Jawaharlal Nehru In The Soviet Union:

Джавахарлал Неру в Советском Союзе. (Jawaharlal Nehru in the Soviet Union.) [Photographs, with descriptive text in Russian and English.] Jawaharlal Nehru, 1955 **Jawaharlal Nehru in the Soviet Union**, 1955 **Jawaharlal Nehru** Rajendra Prasad Dube, 1988 Political and social views of Jawaharlal Nehru 1889 1964 Indian statesman includes account of Indian politics and government chiefly of 1919 1947 **Jawaharlal Nehru**, 1989 **A Technological History of Cold-War India, 1947-1969** William A.T. Logan, 2021-11-01 This book provides a technological history of modern India in particular the Nehruvian development in the context of the Cold War Through a series of case studies about military modernization transportation infrastructure and electric power it examines how the ideals of autarky and technological indigenization conflicted with the economic and political realities of the Cold War world Where other studies tend to focus on the political leaders and economists who oversaw development this book demonstrates how the perspective of the engineers government bureaucrats and aid workers informed and ultimately implemented development **The Enduring Friendship** Hemen Ray, 1989 *The Delhi Declaration, Cardinal of Indo-Soviet Relations* Shrinath Sahai, 1990 **Changing Facets of Indo-Russia Strategic Relations** Dr Satish Kundu, 2023-05-09 The present book deals with changing trajectories of Indo Russian Strategic relations Its basic feature has undergone a paradigm shift but its salient character still remains the same On the contrary the character of its relationship has grown in strength for last seven and half decades after India s Independence The book has Seven Chapters in all starting with Introduction Second and the Third Chapter cover the period of Cold War era and new economic reforms that ushered in 1989 The fourth and the Fifth chapter of the book underlines the features of post cold war era and change in International World Order The Sixth chapter of the book provides new narratives on Indo Russian Security Environment and strategic collaborations in the defence sector The Seventh chapter of the book makes interesting observations and shift in India s independent stand in the wake of Russian Ukraine War The remarkable feature of India has been that despite pressures from emergent super powers it has continued to maintain its neutral position much to the advantage of its distinct strategic position in ever changing world order **The Non-Aligned Movement and the Cold War** Natasa Miskovic, Harald Fischer-Tiné, Nada Boskovska, 2014-04-16 The idea of non alignment and peaceful coexistence was not new when Yugoslavia hosted the Belgrade Summit of the Non Aligned in September 1961 Freedom activists from the colonies in Asia Africa and South America had been discussing such issues for decades already but this long lasting context is usually forgotten in political and historical assessments of the Non Aligned Movement This book puts the Non Aligned Movement into its wider historical context and sheds light on the long term connections and entanglements of the Afro Asian world It assembles scholars from differing fields of research such as Asian Studies Eastern European and Southeast European History Cold War Studies Middle Eastern Studies and International Relations In doing so this volume looks back to the ideological beginnings of the concept of peaceful coexistence at the time of the anticolonial movements and

at the multi faceted challenges of foreign policy the former freedom fighters faced when they established their own decolonized states It analyses the crucial role Yugoslav president Tito played in his determination to keep his country out of the blocs and finally examines the main achievement of the Non Aligned Movement to give subordinate states of formerly subaltern peoples a voice in the international system An innovative look at the Non Aligned Movement with a strong historical component the book will be of great interest to academics working in the field of International Affairs international history of the 20th century the Cold War Race Relations as well as scholars interested in Asian African and Eastern European history

Soviet View of the Indian National Congress Mahavir Singh,1991 **The Russian Revolution and India** Ilasai Manian,V. Rajesh,2020-11-01 The October Revolution undoubtedly produced a radicalising effect on the Indian situation from the very beginning At the end of World War I India was astir with workers strikes and massive demonstrations against British repression Peasant unrest was also growing It was this awakened India entering the mass phase of its fight for independence which looked to the Russian Revolution and to its leader Lenin for inspiration and help They further saw that Lenin and other leaders of Soviet Russia stood for a new social order in which exploitation of man by man is ended an order based on brotherhood equality and cooperation of men and had established a society in which the working class and the toiling people had come into their own and taken over the reins of administration to build socialism This volume contains several articles and essays concerning the Indian national movement and the support extended by Russia In particular the essays related to the lives of the expatriate Indian revolutionaries in Europe and the meeting of Indian revolutionaries with Lenin are of interest in this volume The views of Indian national leaders like M K Gandhi Jawaharlal Nehru B G Tilak among others on Russian Revolution are also included In short this volume will be useful to understand the support extended by Russia to the Indian national movement during the first half of the twentieth century Please note This title is co published with Aakar Books New Delhi Taylor Francis does not sell or distribute the print edition in South Asia India Sri Lanka Nepal Bangladesh Pakistan Maldives or Bhutan

The Roles of the United States, Russia and China in the New World Order Hafeez Malik,2016-07-27 In the name of peace international cooperation democracy trade and human rights the struggle for power is underway between the United States Russia and China This struggle is motivated by the natural clash of national interests an almost preordained process in the contemporary state system The struggle for power has been the dynamic element of history and it is likely to be in the future International war s may or may not ensue between the three major powers but their relations will remain competitive and at times quite hostile

Soviet Foreign Policy in Transition Roger E. Kanet,Deborah N. Miner,Tamara J. Resler,1992-04-02 The late twentieth century witnessed remarkable changes in Soviet domestic and foreign policy Eastern Europe sprang free of the country that held it in its grip for over forty years The Soviet leadership has accepted the reunification of Germany and supported the US sponsored resolution in the UN permitting the use of force in the Gulf against one of its former allies

Partition Kamlesh Kapur,2022-09-05 This book traces the history of India s struggle for freedom from circa 1915 to present day Salient events from the 17th to 19th century are included to provide context to later events The account narrated here is evidence based covering the four decades after M K Gandhi s return from Africa This is a historical narrative based on the facts and events that happened backed by public domain records These are further corroborated by Gandhi s speeches articles and letters written to the British authorities with the ultimate aim of demystifying Gandhi s Mahatmaship The book highlights the series of missed opportunities and poor decisions made by the Indian leadership primarily Gandhi and Nehru during the course of independence and thereafter These events and decisions have already affected the four generations of people While there were several noteworthy freedom fighters who tried to steer things in more opportune directions they were stymied by Gandhi s authoritarian stance and his often obstinate stand on social economic and political developments This book looks critically at the decisions Gandhi made and their impact on modern day India Divided in seven sections the first four sections discuss Gandhi s leadership and his actions during the freedom struggle the fifth section gives a detailed analysis of the 60 years of post independence Congress regimes during which Nehru and his dynasty s policies destroyed the five pillars of democracy Finally the epilogue suggests a road map for the way forward *Nehru and His World Order* Attar Chand,1989 The world order of Pandit Jawaharlal Nehru 1889 1964 has always been a subject of considerable scholarly and global interest and yet these are not too many books where the said subject has been extensively dealt with Shri Attar Chand s book is such a one which is based on sufficient study and research and covers all the important phases and facets of Nehru highlighting the period 1920 1988 to present a study of Nehru s ideas and impact The essays contained in the volume present interpretations of Nehru s philosophy and thoughts viz his strong adherence to democratic principles his deep love for secularism his great desire to see world free from tension and exploitation and his unending efforts at global cooperation for the good of the mankind and his economic policies Nehru s contributions to the organization and consolidation of the Indian National Congress as a vehicle for the struggle for Freedom have been well evaluated in some of the essay Nehru has been depicted as one of the makers of independent India and the values in the field of democracy secularism socialism and non alignment set by Nehru have been discussed Shri Attar Chand has augmented the collection with an elaborate and exhaustive introduction which not only throws ample light on the life philosophy and achievements of Nehru as a leader of the Freedom Movement and the first prime minister of independent India but also closely examines the far reaching results of Nehru s economic policies and reforms India s planning since the First Five Year Plan during Nehru s time and after has been evaluated without any bias or prejudice The introduction may be studied also as a well researched study of India s foreign policy as propounded and set in motion by Nehru Shri Attar Chand s work contains writings by some eminent persons who have lived and worked with Nehru for years The book provides the readers with a historical perspective of Nehru s
