**The European Social Charter and the Employment Relation** Niklas Bruun, Klaus Lörcher, Isabelle Schömann, Stefan Clauwaert, 2017-01-12 This collection addresses the potential of the European Social Charter to promote and safeguard social rights in Europe Drawing on the expertise of the ETUI Transnational Trade Union Rights expert network from across Europe it provides a comprehensive commentary on these fundamental rights Taking a two part approach it offers an in depth legal analysis of the European Social Charter as a new social constitution for Europe investigating first the potential of the general legal frame in which the Charter is embedded In the second phase a series of social rights which are related to the employment relation are examined in particular in light of the jurisprudence of the European Committee of Social Rights ECSR to demonstrate the crucial but difficult role of the Charter's supervisory bodies to secure the respect and promotion of social rights and national level bearing in mind the reciprocal influence of other international social rights instruments This examination is timely given the pressure exerted on those rights during the recent period of economic crisis Furthermore in the light of the

predominantly economic vision of Europe such analysis is crucial The collection is aimed at stimulating academic scrutiny and raising awareness amongst practitioners and trade unions about this important and equally necessary anchor of the social dimension of Europe in legal and political practice      *Essential Texts on European and International Asylum and Migration Law And Policy* Gert Vermeulen, Ellen Desmet, 2017-12-04 This volume comprises the relevant legal instruments and principal policy documents in the area of international and European asylum and migration including the latest versions of pending legislative proposals The range of issues covered is comprehensive human rights nationality and statelessness equal treatment non discrimination racism and xenophobia citizenship residence and free movement borders border management and entry visa and passenger data labour migration family reunification asylum subsidiary and temporary protection irregular migration and trafficking in human beings The texts have been ordered according to the multilateral co operation level within which they were drawn up either the United Nations the Council of Europe or the European Union including Schengen level instruments This edition provides practitioners authorities policy makers scholars and students throughout Europe with an accurate up to date and forward looking compilation of essential texts on asylum and migration matters      *Employment Privacy Law in the European Union* Alberto Arufe Varela, 2003 Information and knowledge have become crucial factors in modern labour markets In this context labour management relations are characterised by an increasing and considerable flow of information These developments are influenced by new management techniques such as human resources management in which the individual is identified as a key element in business success Furthermore there is the globalisation of the economy the increase of international corporate mergers and the unfolding of the network society which goes hand in hand with technological innovations These developments not only multiplied the needs for information and the flow of data in employment relations but also improved techniques of data processing revealing sensitive data of employees This book deals with employment privacy law a field of knowledge that increasingly gains influence in legal theory and daily practice It concentrates on the legal regulation of general human resources data as well as sensitive data in the employment context The book is developed within a comparative perspective providing an overview and analysis of the Law of each Member State of the European Union in the field of study It is completed by a comparative summary Information and insights in this book will be of great value for practicing lawyers human resources managers academics interest groups and policy makers The specific issue of monitoring and surveillance in the workplace is covered in another highly recommended book      **Counting the Labor Force : Appendix Volumes: Reading in labor force statistics** United States.
