length Christian romantic suspense books from New York Times Bestselling Author Laura Scott Steele Pregnant and in a killer's crosshairs When Harper Crane is nearly abducted outside the law office where she works as an administrative assistant she's grateful two police officers are there to rescue her At seven months pregnant she has no idea why someone is coming after her especially since her criminal ex husband is dead She wants nothing more than to return to her boring life but the attacks against her escalate giving her little choice but to accept Steele's protection Tactical police officer Steele Delaney believes someone within Harper's ex husband's criminal enterprise is responsible for attacking her But when key

evidence is found in Harper's apartment he tries to understand why she's being framed. He only trusts his fellow officers and members of the Finnegan family. Staying under the radar isn't easy but neither is protecting his heart. Can he keep Harper and her baby safe long enough to plan their future? Brock's marriage under fire. Tactical police officer Brock Greer can't bring himself to divorce his wife despite how she'd left him five months ago for another man. But when he stumbles into the kitchen at their once favorite restaurant he's shocked to find Liana speaking in rapid-fire Chinese to a tall Asian. And even more horrified when that same man pulls a gun pointing it at Liana's head. Liana Wong has no idea why Brock had shown up at the restaurant in his police uniform but worse he'd blown her cover. When she's tracked to several locations it's clear that the leader of the sex trafficking ring wants her dead. And the only way to survive is to team up with Brock despite his deep mistrust. Will working together to destroy a common enemy save their marriage?

Secrets of the Past Tactical police officer Raelyn Lewis knows church pastor Isaiah Washington is holding back on the identity of the kids involved in a horrible police shooting. She demands answers going as far as to slap cuffs on him. They barely step out of the church when gunfire erupts bullets slamming uncomfortably close to the pastor. A second attack mere hours later proves Isaiah is in danger. But why? Who would want to kill a church pastor? Isaiah Washington wasn't always a believer. He'd grown up in the hood and had broken the law more times than he cared to count. But he'd managed to turn his life around and accepts his duty is to save other kids too. Raelyn doesn't agree they couldn't be more opposite. But as they comb through the secrets of his past to uncover who is trying to kill him he dreams of a future with her. Can he convince her to give their love a chance?

Boudreaux, 2009-12-30 This book will lower your excitement about religion but will intensify your pursuit to establish the kingdom here on earth I never cease to be amazed at how so many who say they are followers of Jesus Christ can believe that Jesus has stopped forgiving healing and calling leaders into His vineyards when there is so much to do This book is here to let everyone know that He Jesus has not returned yet but His power still generates in those who have accepted Him as their Lord and savior and are willing to hold on to the faith Leadership style does not mean that the agenda is different Many leaders today are uncomfortable with the presence of another approach to ministry It calls for us to observe that all the apostles had different styles in approaching situations and difficulties yet the ministry of Jesus was their priority alone Leadership just as everyone else will have to make adjustments as long as leading is on the agenda and in process *Through the Andes and Beyond* A.
