Friedmann, 2007-01-01 In Riches in Niches How to Make It BIG in a Small Market Susan explores the multiple factors that separate the experts from the service professionals who may have identical if not better skills but whom no one has ever heard of **The Three Hardest Words** Leonard Sweet, 2010-05-26 Three simple words I love you capture the heart of Jesus life and ministry These three words form the bottom line and top drawer of all his teachings And they remain the three hardest words in the world to get right Two pronouns and a verb have never been so difficult to grasp much less to practice Popular culture has ruined love s reputation by redefining it first as romance and then as lust But it s not just the meaning of the word love that causes so much confusion To fully understand love we also need to find out who we are in God s eyes and whom we are commanded to love Following Jesus can be described as the daily practice of all three words I Love You There is nothing more rewarding and nothing more risky Join Leonard Sweet in this eye opening life altering exploration of three simple one syllable words After all the lifestyle of love is the only life that Jesus calls you to live There is nothing more challenging than adopting the three word lifestyle of Jesus as your own Perhaps you have wondered why love seems to work for everyone else but not for you Or maybe you ve done your best to love those around you but it seems that life has drained your last drop of trust and affection Nothing is better than love when it s right and nothing is more destructive than attempts at love that fail to follow the Jesus prescription for a healthy life Jesus devoted his earthly life to saying these three words I love you and teaching us how to say them As Jesus

defined love it takes everything you've got and then even more which only God can give The lifestyle of love is not something you can master on your own but Jesus is ready to show you how Starting today you can learn to live I love you the three hardest words in the world to get right Leonard Sweet PhD serves as the E Stanley Jones Professor of Evangelism at Drew Theological School in Madison New Jersey He is also a Distinguished Visiting Professor at George Fox University in Newberg Oregon and founder and president of SpiritVenture Ministries He has written many books including Out of the Question Into the Mystery and the trilogy SoulTsunami AquaChurch and SoulSalsa **Stewards of Spirit** Gianetta Ellis,2007-05

Intriguingly crafted this book takes you on a journey through time self and nature that will leave you reeling in inspiration A uniquely creative blend of spirituality ecology and psychology Stewards of Spirit walks you through a three step process to awaken to your authenticity The process illustrated through an intuitively inspired case study of the life of a 19th century woman is based on the ecopsychological premise that humans well being is inextricably linked to nature We can therefore look to the planet as a model for the fulfillment of our own individual potential At the heart of this experience are Rachel's Ballads While ensconced in these freestyle lyrical writings you will feel as though you are at a play where each new act builds upon the last culminating in a shocking finale that carries you back to an historic event that shook the world and to this day still captures our hearts and imaginations Throughout Ellis seamlessly weaves the notions of spirituality and self development into the world of ecology demonstrating that nature offers us a route to awakening in direct contrast to our usual dichotomous approach that pits the spirit self against the ego or false self Whether you are seeking an experience that could change your approach to life or simply in the mood for an exceptional read this book will surely fulfill your expectations Mother artist and educator Gianetta Ellis is deeply passionate about the preservation of spirit and its role in the human relationship to Earth A life long student of religion she integrates theologic and spiritual notions regarding eco accountability and stewardship to her writing She is a Vermont Law School graduate with a successful environmental career spanning two decades In both the public and private sectors she has developed policy for and managed such diverse issues as habitat conservation pollution prevention hazardous waste abatement and watershed health She is the creator and owner of stewARTship studios where she incorporates art to stewardship by using various fine art forms as a means for students to build enduring connections to self and nature Whether teaching undergraduates at the University of Pittsburgh or engaging school children in experiential nature study programs Gianetta is a dedicated professional who brings a uniquely creative and holistic approach to learning **Lethal Magic** N.
