids and even home front heroics these motion pictures for better or worse provide the primary learning experience for postwar

generations After scrutinizing hundreds of screenplays Robert Fyne has written an in depth study of World War II films analyzing the different storylines points of view and contemporary events found in each In Long Ago and Far Away Hollywood and the Second World War Fyne examines WWII films from 1941 to the present explaining how the content and mood in these productions paralleled national mores and politics Some titles are laudatory even chauvinistic while others are frivolous or sophomoric Biographical screenplays both glorify and damn various leaders Some films bombard viewers with horrific experiences while others such as goofy science fiction titles with their wraiths and flying saucers seem inappropriate Love stories are examined as well as films revealing Japanese prisoner of war deprivations and Nazi concentration camp atrocities From Above and Beyond to Zone Troopers and The Best Years of Our Lives to Flags of Our Fathers this is a compelling look at how filmmakers have dramatized this pivotal period in history For historians movie watchers or social commentators Long Ago and Far Away complete with an elaborate filmography offers new information about Hollywood s diverse interpretations of the Good War

Was Christ Crucified? Austin Bierbower,1892

Five for Sorrow, Ten for Joy J. Neville Ward,2005-09-01 Since earliest times Christians have used pebbles a string of knots or beads on a cord to keep track of their prayers and prayer beads can be found in virtually every major religious tradition in the world Anglicans and other Protestants have also begun to use the rosary to help refresh a life of prayer it creates a rhythm that helps wean us from our distractions and focus our attention so that we can more readily move into God s presence As the beads and prayers recede into the background the mysteries that make up the rosary come into our minds and hearts like religious pictures or icons First published in 1975 J Neville Ward s unusual collection of meditations offer an entirely new approach to the rosary for all Christians He begins with its traditional use and then offers fifteen insights into the life of Jesus and his mother Mary that can speak to us today Thus a meditation on the sorrowful themes reminds us of the suffering that is so much a part of our

own lives while the joyful and glorious mysteries speak of the desire for faith hope and love that will heal them These reflections serve up a rich spiritual repast for Christians seeking new contemplative practices and learning to pray with the rosary

Five for Silver Mary Reed,2009-10-05 The year is 542 Peter John the Lord Chamberlain's elderly servant claims a heavenly visitor revealed a murder to him It transpires that Peter's old army friend has indeed been stabbed but then John discovers that Gregory was not what he appeared to be Is the solution to the mystery to be found in a hidden identity in the will made by a dying ship owner with a wayward son or perhaps even amid the oracles in a merchant's garden John's quest leads him to churchmen and whores lawyers and bear trainers Suspects include a dealer in dubious antiquities a resourceful bookseller a court poet fixated on bereavement and a holy fool who outrages the city by dancing with the dead and invading the empress private bath Only a man of unbending principle could hope to find justice in a terrified city where the good and the bad are struck down indiscriminately where disorder rules and where witnesses may die before they can be questioned A city in short where death is the murderer's accomplice

Five for Freedom Geoffrey Wagner,2023-11-06 First published in 1972 Five for Freedom is a candid study of five European fictional heroines as anticipatory of contemporary feminism Madame de Merteuil of Choderlos de Laclos Les Liaisons dangereuses Jane Eyre Emma Bovary Tess of the D'Urbervilles and Tony Buddenbrook Professor Wagner clearly believes that in the first place the role of women in the development of fiction has been underestimated while the claims to originality of many recent female liberationists have been equally overestimated This is a far ranging lightly handled book with insights into both mode of fiction as it developed and answered women's demands and into the role of some of its leading heroines for Professor Wagner's studies do not limit themselves strictly to the five for freedom but foray into Balzac's Cousine Bette Catherine Earnshaw of Wuthering Heights Anna Karenina and Eca de Queiroz's Portuguese Bovary in Cousin Bazilio This brilliant little study is topical readable yet learned It will be useful for scholars and researchers of literature Women's studies and Gender studies
