International Business Transactions Fundamentals Ronald A. Brand, 2018-11-27 Designed primarily as a casebook and text for law school study this volume represents nearly four decades of work by the author to present the fundamentals of the law of international business transactions The second edition refines and updates the materials in the first edition in a manner intended to be useful not only to students but as a desk book for practitioners Like the first edition this second edition focuses on the role of lawyers in identifying risks inherent in cross border economic transactions and then using primarily the law and negotiations to eliminate where possible reduce where practicable and reallocate where necessary those risks to the benefit of the client Matters covered include the basic export import sales contract the use of price delivery terms to allocate both price and risk the application and use of the United Nations Sales Convention CISG events which may excuse the nonperformance of a contract obligation when and how to opt in or out of the CISG financing the export sale with a commercial letter of credit a basic understanding of the WTO trade regulation system the regulation of importation including tariff classification and valuation the regulation of exportation including licensing and extraterritorial application of export laws U S and EU Rules affecting the professional liability of international transactions lawyers planning for the resolution of disputes in international transactions a comparative law understanding jurisdiction applicable law and judgments recognition issues affecting choices between arbitration and litigation of disputes drafting choice of forum clauses drafting choice of law clauses understanding rules regarding judgments obligations stated in foreign currencies recent multilateral efforts to harmonize the law on jurisdiction and judgments recognition dealing with and avoiding claims of sovereign immunity and act of state operating abroad through employees agents and distributors anti bribery laws and the need for compliance programs and contract restrictions expropriation political risk and how to use insurance and contract terms to deal with them investor state contracts antitrust laws and their extraterritorial application Each chapter is designed to help the reader move from the simple cross border sales transaction through steps which increase both activity abroad and the laws and regulations that may bring with them additional risks to be identified and allocated A separate documents volume provides virtually all current primary source material on the law of international business transactions There are many guides to the conduct of international business transactions but none organized as clearly as this With this up to date edition of a well established practical guide in house lawyers for multinational corporations and practitioners in business law will quickly develop a framework for understanding each source of protection and enhance their ability to serve their company and clients well International Business Transactions Douglas Lee Donoho, 2013-10-04 As suggested by its title

this e book presents student oriented materials focused on legal issues common to international business transactions With an emphasis on sales of goods and services the materials review international transactions from both the private law and governmental regulatory perspectives domestic and international Several features of the book distinguish it as a teaching tool from more traditional law school offerings First the book is offered in an electronic format which is designed to make extensive use of web based resources Among other advantages this format 1 provides much cheaper flexible and more accessible learning materials for students 2 takes advantage of the excellent web based resources that students are accustomed to using including multi media content and 3 creates a flexible framework that allows professors to adapt improve or otherwise modify content to suit their needs during successive iterations of the course Second the materials and format are designed to encourage students to take a more active role in their learning with an emphasis on skills building Each chapter presents a problem and typically asks students to address legal issues as a practicing lawyer would working through primary materials cases statutes and treaty texts Third the materials are written and prepared for the uninitiated and uninformed Basic background explanations are always provided and all questions posed in the text are meant to be answered by the students there are no abstract obtuse or unanswerable questions set out in the materials With guidance from their instructor students are required to examine the material provided not only to learn the relevant law but also to build the essential skills of effective lawyering

Transnational Legal Ordering of Criminal Justice Gregory Shaffer, Ely Aaronson, 2020-07-02 Hard and soft law developed by international and regional organizations transgovernmental networks and international courts increasingly shape rules procedures and practices governing criminalization policing prosecution and punishment This dynamic calls into question traditional approaches that study criminal justice from a predominantly national perspective or that dichotomize the study of international from national criminal law Building on socio legal theories of transnational legal ordering this book develops a new approach for studying the interaction between international and domestic criminal law and practice Distinguished scholars from different disciplines apply this approach in ten case studies of transnational legal ordering that address transnational crimes such as money laundering corruption and human trafficking international crimes such as mass atrocities and human rights abuses in law enforcement The book provides a comprehensive treatment of the changing transnational nature of criminal justice policymaking and practice in today s globalized world

Introduction to International Business Transactions Aaron X.
