,1993-09 V 1 Authors A D v 2 Authors E K v 3 Authors L R v 4 S Z v 5 Titles A D v 6 Titles E K v 7 Titles L Q v 8 Titles R Z v 9 Out of print out of stock indefinitely v 10 Publishers **Attention Deficit Hyperactivity Disorder** G.D. Kewley,2013-02-01 ADHD is a common complex and yet often misunderstood condition affecting children adolescents and adults It causes a wide range of difficulties with concentration impulse control hyperactivity motivation and time awareness This can often lead to school failure expulsion and emotional behavioral and social problems An estimated two per cent of the population suffers

from ADHD To ensure their effective treatment three critical areas need to be addressed Parents teachers and professionals must become aware of the possibility of ADHD symptoms can mimic other medical and environmentally related conditions which can make accurate recognition difficult Second the reality of coping with ADHD in its many forms both for individuals with the condition and those around them must be acknowledged and understood Finally there is a need for a holistic approach to the assessment and management of ADHD to ensure the most effective resolution for individuals The author gives an overview of the condition based on the broad internationally recognized approach to ADHD which takes account of its biological as well as environmental elements He discusses appropriate management guidelines which include consideration of medication as well as psychosocial and educational strategies The book aims to be a comprehensive and authoritative text on ADHD its causes and management currently available in the UK It provides a practical guide to the process of dealing more effectively with ADHD from initial recognition to effective management strategies via assessment and diagnosis It is intended for parents teachers and other professionals to facilitate appropriate understanding and support for this distressing condition

Managing the Motherload Rebekah Borucki, 2019-08-13 A candid humorous and heartfelt guide to self care in motherhood from a meditation expert and mother of five Managing the Motherload is a practical system for sanity from a happy ultra productive and sometimes tired mother of five This five part system will help readers create a life that they love while allowing all the items on their to do list to flourish in their own time In the book meditation guide and popular YouTuber Rebekah Bex Borucki features her favorite healing and stress reducing modalities including her signature 4 minute meditations Deeply personal heartfelt stories of her struggles and tender moments raising five children are highlighted throughout the book As a birth doula and meditation guide Bex offers a wealth of personal and professional experience in managing the demands of motherhood and the need for self care and stress management I want every woman who reads this book to come away with a feeling of confidence in finding her own way as a mother and a human being Upon finishing the pages the reader will have the know how to create a path to happiness freedom and success that can be achieved not in spite of her tremendous responsibility as a mother but in total alignment with it from the author

The Alchemy of Illness Kat Duff, 1993 Illness is a universal experience There is no privilege that can make us immune to its touch We are taught to assume health illnesses being just temporary breakdowns in the well oiled machinery of the body But illness has its own geography its own laws and commandments At a time when the attention of the whole nation is focused on health care Kat Duff inquires into the nature and function of illness itself Duff a counselor in private practice in Taos New Mexico wrote this book out of her experience with chronic fatigue syndrome but what she has to say is applicable to every illness and every one of us For those who are sick this book offers solace and recognition For those who care for them either physically or emotionally it offers inspiration and compassion Finally this fresh perspective on healing reveals how every illness is a crucible that tries our mettle tests our limits and provides us with an unparalleled opportunity to integrate its

lessons into our lives **Resources in Education** ,1998 *Kids Can Be Kids* Shelly J Lane,Anita C Bundy,2011-11-11 This groundbreaking text by two noted educators and practitioners with contributions by specialists in their fields presents a comprehensive evidence based approach to pediatric therapy Their work reflects the focus of practice today facilitating the participation of children and their families in everyday activities in the content of the physical and cultural environments in which they live go to school and play The authors describe the occupational roles of children in an ecocultural context and examine the influence of that context on the participation of a child with physical emotional or cognitive limitations
