## **Flashback Reid Bennett Mystery:**

*Flashback* Ted Wood, 2010-12 In tiny Murphy's Harbour where Reid Bennett serves as the one man police force questions and dead bodies tend to pile up all at once The morning starts with Reid chasing off a gang of threatening teens with a baseball bat Minutes later Reid learns that a bank robber might be headed his way looking for vengeance But the day doesn't really start rolling until Reid finds a dead woman in the trunk of a waterlogged car What follows is a fast paced thriller involving rich lawyers a questionable movie producer and quite a few shifting identities Everyone seems to be circling everyone else in a complicated orbit of sex and money Can all these events be tied together Just an everyday mystery for Reid Bennett except that with his wife about to have a baby the danger feels real and much closer to home Can Reid and his police dog Sam connect all the dots before death shows up at his doorstep Author Ted Wood keeps the action crisp and the nerves on edge in this latest Reid Bennett mystery

**Flashback** Ted Wood, 2014-04-01 Chief Reid Bennett and his super sleuth dog tackle the crimes of Murphy's Harbor in this fairly sturdy small town tale with quiet appeal Kirkus Reviews In tiny Murphy's Harbour where Reid Bennett serves as the one man police force questions and dead bodies tend to pile up all at once The morning starts with Reid chasing off a gang of threatening teens with a baseball bat Minutes later Reid learns that a bank robber might be headed his way looking for vengeance But the day does not really start rolling until Reid finds a dead woman in the trunk of a waterlogged car What follows is a fast paced thriller involving rich lawyers a questionable movie producer and quite a few shifting identities Everyone seems to be circling everyone else in a complicated orbit of sex and money Can all these events be tied together

**When the Killing Starts** Ted Wood, 2014-04-01 This gripping crime thriller pits the most savvy cop currently in the genre and his police dog against a band of mercenaries Library Journal Reid Bennett police chief of tiny Murphy's Harbour in Canada is looking forward to a month's vacation He plans to spend time with his girlfriend Freda and he might even get to go fishing with his dog Sam But then Norma Michaels the wife of a rich businessman turns up with a 25 000 offer Find her twenty year old son Jason He has run off with some mercenaries to train for overseas service and she is afraid she has lost him forever Even though he is of age she wants him found and she will pay handsomely The mercenaries call themselves Freedom for Hire and their leader is a cashiered sergeant from the British paratroopers who now styles himself Colonel George Dunphy He was court martialed for brutality forced out of the service and stands ready to brutalize a bunch of young men while stealing their pay Since people like Dunphy annoy Reid he decides to take the job despite the minor risk of a few ex SAS men with automatic weapons but he is more worried that the boy will not want to come home when he is found There are lots of questions to be answered when he and his German shepherd head north on the hunt for a few good or maybe bad men

**On the Inside** Ted Wood, 2014-04-01 An undercover assignment puts Canadian police chief Reid Bennett's dog love and life on the line A series character worth watching for Los Angeles Times Police Chief Reid Bennett has always filled his days crimping the plans of criminals sweating it out knowing danger and

intrigue are what fuels his passions But this time Reid is taking some time off With his new wife Freda and Sam his always present German Shepherd Reid is heading north through the Canadian wilderness on his honeymoon Unable to just let his job go completely Reid unwisely takes an assignment on his way north to investigate police corruption in the dour mining town of Elliot Apparently Reid has more experience with police corruption than with marriage and lets his honeymoon slide into an ever widening abyss of rural politics and small town backstabbing Maybe it s all for the best because Elliot is no place for a honeymoon A classic dying western outpost complete with chronic bar fights and instant justice Elliot revolves around cops taking kickbacks from hotel managers who in turn are making a fortune from roving prostitutes serving the local miners every payday When one hotel manager turns up murdered the cauldron seems ready to boil over With the only man willing to talk dead Reid and Sam go undercover mining the depths of deception in order to bring down the house Every institution stands to be overturned and Freda learns that marriage may be one of them Can she make a life out of watching her new husband thrown willingly into harm s way Can Reid and Sam get out of trouble Danger full bodied characters and enough detail about police work and survival techniques to complement Bennett s role as the most savvy cop currently in the genre Library Journal     Dead in the Water Ted Wood,2014-04-01 The first novel featuring the most savvy cop currently in the genre is a story of terror and suspense in a small Canadian town Library Journal After his life was destroyed because of his efforts to prevent a rape Reid Bennett relocated to Murphy s Harbor a quaint little town in Canada But it may not be the quiet place it seems A corpse and a scared woman are each found on different sides of the lake Then another corpse Reid with his German shepherd Sam by his side must go above and beyond the call of duty to get to the bottom of this mystery The only way he can solve it and remain alive is to stretch the traditional definition of a police officer This is the first mystery starring Reid Bennett a series character worth watching for Los Angeles Times     **A Clean Kill** Ted Wood,2014-04-01 A crime spree ends in murder for Canadian police chief Reid Bennett one of the most interesting series whodunit heroes of the decade Chicago Sun Times There is no rest tonight for Reid Bennett police chief of tiny Murphy s Harbor in Canada Not if he keeps getting phone calls that is The first comes in from Amy Wilson She s been brutally attacked on her arrival home from play rehearsal The second has Reid breaking up a fight at a bar called Murphy s Arms But the third call about a dead body is when things get complicated The body belongs to one of the night s bar brawlers an American tourist now stabbed to death in the road It seems like there is an obvious murder suspect until another body shows up in the lake Are these murders and the attack somehow intertwined Reid must wade carefully through the evidence and the witnesses all the while juggling pressure from a hostile city council and unwelcome reporters Add in the town play bear baiters and American evangelicals and Reid has his hands more than full Thankfully he has got his dog Sam by his side     *Snowjob* Ted Wood,2014-04-01 Dirty money draws Canadian police chief Reid Bennett and his dog south of the border where they come up against racism the mob and murder Canadian police chief Reid Bennett is back with his faithful dog Sam by his side This time the case takes them

across the border to Chambers Vermont where an old buddy needs Reid's help Doug Ford a black policeman in the all white town has been charged with murdering the attractive bookkeeper of a local ski resort Only Reid believes Doug's story that he and the woman were working together to investigate an entrenched money laundering conspiracy But as new bodies pile up and the mafia rears its ugly head things start to fall in line with Doug's story Can Reid untangle the mystery before more blood gets shed He will have to act fast an unseen hand seems willing to stop at nothing to keep its secrets safe *Live Bait* Ted Wood,2014-04-01 A series character worth watching for small town Canadian police chief Reid Bennett and his dog tackle big city crime Los Angeles Times Reid Bennett hits the mean streets of Toronto again Because of his expertise he and his German shepherd Sam of course is asked to bring in the vermin that has been bludgeoning nighttime security guards And he makes the collar as advertised So the police department asks him to stay on the case and find out who has been ordering these beatings Reid has got to get down to business and sift through the long list of suspects But he gets a little too involved the culprits start looking for him or at least he thinks they are Reid must get to the bottom of this case quickly before he becomes the next victim **The Armchair Detective** ,1994 **Canadian Crime Fiction** David Skene Melvin,1996
