Now over twenty years old the original edition of *Nightmare Movies* has retained its place as a true classic of cult film criticism. In this new edition Kim Newman brings his seminal work completely up to date both reassessing his earlier evaluations and adding a second part that analyses the last two decades of horror films with all the wit, intelligence and insight for which he is known. Since the publication of the first edition horror has been on a gradual upswing and has gained a new and stronger hold over the film industry. Newman negotiates his way through a vast back catalogue of horror and charts the on-screen progress of our collective fears and bogeymen from the low budget slasher movies of the 1960s through to the slick releases of the 2000s. *Nightmare Movies* is an invaluable companion that not only provides a newly updated history of the darker side of film but also acts as a truly entertaining guide with which to explore the less well trodden paths of horror and rediscover the classics with a newly instructed eye.

*Clive Barker's Dark Worlds* Phil and Sarah Stokes, 2022-10-18

A deep dive into the creative world and personal archive of the master of horror Clive Barker, from *Hellraiser* and *Candyman* to today. I've seen the future of horror and his name is Clive Barker. In the mid-1980s Stephen King inducted a young English novelist into the world of great genre writers and since then this genius creator has only continued to expand his field of activity. Created by his two most loyal collaborators Phil and Sarah Stokes, *Clive Barker's Dark Worlds* is the first book to shed light on the massive scope of Barker's creative work. With the help of Barker himself, this book contains exclusive insight from those who have worked with him creatively and professionally alongside analyses of his works and comments over four decades from industry

contemporaries and friends such as Ramsey Campbell, Quentin Tarantino, Neil Gaiman, China Miéville, Peter Straub, Armistead Maupin, J. G. Ballard, Wes Craven and many more. The book spans Barker's world, highlighting classics such as the character Pinhead, an icon in the pantheon of horror cinema, the *Hellraiser* series of ten films and a forthcoming HBO miniseries, and the cult films *Nightbreed* and *Candyman*, the latter of which was rebooted as a Jordan Peele production in 2021. In literature, Barker has written the horror anthology series *Books of Blood*, which was recently adapted by Hulu, as well as numerous fantasy sagas. *Weaveworld* and *The Great and Secret Show* have become instant genre classics, and *Abarat* is a beloved bestselling series for young adults. In the world of comics, Barker has partnered with major publishers such as Marvel and BOOM! Studios. This tireless creator has also dipped his toes into the worlds of toys, video games, and art, and his incredible collection of paintings, drawings, and photographs have been exhibited in galleries over the world.

[Horror Films FAQ](#) John Kenneth Muir, 2013-08-01. *FAQ Horror Films* explores a century of ghoulish and grand horror cinema, gazing at the different characters, situations, settings, and themes featured in the horror film, from final girls, monstrous bogeymen, giant monsters, and vampires to the recent torture porn and found footage formats. The book remembers the J-Horror remake trend of the 2000s and examines the oft-repeated slasher format popularized by John Carpenter's *Halloween* (1978) and *Friday the 13th* (1980). After an introduction positioning the horror film as an important and moral voice in the national dialogue, the book explores the history of horror decade by decade, remembering the women's liberation horrors of the 1970s, the rubber reality films of the late 1980s, the serial killers of the 1990s, and the xenophobic terrors of the 9/11 age. *Horror Films FAQ* also asks what it means when animals attack in such films as *The Birds* (1963) or *Jaws* (1975) and considers the moral underpinnings of rape and revenge movies such as *I Spit on Your Grave* (1978) and *Irreversible* (2002). The book features numerous photographs from the author's extensive personal archive and also catalogs the genre's most prominent directors.
