A Layman's Look at Life Sean Ferguson,2024-05-16 Consider this small book to be a message in a bottle cast in the ocean If you should find it washed up on your shore you will find it is not a request for help or rescue Rather it s more of a treasure map pointing to a road less traveled by many Using science religion philosophy observation common sense thousands of hours pondering and hundreds of hours studying the author offers some interesting thoughts about life It s not an attempt to sell you anything but an effort to pique your curiosity fire your imagination and hopefully point you to a path of new discovery As a recovered alcoholic who has suffered from lifelong clinical depression the author shares a perspective gained by painful experience and a newly discovered strong foundation upon which to stand The result is a new way to view the world which will lead you to your own path of discovery It should make you question and verify everything you believe Keep asking questions eliminate the frivolous and find your rock to stand on

A Layman's Christianity Ken Dickason,2010-11

Sordid romance Gripping intrigue Fast paced action None of these really describe a book about theology and they surprisingly enough do not apply to A Layman s Christianity either However if you are looking for a well thought out book replete with scriptural references written not by a dreary doctorate of theology nor by a hip young pastor of a mega lo church but by an average joe then look no further Written from a young man s perspective A Layman s Christianity is a book that

delves into the belief that every man has the right to think about who God is and what He wants from our lives and that phrase every man is not restricted to age gender or educational background but rather should be based on the author s commitment to God and his love for His Bible A Layman s Christianity is not a how to manual for living a better Christian life but is rather an outline of several characteristics and ideas that taken together form the author s ideal Christian Leaving room open for argument and individual thought A Layman s Christianity refuses to be taken at face value and insists that the reader check its assertions with the Bible thus fulfilling the purpose of the book that every man and woman who follows after God has the right and responsibility to think about Him and upon Him *A Layman's Life of Jesus* Samuel Hawkins Marshall Byers,1912 **A Layman's Heart** Carlos R.
