A Purgatorial Flame Sebastian David Guy Knowles, 1990 In this study of a significant period of modern British literature Sebastian D G Knowles argues that Modernism did not expire in 1939 to return as Contemporary Literature in 1945 Rather than marking a hiatus in British literature the Second World War continued the march of literary ideas and provoked an astonishingly cohesive response to a common catastrophe A Purgatorial Flame centers upon the artimes work of seven British modernists Woolf MacNeice Eliot Tolkien Lewis Williams and Waugh ALthough none of these is generally considered a wartime writer all wrote their finest or most mature work under the shadow of the Second World War Whether waiting for war to be declared waiting for it to start in earnest or waiting for bombs to fall all expressed that waiting through the image of purgatory A Purgatorial Flame draws these writers together in an attempt to extend the accepted range of Modernism The Second World War is in danger of becoming a memory of a memory its literature ensures that it will never be so This book provides a critically needed reassessment of that literature serving as both a reminder and a celebration A Purgatorial Flame will be of interest to scholars and students of modern British literature The Collected Works of E. M. Forster. Illustrated
