Hudson,2017-04-08 I wrote and created We Are All Kings A Parent s Guide to Help Motivate Your Child s Greatness to motivate and inspire all young men across the world and let them know that anything is possible if they just believe in themselves as kings of greatness I am asking parents and teachers to please read about my actual journey to your children or students The story of my journey will impact the children the most I want them to see that I am a growing child just like they are achieving my dreams at a young age One of my goals is to tour schools and communities across the country to motivate inspire and deliver words of encouragement while personally reading my book make new friends across the globe and most importantly I would love to crown each of them We Are All Kings My journey has taught me to unselfishly understand the power of positive thinking I simply want to give back Thank you for supporting my motivational messages and inspiring your child to achieve their greatness Expose your child to a broad spectrum of experiences Let them explore and tap into their greatness every moment counts Nyeeam Hudson      Switched-on Kids Dorte Bladt,2019-06-29 A parents guide to help their children to succeed in all areas of their lives How to enhance brain function through chiropractic brain stimulating exercises nutrition connection and communication      *Life Lessons by Grandma Brown {Parents Guide to Training Children}*

*Workbook* Waverly A. Brown,2018-09-28      *A Child's Guide to Wisdom* Everton Robinson,2020-12-12 A child s mind is like a freshly plowed field with rich top soil ready for planting As a parent or guardian you have the responsibility to decide what seeds will be planted in this field If you plant nothing all kinds of weeds will automatically begin to take root and grow The seeds you plant will determine the crops you and your child will reap So why not plant good seed A Child s Guide to Wisdom was developed from my own personal experience with my twin daughters The book offers fifty seeds of wisdom and a simple system to plant them so that a rich bountiful harvest of wisdom can result These seeds or principles of wisdom are designed to build character and equip your youngster with knowledge and integrity that will endure a lifetime The teaching method is simple and begins from the time your child is able to speak Initially the definitions may seem a bit advanced and may have little meaning or significance to the child depending on his or her age when this process begins However by selecting one principle per week and teaching the definition through the process of call and repeat the definitions will come to life and will become clear to the child particularly as the parent brings relevance to the principles by pointing out real life examples Like with any learning repetition is key I vividly recall how much my wife and I enjoyed so many moments of fun and laughter as we played games with our daughters while we taught them the principles introduced in this book Throughout our travels and while watching television shows and movies with our girls we engaged them in discussion and helped hone their skills in identifying what principle was at work or absent in any particular situation Also as mentioned in the book we took full advantage of the opportunity to incorporate a compensation system that rewarded our girls for quoting the principles from memory and for pointing out examples of the application of the principles in everyday life situations A Child s Guide to

Wisdom can serve as an incomparable tool for parents in the personal development instruction and correction of your youngsters. Along with giving the child encouragement, affirmation, and praise for being wise, the fifty principles of wisdom presented in *A Child's Guide to Wisdom* can be a significant catalyst in helping your child form good habits, develop good decision-making skills, exhibit sound character traits, and model good behavior—all key factors in nurturing a healthy, well-balanced, productive, and responsible individual. But the best part of the entire journey is to have conversations with our girls now as adults and hear the beautiful pearls of wisdom that proceed from their mouths.
