Edith are pleased to have something to take their minds off the war but this time the Psammead's magic might have a serious purpose. Before their adventure ends all will be changed and the Lamb and Edith will have seen the Great War from every possible viewpoint that of factory workers, soldiers and sailors and nurses. But most of all the war's impact will be felt by those left behind at the very heart of their family.

How to survive five children Paola Amadei, 2023-11-15 This is the story of my life as a mother of five children desperately trying to balance family and work. The narrative follows the arc of my life with a series of adventures and misadventures with babysitters, nannies, au pairs, and any kind of help, as well as professional sacrifices, existential and marriage crises, and the upheaval of the birth of our fifth child when the others had already grown up.
