Essential Trinitarianism Shelli M. Poe, 2017-10-19 Many scholars believe that Friedrich Schleiermacher relegates the doctrine of the Trinity to an appendix at the end of his magnum opus The Christian Faith 1830 31 his alleged disregard for the Trinity is the

supposed death knell for serious consideration of his work within the history of Christian thought This volume argues that Schleiermacher not only calls for the doctrine's revitalization but also makes it the centrepiece of Protestant Christianity Following Schleiermacher's own thought experiment Poe presents his doctrine of God in reverse order of its original presentation Her examination centres on the Trinity treating it as the keystone of the entire work while analysing the divine attributes love and wisdom justice and holiness eternity omniscience omnipotence and omnipresence When viewed from the standpoint of the conclusion the Trinitarian shape of Schleiermacher's theology comes to the fore What emerges is a middle way between merely economic Trinitarianism and a full fledged development of immanent Trinitarianism examining divine personhood and the union of the divine with humanity The central thesis of this work runs boldly counter to the prevailing academic account of Schleiermacher's doctrine of the Trinity and offers an innovative and constructive reading Readers will be privy to a fresh look at Schleiermacher's doctrine of God and its importance for contemporary theology

 Perowne,1858 **Biblical Discipleship: Essential Components for Attaining Spiritual Maturity** Dr. Todd M.
 Fink,2017-04-17 Today we have many ways of defining success in life Some define it as being a sports hero others as being
 wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as
 being spiritually mature How do we become spiritually mature There s only one way and it s called discipleship However
 statistics show that discipleship is in a state of crisis today Many Christians are not growing in Christ and are stuck in the
 process of reaching spiritual maturity A Barna study reveals that almost nine out of ten senior pastors of Protestant churches
 assert that spiritual immaturity is one of the most serious issues facing the church Sadly what discipleship meant in the time

of Christ and what it means today is vastly different Moreover the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it Unlike the disciples who had much of Scripture memorized a whopping 81% of Christians today don't read their Bibles regularly Unlike Christ's disciples who were Fishers of Men 61% of believers today have not shared their faith in the past six months And sadly unlike Christ and the Apostles who made discipleship the central focus of their ministries 81% of pastors today have no regular discipleship programs in their churches Discipleship is being neglected today and the consequences are crippling many Christians and churches This book hopes to change that Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it's in crisis mode Chapter 2 reveals 13 key factors contributing to the lack of discipleship today Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry Chapter 4 brings to light 14 essential components of the discipleship making process that must be understood and practiced in order to attain spiritual maturity Chapter 5 provides practical how to help for growing in Christ It includes self assessment tests for measuring your level of spiritual maturity in each essential component of discipleship and gives hands on useful ideas for taking steps toward spiritual maturity Discipleship is a command for all believers and is our highest calling This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ It's both an informative book and a how to book It deals with the barriers that are hindering discipleship and offers practical help for overcoming these barriers and attaining spiritual maturity So are you ready to grow Would you like to be pleasing to God Would you like to fulfill the reason for which you've been created Would you like the full blessings of God in your life Would you like to become spiritually mature Would you like to hear Christ's words Well done good and faithful servant when you arrive in heaven If so this book is for you

Evangelical Exodus Douglas Beaumont, 2016-01-06 Over the course a single decade dozens of students alumni and professors from a conservative Evangelical seminary in North Carolina Southern Evangelical Seminary converted to Catholicism These conversions were notable as they occurred among people with varied backgrounds and motivations many of whom did not share their thoughts with one another until this book was produced Even more striking is that the seminary's founder long time president and popular professor Dr Norman Geisler had written two full length books and several scholarly articles criticizing Catholicism from an Evangelical point of view What could have led these seminary students and even some of their professors to walk away from their Evangelical education and risk losing their jobs ministries and even family and friends to embrace the teachings they once rejected as false or even heretical Speculation over this phenomenon has been rampant and often dismissive and misguided leading to more confusion than understanding The stories of these converts are now being told by those who know them best the converts themselves They discuss the primary issues they had to face the nature of the biblical canon the identification of Christian orthodoxy and the problems with the Protestant doctrines of sola scriptura scripture alone and sola fide faith alone
