## **Jerusalem The Key To World Peace:**

Jerusalem, the key to world peace, 1980      **American Presidents and Jerusalem** Ghada Hashem Talhami, 2017-04-26

Any casual observer of the Israeli Palestinian conflict would immediately recognize that the holy city of Jerusalem is the core issue impeding a permanent peace settlement between the two antagonists. The religious symbolism of this city and its centrality to major religious faiths has never faded and has become increasingly vital to various strands of twentieth century religious nationalisms. The political fate of Jerusalem was inevitably mired in international political struggles of the Cold War particularly after the United States inherited Britain's mantle as the ultimate arbiter of regional conflicts and strategic disputes. The asymmetrical balance of military power between Israel and Jordan made superpower intervention both inevitable and unpredictable. This study examines the policies of twentieth century US presidents regarding the status of Jerusalem. It traces the evolution of the United States embroilment in the politics of Mandatory Palestine successive wars and regimes that vied for control over Jerusalem and tracks the conflicting historical narratives presented by various states in the region. It also takes a detailed look at the role of the American Jewish lobby which constantly pressured the United States to overlook Israel's refusal to go back to the lines of June 5 1967 or to stop creating facts on the ground in East Jerusalem. The role of the oil lobby in seeking the reversal of Israeli annexationist steps in Jerusalem is also analyzed. The failure of several American presidents to broker an Arab Israeli peace agreement is seen here as the result of the latitude enjoyed by presidential advisers in determining the main contours of American foreign policy in this region and guarding access to the chief executive in times of crisis. Finally the book is an illustration of the perils of downplaying the human rights abuses of junior client states in order to placate national lobby groups in the United States leading to the entrenchment of the Israeli state not only over Jerusalem but throughout the West Bank.      *American Embassy in Israel* United States. Congress. Senate. Committee on Foreign Relations, 1984      *Nothing Abides* Daniel Pipes, 2017-07-05 Daniel Pipes has collected some of his sharpest and most prescient writings from the quarter century 1989-2014. In them he addresses a range of current topics from the origins of the civil war in Syria to denying the Islamic factor in terrorism to the way to resolve the Arab Israeli conflict. Pipes pursues two themes in particular the internal instability of Muslim majority countries in which nothing abides and the expression of Muslims' drive to apply Islamic law. Pipes' interests concentrate on the Middle East as understood from a historical point of view and on the role of Islam in politics. Divided into five thematic sections this work addresses the Arab Israeli conflict Middle Eastern politics Islam in modern life Islam in the West and individuals connected to American Islam. Pipes' deep knowledge gained over forty five years of study combined with incisive writing and a well regarded courage to speak out on controversial topics make *Nothing Abides* a compelling read for Middle East specialists students and the interested public.      **Thru the Bible Vol. 32: The Prophets (Zechariah)** J. Munayer,Lisa Loden,2011-10-21 Our theology does not exist in a vacuum but must relate to the world we inhabit and must influence our

moral and ethical actions This is especially true when discussing theology of the land in the context of a violent territorial conflict The Holy Land has seen so much bloodshed that the earth itself is crying out to God The chapters presented in this book form a unique collection of voices speaking from different perspectives on the issue of the theology of the land These voices include Messianic Jewish and Palestinian Christian theologians and scholars who live in the Holy Land as well as others from around the world The various chapters reflect a wide spectrum of opinion and reveal how much disagreement still exists among followers of Christ However the dialogue generated by having these opposing voices side by side speaking to each other rather than past each other is encouraging This book is both challenging and inspirational and contributes in an innovative way to this important discussion

Dagher,2002-01-04 Lebanon is more than a country it is a message these words of Pope John Paul II illustrate Lebanon s post war endeavor to preserve its age old Christian Muslim coexistence and power sharing formula and to invalidate Samuel Huntington s assumption of a Clash of Civilizations Lebanon s current challenge is also the challenge of a whole region the Middle East where the fate of minorities including Eastern Christians reveals the prospects of democracy pluralism and political participation Carole H Dagher a journalist for Lebanese media as well as an academic presents an insightful account on how Christian and Muslim communities emerged from the sixteen year old Lebanese war what their

points of friction and their common grounds are and what the prospects of Lebanon's communal representation system and pluralistic society are. She describes the central role played by the Holy See and John Paul II in bridging the gap between Christians and Muslims in Lebanon and analyzes the impact other countries such as Syria, Iran, and Saudi Arabia have had on the power game and conversely the impact of Christian-Muslim interaction on the future of the Arab-Israeli peace process. *Bring Down the Walls* draws crucial lessons from the recent history of Christian-Muslim relations in Lebanon. **Micah** Iris Nasreen, 2012-09. This is my humble prayer that this book will not save tens or thousands but millions of souls. Amen. The Lord Jesus Christ revealed Himself in a dream to appoint me His servant in 1997. The Lord later revealed my calling for His purpose in 2007 with a dream. This dream was a warning and a revelation of global disasters that the whole world has already experienced and will undergo with more severity in the future if people don't repent with humility. God revealed the reason for His judgments: Mankind is doing whatever they want to do while not thinking about the will of God. This is not the only wall; an immeasurable wall of water in my dream symbolizing disasters. There are several walls like this that are held with God's Strength. If this world continues to live with the same pattern living in sin, these walls will start to collapse one after the other. This book is God's message given to all the nations of the whole world, including prophecies for year 2012 and year 2023 and prophecies of wars, famines, and natural disasters. What is God's will? Why God loves you? Why God will judge mankind? God called me to be His witness before the whole world to testify His will declare the warning signs of future catastrophe sequential to the birth pains of a woman in labor before the second coming of the Lord Jesus Christ. **The United Nations Seminar on the Question of Palestine**, 1982. **United Nations** United States.
