HOW I FOUND MY GUIDING LIGHT Larissa B,2025-03-03

My Guiding Light is an inspirational nonfiction memoir that provides an overview of how an ambitious yet soft spoken insecure and even troublesome suburban chick discovered the concealed light inside her soul This woman believes there s always a radiant light glowing at the end of a long dark tunnel After all these years she s finally grasped the concept that dark and light circumstances in her life cannot coexist Can they Well this is the major theme of her testimony here for you friends She believes there are two sides to every person two distinct personalities yet to be exposed that are often left unresolved or misunderstood This is not an intention to lecture or preach at any person or to force any crazy religious doctrine into your psyche Rather it s an inspirational summary of one young woman s life experiences and how Christ is now the positive motivating force within her life today inspiring others to do the same Despite her conservative wholesome often sheltered and awkward childhood she later experienced a drama filled and often unfair adolescence then on to an uncertain exhilarating and awkward young adulthood This woman had her deepest doubts about herself her life and most relevantly her faith in Christ derived at first from her shaken walk with God despite her genuine and easygoing demeanor There was a time in her midtwenties when she almost slipped so far into the darker side of life that she might have been headed for a mental breakdown Then one random night she had a fascinating dream where in her unique knowledge she saw a miraculous sign from God consisting of large birds and a radiant light her true light Through that supernatural experience she now knew

of her genuine hope and purpose for living Christ who was showing her a way out of the darkness into eternal hope Now she knows she has a destiny regardless of the indifference and controversy constantly plaguing her reality including her insecurities and self doubt After a few years despite her promising future ahead comes an underlying question that still seems to haunt her today Is her newfound admiration from social media friends and the good life on her terms today the key to true fulfillment especially when the darker side of her persona from her past still seems to come back to haunt her daily or is real fulfillment found only in her newfound faith in the Lord Jesus Furthermore she must now decide in her mind to either forgive forget kick the dark side to the curb and finally move on to restore her newfound faith and her radiant future or continue to dance with the demons of her past that still haunt her and continue to receive the outward societal attention she has so long craved before Despite her efforts the ongoing conflicting question remains Will it ever be understood or make sense Can the light and dark sides of someone's soul coexist with each other Will the conflicting questions inside her soul those of who she is and who she's supposed to be ever be resolved Well hopefully only a short amount of quality and well spent time reading her testimony will reveal the true answers Friends this is an overall inspirational query based on factual life events about how a young woman can use her life circumstances to inspire the younger and older generations to never give up on their life hope purpose and their true guiding light
