Evening With Peter Ustinov:

An Evening with Peter Ustinov Theatre Royal, Haymarket, Skalník, Peter Ustinov, 1991 **London Theatre Record**, 1990 *Evening with Peter Ustinov* Franta Novák, Joska
The Methuen Drama Dictionary of the Theatre Jonathan Law, 2013-12-16 The Methuen Drama Dictionary of the Theatre is an essential reference tool and companion for anyone interested in the theatre and theatre going. Containing over 2500 entries it covers the international spectrum of theatre with particular emphasis on the UK and USA. With biographical information on playwrights, actors and directors, entries on theatres and theatre companies, explanation of technical terms and theatrical genres and synopses of major plays, this is an authoritative, trustworthy and comprehensive compendium. Included are synopses of 500 major plays, biographical entries on hundreds of playwrights, actors, directors and producers, definitions of nearly 200 genres and movements, entries on over 100 key characters from plays, information about more than 250 theatres and companies. Unlike similar products, The Methuen Drama Dictionary of the Theatre avoids a dry technical approach with its sprinkling of anecdotal asides and fascinating trivia such as how Michael Gambon gave his name to a corner of a racing track following an incident on BBC's Top Gear programme and under advice to actors the sage words of Alec Guinness: First wipe your nose and check your flies and the equally wise guidance from the master of his art Noël Coward: Just know your lines and don't bump into the furniture. As a companion to everything from the main stage to the fringes of theatrical fact and folklore, this will prove an irresistible book to all fans of the theatre. **Theatre Record**, 1996 **Screen World Presents the Encyclopedia of Hollywood Film Actors: From the silent era to 1965** Barry Monush, 2003 Applause Books For decades Screen World has been the film professional's as well as the film buff's favorite and indispensable annual screen resource full of all the necessary statistics and facts. Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover's library. In the first of two volumes, this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin, Pickford, Fairbanks to the mid 1960s when the old studio and star systems came crashing down. Each listing includes a brief biography, photos from the famed Screen World archives with many rare shots, vital statistics, a comprehensive filmography and an informed, entertaining assessment of each actor's contributions, good or bad. In addition to every major player, Monush includes the legions of unjustly neglected troupers of yesteryear. The result is a rarity: an invaluable reference tool that's as much fun to read as a scandal sheet. It pulsates with all the scandal, glamour, oddity and glory that was the lifeblood of its subjects. Contains over 1,000 photos. Nights That Shook the Stage Dwayne Brenna, 2023-05-30 Some of the most raucous evenings in the history of theater are chronicled in this lively discussion of occasions when theater makers changed the course of theatrical and sometimes world history. Covering a wide range of events from the inauspicious opening of Oedipus Rex in Athens to the assassination of Abraham Lincoln in Washington D.C. to the violence-riddled performance of Halla Bol in New Delhi, this book offers detailed and studied observations of specific minutes, hours and days on the stage. shares in The Roof The Beatles Final Concert the sense that something special was taking place before his eyes that would live on forever in the hearts and souls of millions As the US manager of Apple Ken Mansfield was on the scene in the days weeks and months leading up to this monumental event He shares his insights into the factors that brought them up onto that roof and why one of the greatest bands of all time left it all on that stage Join Ken as he reflects on the relationships he built with the Fab Four and the Apple corps and what each player meant to this symphony of music history *A Companion to Ancient Greece and Rome on Screen* Arthur J. Nothing But! Brigadier Samir Bhattacharya,2014-01-10 This is the FOURTH PARTpart of the six part saga titled NOTHING BUT and subtitled LOVE HAS NO RELIGION it is the story of the Indian Subcontinent and what people had to go through after India and Pakistan became two independent separate nations and about the Princely state of Kashmir which has become the biggest bone of contention between the two new nations and which led to three bitter wars and also heralded the birth of a new nation called Bangladesh The political turmoil in India Pakistan and the Bangladesh and the advent of communal political parties in India **Defend the Realm** Christopher Andrew,2009-11-03 For over 100 years the agents of MI5 have defended Britain against enemy subversion Their work has remained shrouded in secrecy until now This first ever authorized account reveals the British Security Service as never before its inner workings its clandestine operations its failures and its triumphs **The White Book** Ken Mansfield,2007-10-30 Through exclusive photos and personal stories former US manager of Apple Records and Grammy Award winning producer Ken Mansfield offers a compelling memoir that delves into his life in the 1960s and 70s and his unique partnership with the Beatles and other musicians who orbited their world As observer friend and colleague Mansfield sat in their recording sessions partied in their swimming pools took their irate calls and publicized their successes Entertaining historically accurate and illuminating a side of the Fab Four known

only to a few like Mansfield The White Book shines fresh light on the true characters behind the cultural phenomena that revolutionized a generation As the former Head of Apple Records International Jack Oliver has said of Ken He is one of the few insiders left that bore witness to the highs and lows of those insane days when we ruled the world Ken has a unique gift He can take you in the room and have you sit with the folk he knows and make you one of the gang part of the plan and considering these folk include the Beatles Dolly Parton Waylon Jennings the Beach Boys Roy Orbison David Cassidy and a whole host more that is some doing I really enjoyed sitting in on his world and I respect the affection he has for our game and what he brought to it will get you ANDREW LOOG OLDHAM Rolling Stones Manager and Producer Ken Mansfield brings us a new and closely personal perspective not only on the Beatles but on a whole cast of musical characters from Brian Wilson to Don Ho An observant and perceptive man in the centre of the storm a contradictory man both ambitious and spiritual but at the heart of the record industry during its most exciting years and enjoying every minute of it I lived through those years with Ken and we became friends It is a pleasure to experience so much of it all again through the accuracy of his story telling and the clarity of his memory PETER ASHER Peter and Gordon A R Chief Apple Records Producer Manager James Taylor Linda Ronstadt Carole King et al Journalism is normally a very inexact science Many of the countless books about the Beatles have been written by researchers not by people who were actually there Everyone has experienced reading a book or article where one s own inside knowledge about a particular person or event shows up inaccuracies on the part of the writer that totally distort the truth This book is an exception I know because I was there for some of it myself Ken Mansfield and I unknowingly shared the experience of the famous Apple rooftop session where I was nervously adjusting mikes and cables for the sound recording of that unforgettable day Ken was not only working for the Beatles through their heyday he was also their trusted friend There is no one better equipped to tell the Beatles story truthfully and more importantly factually from the inside ALAN PARSONS Engineer to the Beatles Pink Floyd Multi Platinum Producer Alan Parsons Project Unlike many people claiming a Beatles connection Ken Mansfield doesn t have an agenda or try to elevate his role or importance Ken comes across as a man who knows how lucky he was to be where he was and enjoys sharing his stories with us Ken was there and that is why The White Book is informative fresh and entertaining without being ego driven BRUCE SPIZER Author Beatle Historian Good Nights Out Aleks Sierz, 2019-12-12 London s West End is a global success story staging phenomenal hit shows that have delighted millions of spectators and generated billions of pounds in revenue In Good Nights Out Aleks Sierz provides a thematic survey of such popular theatre shows that were enormous commercial successes over the past 75 years He argues that these outstanding hits have a lot to say about the collective cultural social and political attitudes and aspirations of the country and about how our national identity and theatre s role in creating it has evolved over the decades The book spans a range of work from almost forgotten plays such as R F Delderfield s Worm s Eye View and Hugh Hastings s Seagulls Over Sorrento to well known mega hits such as The Mousetrap and The Phantom of the Opera Such popular work

has tended to be undervalued by some critics and commentators mainly because it has not been thought to be a suitable subject for inclusion in the canon of English Literature By contrast Sierz demonstrates that genres such as the British musical light comedy sex farce or murder mystery are worth appreciating not only for their intrinsic theatrical qualities but also as examples of the dream life of the British people The book challenges the idea that mega hits are merely escapist entertainments and instead shows how they contribute to the creation of powerful myths about our national life The analysis of such shows also points towards the possibility of creating an alternative history of postwar British theatre
