## Heavens Window Sequel To We Be Brethren:

**Heaven's Window** James David Thomas,1974      *The Stone-Campbell Movement* D. Newell Williams,Douglas Allen Foster,Paul M. Blowers,2013-03-30 The Stone Campbell Movement A Global History tells the story of Christians from around the globe and across time who have sought to witness faithfully to the gospel of reconciliation Transcending theological differences by drawing from all the major streams of the movement this foundational book documents the movement s humble beginnings on the American frontier and growth into international churches of the twenty first century      *Message of the Old Testament* John T. Willis,1977      **Subject Catalog** Library of Congress,1975      *Essays on Women in Earliest Christianity, Volume 2* Carroll D. Osburn,2007-07-01 Contributors Fred A Bailey Robert F Hull Jr David B Jackson Earl Lavender Jack P Lewis Bill Love Rick Marrs Allan McNicol John McRay Michael S Moore Frederick W Norris Tom Olbright Carroll D Osburn Dale Pauls Kathy J Pulley Charme E Roberts Gary Selby James Thompson Gerald C Tiffin Jack W Vancil James Walters Frank Wheeler John T Willis Timothy M Willis Wendell Willis      **The Wind from Heaven's Window** Pat Mitchell,2013-10-24 This collection is a combination of romantic philosophic mystical and spiritual poetry written to warm even the coldest of hearts They come from a very inspired place that speaks of a great desire to understand ourselves The elusive butterfly in all of us that out of its innate curiosity to learn and experience things by necessity transforms itself They also speak of the unique place that we all share in the divine tapestry we call life and how we are all intimately connected The poems reflect on the betrayal and hypocrisy that we all inevitably encounter on our journey through life Most importantly a message of hope and joy runs through them so that we are always reminded that even in our darkest moments the light of truth and love has never abandoned us The book also shares some of the stories that inspired and motivated some of the poems They run the gamut from gut wrenching tearjerkers to deeply impassioned pleas for universal kindness to the whimsical frolic of a playful little child Included is a section titled Musings on Life These are philosophic perspectives intended to be life lessons for the reader Its been said that not all men are masters but all masters have been men Along that same line of thinking the author feels that although not all philosophers are poets all poets are philosophers      *Disciples and the Bible* M. Eugene Boring,1997 From Campbell and Stone to Craddock and Keck biblical interpretation in the Christian Church Disciples of Christ has traveled a distinctive path In search of a Disciples hermeneutic this study looks intensively at the pattern of interpretation and interpreters from the denomination s beginnings in the early nineteenth century to the present      *Windows into the Third Heaven* Joanne Carraway,2012-04-03 In that hour Jesus rejoiced in spirit and said I thank thee O Father Lord of heaven and earth that thou hast hid these things from the wise and prudent and hast revealed them unto babes even so Father for so it seemed good in thy sight Luke 10 21 The Bible is a book of hidden treasures purposefully designed so by our God Many of these hidden treasures are complex yet they can be understood by ordinary people Jesus likened this group of people to babes One of the meanings of babes in Greek is simple minded God desires to open the

windows of heaven and reveal the secrets of His Holy Word to you If you consider yourself inept or too simple minded to understand then all the better You are just Gods type and yes Hes looking for you He will reveal to you even the hidden wisdom which God ordained before the world unto our glory 1 Corinthians 2 7 Need more proof Look at what God promises in Revelation 2 17 To him that overcometh will I give to eat of the hidden manna May you begin to eat of this hidden manna as you read Windows into the Third Heaven and may this book be graciously used by the Spirit of God to whet your appetite for more

**Reviving the Ancient Faith** Richard Thomas Hughes, 1996 This pathbreaking book by Richard T Hughes chronicles the history of Churches of Christ in America from their inception in the early nineteenth century to the 1990s taking full account of the complexity of their origins the mainstream of their heritage for almost two hundred years and their voices of protest and dissent especially in the twentieth century From The Critics Hughes here provides the definitive history of the Churches of Christ from their beginnings in the Stone Campbell movement of the early 19th century through the split with the Disciples of Christ at the turn of the century and all the way into the 1990s Central to this richly detailed and highly readable narrative is Hughes s assertion that this religious movement has evolved from a 19th century sect into a 20th century denomination Choice Because of Hughes s elegant writing and his awareness of the social history surrounding the developing denomination this study transcends mere denominational history and should be read as cultural history It should remain the standard volume on the subject for years to come Publishers Weekly Hughes provides a clear balanced account of an American religious movement that has heretofore received insufficient scholarly attention Journal of American History An excellent denominational history of Churches of Christ Richard T Hughes who admirably balances an empathy born of his lifelong membership in the denomination with the standards of a professional historian labored on this book for a decade and a half and the result is a study both thoroughly researched and clearly written American Historical Review Hughes is the foremost interpreter today of the Churches of Christ as this book illustrates Well written and meticulously documented this book could serve as the definitive history of this movement for a generation Religious Studies Review
