BOOKS ABOUT IDENTITY & INTIMACY

Identity Intimacy

Ruthellen Josselson

Identity Intimacy:

Identity and Intimacy in Marriage Susan Krauss Whitbourne, Joyce B. Ebmeyer, 2013-11-11 Through the research on which this book reports we have been given the unique opportunity to explore the complex nature of two of the most important issues in the lives of adults identity and intimacy It is with deep gratitude that we give credit to the 80 individuals in our sample who allowed us to explore these processes in their lives Our purpose in writing this book was in some ways a modest one Both of us believed that research on the Eriksonian concept of intimacy was deficient in that it was limited to the reports of individuals about them selves We maintained that this kind of research could provide only a narrow and probably biased view of the intimacy development of individuals By obtaining complementary responses to the intimacy interview from both partners in a marital relationship we hope to pave a new path that future researchers in this area will follow Beyond this methodological advance we intended that this book's theoretical focus could put a new perspective on the well trodden path of research on marriage This more ambitious goal is one that we faced with some trepidation The literature on marital adjustment and satisfaction is vast and potentially overwhelming

Identity Development Jane Kroger, 2007 This is the one book that I recommend as authoritative on life span identity development Written in a lively style with examples both numerous and apt it helps practitioners and social planners to become current with research findings and it provides researchers with both the necessary background and intriguing new ideas to advance their work University instructors will find it invaluable as a text for a seminar in identity development as well as a highly useful supplement for courses in life span development adolescence through late adulthood and personality theory Kroger has written that rare book that is highly informative useful and a pleasure to read James E Marcia Simon Fraser University British Columbia This volume highlights identity development from early adolescence through late adulthood and provides a valuable resource for university students as well as human services professionals This Second Edition of *Identity Development Adolescence Through Adulthood* presents an overview of the five general theoretical orientations to the question of what constitutes identity as well as the strengths and limitations of each approach The volume then describes key biological psychological and contextual issues during each phase of adolescence and adulthood Following these major adolescence and adulthood sections selected issues that may pose identity challenges for some are presented New to the Second Edition A thorough updating of key theories researches and demographic information on the course and contents of identity development from adolescence through adulthood An international focus in the selection of research used to examine key issues A discussion of measurement techniques used within various theoretical orientations to investigate issues of identity A contemporary critical analysis of current identity research within an Eriksonian framework

The Person Dan P. McAdams, 2008-12-22 Drawing on cutting edge scientific research classic personality theories and stirring examples from biography and literature *The Person* presents a lively and integrative introduction to the science of personality psychology Author Dan McAdams organizes the field

according to a broad conceptual perspective that has emerged in personality psychology over the past 10 years According to this perspective personality is made up of three levels of psychological individuality dispositional traits characteristic adaptations such as motives and goals and integrative life stories Traits adaptations and stories comprise the three most recognizable variations on psychological human nature grounded in the human evolutionary heritage and situated in cultural and historical context The fifth edition of this beautifully written text expands and updates research on the neuroscience of personality traits and introduces new material on personality disorders evolution and religion attachment in adulthood continuity and change in personality over the life course and the development of narrative identity

Power, Intimacy, and the Life Story Dan P. McAdams, 1988-01-01 Who am I And how do I fit into the world These are the questions individuals ask themselves to make sense of their lives Power Intimacy and the Life Story addresses the human quest for identity The author reinterprets some of the classic writings in psychology as he shows how each of us constructs a life story in order to meet the identity challenge and create a sense of unity and purpose in our lives Written for the social scientist practicing clinician educated layperson and student this compelling study describes how we construct stories that are organized by the two general life themes of power and intimacy Using the results of questionnaires and interviews with both college students and older adults the author illustrates an innovative way of understanding human lives in literary terms

Ego Identity James E. Marcia, Alan S. Waterman, David R. Matteson, Sally L. Archer, Jacob L. Orlofsky, 2012-12-06 Ego Identity A Handbook for Psychosocial Research contains an integrated presentation of identity theory literature reviews covering the hundreds of research studies on identity a discussion of the techniques of interviewing for psychosocial constructs and model Identity Status Interviews and scoring manuals for three age groups early and middle adolescence the college years and adulthood Special attention is devoted to questions of the personality and social patterns associated with differing approaches to the task of identity formation the processes and patterns of identity development and the similarities and differences with which females and males form their sense of identity Theory and research on Erikson's concept of intimacy is presented including the Intimacy Status Interview and scoring manual This handbook is also designed to serve as a model for those interested in developing and using interview techniques for any of the other Eriksonian stages of psychosocial development This book is ideal for researchers of ego identity and intimacy practitioners and graduate students in developmental personality and social psychology as well as to psychiatrists

Identity and Intimacy in Twins Barbara Schave, Barbara Schave Klein, Janet Ciriello, 1983

Identity and Intimacy Patricia A. H. Dyk, 1987 The purpose of this study was to investigate the correlational and casual connection between identity and intimacy development in later adolescents using lagged data and multiple measures of each construct Developmental paths were hypothesized from four theoretically based models and designed to investigate gender and sex role orientation differences in the relationship of identity and intimacy formation Identity was measured by the Revised Version of the Extended Objective Measure of Ego Identity Status Both identity and

intimacy were assessed by the Erikson Psychosocial Stage Inventory and the Inventory of Psychosocial Development The Bem Sex Role Inventory and the Questionnaire Measure of Emotional Empathy were used to assess sex role orientation Using a two wave cross lag panel design the pattern of correlational dominance between identity and intimacy was examined and directionality inferred The results indicate that when examining gender differences with sex role identification removed from the assessment of identity and intimacy identity appears to be a dominant precursor to intimacy for both sexes However sex role orientation does appear to mediate the identity intimacy relationship where for males femininity enhances the identity intimacy association but does not change the general male pattern of identity predicting intimacy For females a masculine sex role orientation results in a pattern similar to either masculine or feminine males while femininity is associated with a more fused connection between identity and intimacy

Latina Realities Oliva Espin, 2018-02-20 This book emphasizes psychology's role as a means of human welfare focusing on the complexities of the psychological development of immigrant women Latinas and other women of color and issues relevant to providing psychological services to them

The Oxford Handbook of Identity Development Kate C. McLean, Moin U. Syed, 2015 Identity is defined in many different ways in various disciplines in the social sciences and sub disciplines within psychology The developmental psychological approach to identity is characterized by a focus on developing a sense of the self that is temporally continuous and unified across the different life spaces that individuals inhabit Erikson proposed that the task of adolescence and young adulthood was to define the self by answering the question Who Am I There have been many advances in theory and research on identity development since Erikson's writing over fifty years ago and the time has come to consolidate our knowledge and set an agenda for future research The Oxford Handbook of Identity Development represents a turning point in the field of identity development research Various and disparate groups of researchers are brought together to debate extend and apply Erikson's theory to contemporary problems and empirical issues The result is a comprehensive and state of the art examination of identity development that pushes the field in provocative new directions Scholars of identity development adolescent and adult development and related fields as well as graduate students advanced undergraduates and practitioners will find this to be an innovative unique and exciting look at identity development

Paths to Fulfillment Ruthellen Josselson, 2017 Women and identity The pathmakers A pathmaker and her daughter and a pathmaker who lost her way The guardians The searchers The drifters A drifter who created a path Paths to fulfillment reflections on adult growth and development in women Afterword

The Life Story, Domains of Identity, and Personality Development in Emerging Adulthood Michael W. Pratt Ph.D., M. Kyle Matsuba Ph.D., 2018-05-30 The Life Story Domains of Identity and Personality Development in Emerging Adulthood focuses on individuals' formulations of the unique episodes and events of their lives that give one meaning and a sense of personal identity This book brings the growing research on narrative study and the life story into focus by drawing from the existing research on personality development during emerging adulthood In this book authors Michael W Pratt and M Kyle Matsuba

present a series of chapters exploring how one's life story manifests across the many components of their developing identity including their religion morality vocation society and the relationships they have with their parents peers and romantic partners Taking their cue from Erik Erikson's model of adolescent and adult development the authors show readers exactly how a life story approach can illuminate the distinctive features of an individual's personality and development during this formative phase of life Organized around a set of life contexts where personality is manifested i.e. adjustment personal ideology close relationships occupation and civic life this book draws on the authors own longitudinal research on the development of the life story in emerging adulthood Throughout the book they incorporate fascinating case studies and historical examples e.g. Darwin Pope Francis Martin Luther King Jr Jane Fonda of individuals unique development during this period of life in order to better illustrate the application of this approach to understanding the whole person in context

Identity and Repartnering After Separation R. Lampard, K. Peggs, 2007-07-25 This book examines the lives and repartnering behaviour of former spouses and co-habitees groups pivotal to recent marital change Focusing on contemporary Britain it examines these people's experiences of being single their orientations towards past and new relationships and their self-identities in the context of a couple-orientated society

Crossing the Soul's River William O. Roberts, 2009-10-01 Moving articulate and insightful this book is a welcome exploration of men's spiritual journey at midlife Written by an author with his own extraordinary middle passage the book provides practical insights for men while offering women an invaluable window into men's souls Allan Chinen author of *Beyond the Hero* Classic Stories of Men in Search of Soul Lively and unembarrassed written with great psychological acumen *Crossing the Soul's River* is a major contribution to our understanding of men at midlife This is the conversation men need to have with another man when their familiar old assumptions and priorities no longer make sense Give it to a man you really care about Give it to a woman who wants to know men at the core Stephen Bank coauthor of *The Sibling Bond* *Crossing the Soul's River* is one of the second generation of men's books that are trying to chart concrete steps men can take to do the work we need to do to become more self-actualized and therefore more responsible partners citizens and churchmen Roberts's articulation of men's needs for the wisdom of Sophia is the clearest I have ever read Stephen Boyd author of *The Men We Long to Be* *Beyond Lonely Warriors* and *Desperate Lovers* William O. Roberts's compelling book puts the male midlife crisis into its deepest context the growth of ourselves as spiritual beings In so doing it moves well beyond treatments which focus solely on the psychological dimension of this process though Roberts details these too with a sharp insightful eye honed by his own personal experience Most helpful is his detailing of various rites of passage designed to help men navigate through this difficult time In this the book is of practical as well as intellectual use I found the book deeply insightful and altogether illuminating Brian Fay author of *Contemporary Philosophy of Social Science A Multicultural Approach*

The Wiley-Blackwell Handbook of Adulthood and Aging Susan K. Whitbourne, Martin J. Sliwinski, 2016-08-08 This exceptional collection draws on the most recent demographic

data and combines classic research with cutting edge approaches to provide an invaluable overview of the developmental psychology of the adult years Covers a wide range of topics within adult development and aging from theoretical perspectives to specific content areas Includes newly commissioned essays from the top researchers in the field Takes a biopsychosocial perspective covering the biological psychological and social changes that occur in adulthood **Treating Couples** Gerald R. Weeks, 2013-05-24 In some ways the development of the theory and practice of marital therapy seems like a relative newcomer to those clinicians who practice systems therapy Most of the books in the field stress the total family as the unit of treatment in terms of understanding the dynamics of family interactions and intervention techniques For the past 15 or 20 years clinicians interested in systems work sought training in family therapy programs and at family therapy workshops This training led to a dramatic shift in the practice of psychotherapy away from the individual as the unit of treatment to the family Much less emphasis has been given to the marital dyad or couple as the unit of treatment **Interweaving Tapestries of Culture and Sexuality in the Caribbean** Karen Carpenter, 2017-07-30 This book brings together the most recent work of Caribbean psychologists in the English speaking islands of Jamaica Barbados and Trinidad on gender and sexuality The authors analyse the unique challenges posed by contradictions between cultural values and modern sexual expression in the region They examine a broad range of topics such as conceptions of gender roles in primary school children sexual behavior and emotional social intelligence in adolescents and sexual identities and orientations in adults Chapters cover issues including how women who have sex with women WSWs self identify the Lebenswelt life world of men who have sex with men MSM in Jamaica transsexual care and its psychological impact the influence of music on sexuality how intimacy is defined as well as the relationship between identity formation and the fear of intimacy in Jamaica and the practice of polyamory in Jamaica and Trinidad This distinctive collection is the first of its kind grounded in both qualitative and quantitative research It presents a sophisticated comparative analyses of the cultures of the Anglophone Caribbean represented by Trinidad Jamaica and Barbados to offer a broader discussions of intimacy and relationships With practical implications for therapy it will be of great interest to scholars and practitioners of gender and sexuality studies psychology and culture **A Lifetime of Communication** Julie Yingling, 2004-07-21 Through the lens of a relational and dialogic perspective the reader will follow one child from cradle to grave through acquiring the means to communicate to forming and developing through relationships to building human cognitive processes and to u **Identity and Interethnic Marriage in the United States** Stanley Gaines, Jr., 2017-05-25 Drawing on psychological and sociological perspectives as well as quantitative and qualitative data Identity and Interethnic Marriage in the United States considers the ways the self and social identity are linked to the dynamics of interethnic marriage Bringing together the classic theoretical contributions of George Herbert Mead Erving Goffman and Erik Erikson with contemporary research on ethnic identity inspired by Jean Phinney this book argues that the self and social identity especially ethnic identity are reflected in individuals complex journey from

singlehood to interethnic marriage within the United States Gender and Sexual Identity Julie L. Nagoshi, Craig T. Nagoshi, Stephanie Brzuzy, 2013-10-21 The first comprehensive presentation of an explicitly transgender theory This theory goes beyond feminist and queer theory by incorporating the idea of fluid embodiment and lived experience in conceptualizing gender and sexual identity Beyond developing a formulation of transgender theory that incorporates the socially constructed embodied and self constructed aspects of identity in the narrative of lived experiences the authors discuss the implications of this trans identity theory for theory research and practice *Discussions on Ego Identity* Jane Kroger, 2014-09-19 Identity has been a topical issue in both popular and social science literatures for the past forty years The writings of Erik Erikson on the identity formation process of late adolescence have provided an important theoretical foundation to clinical counseling and educational practices As the literature on adolescent development has burgeoned over the last three decades so have efforts to understand more systematically the means by which young people find their occupational religious political sexual and relational roles in life One of the most popular research traditions to spring from Erikson's clinical observations has been the ego identity status approach developed by James Marcia This approach has expanded Erikson's concept of identity to describe four distinct styles by which adolescents and adults deal with identity defining issues The present volume reflects the most recent efforts of social scientists who have contributed further to the work that Erikson and Marcia began an exhaustive analysis of the issues inherent in the adolescent identity formation process

The Enigmatic Realm of **Identity Intimacy**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Identity Intimacy Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Identity Intimacy PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and

professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Identity Intimacy PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Identity Intimacy free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Identity Intimacy Books
