

A scenic landscape featuring a deep valley with a winding river, surrounded by lush green mountains and a dense forest of evergreen trees in the foreground. The sky is filled with dramatic, layered clouds, suggesting a sunset or sunrise. The overall mood is serene and majestic.

**No matter how old you get, if you can keep
the desire to be creative, you're keeping the
man-child alive.**

If You Can Keep It:

If You Can Keep It Eric Metaxas, 2017-06-06 1 New York Times bestselling author Eric Metaxas delivers an extraordinary book that is part history and part rousing call to arms steeped in a critical analysis of our founding fathers original intentions for America In 1787 when the Constitution was drafted a woman asked Ben Franklin what the founders had given the American people A republic he shot back if you can keep it More than two centuries later Metaxas examines what that means and how we are doing on that score *If You Can Keep It* is at once a thrilling review of America s uniqueness including our role as a nation of nations and a chilling reminder that America s greatness cannot continue unless we embrace our own crucial role in living out what the founders entrusted to us Metaxas explains that America is not a nation bounded by ethnic identity or geography but rather by a radical and unprecedented idea based on liberty and freedom for all He cautions us that it s nearly past time we reconnect to that idea or we may lose the very foundation of what made us exceptional in the first place

If You Can Keep It N. C. Munson, Noel Carroll, 2010-08-16 Civilizations die from suicide not by murder Arnold Toynbee 1889 1975 We are about to awake from the American Dream This book is about the loss of a good thing our country It addresses the poor care we give to maintaining it how we fail to appreciate the economic social and even military monsters that collectively embody a crushing burden we are less and less able to bear

A Republic, If You Can Keep It Neil Gorsuch, 2020-09-08 NEW YORK TIMES BESTSELLER Justice Neil Gorsuch reflects on his journey to the Supreme Court the role of the judge under our Constitution and the vital responsibility of each American to keep our republic strong As Benjamin Franklin left the Constitutional Convention he was reportedly asked what kind of government the founders would propose He replied A republic if you can keep it In this book Justice Neil Gorsuch shares personal reflections speeches and essays that focus on the remarkable gift the framers left us in the Constitution Justice Gorsuch draws on his thirty year career as a lawyer teacher judge and justice to explore essential aspects our Constitution its separation of powers and the liberties it is designed to protect He discusses the role of the judge in our constitutional order and why he believes that originalism and textualism are the surest guides to interpreting our nation s founding documents and protecting our freedoms He explains too the importance of affordable access to the courts in realizing the promise of equal justice under law while highlighting some of the challenges we face on this front today Along the way Justice Gorsuch reveals some of the events that have shaped his life and outlook from his upbringing in Colorado to his Supreme Court confirmation process And he emphasizes the pivotal roles of civic education civil discourse and mutual respect in maintaining a healthy republic A Republic *If You Can Keep It* offers compelling insights into Justice Gorsuch s faith in America and its founding documents his thoughts on our Constitution s design and the judge s place within it and his beliefs about the responsibility each of us shares to sustain our distinctive republic of by and for We the People

A Republic: If You Can Keep it Jim Hollingsworth, 2024-08-08 At the end of the Constitutional Convention Ben Franklin was asked by a woman what sort of

government the delegates had provided His answer was A Republic If you can keep it That is a simple yet profound statement America has been a successful republic for over two hundred years Yet beginning with the New Deal of Franklin Delano Roosevelt we have gradually lost the truth of what it means to be a republic Gradually and mainly with the work of the Democrats we have become a collectivist society we have gradually become not a republic but a socialist country with bigger government and a tendency to government tyranny Now we are at a crossroads This next election may well determine if we will remain a constitutional republic or fall down into being no more than a third world banana republic It is time to retake control of our government which is a servant of the people not a master We need to control our government on the national level Congress the President the Supreme Court But we also need to take control on the local level schools libraries city councils and county and state governments It is not too late but the time is moving quickly This book explains much of the problem and provides some hope as to how to overcome it America has been a great nation and can be great again

A Republic, If You Can Keep it Ronald F. Brecke, 2000-01-01 When asked after the Constitutional Convention whether they had produced a republic or a monarchy Benjamin Franklin replied A republic if you can keep it In the book that derives its title from this portentous quote Ronald Brecke contends that American government has not done such a good job of keeping it Brecke describes how changes in our politics and government have illustrated a departure from the republican principles on the Constitution changes purportedly in the direction of direct democracy A Republic If You Can Keep It argues that these changes have instead stripped the governing structures of much of their ability to govern effectively and responsibly By critically examining each institution in terms of its relationship to effective and responsible republican government the book does more than simply describe how government and politics work It asks readers to evaluate why things work as they do and how improvements can be made it engages readers in a debate about republicanism and their role in it Brecke brings readers political scientists Constitutional law scholars students of American government face to face with their responsibilities as citizens

A Republic if You Can Keep It Phil Hamman III, 2025-04-28 This book is motivated by a concern for the continued freedom of America America as a Constitutional Republic is quickly slipping away and what awaits is a Communist dictatorship As a senior citizen the best thing that can be done is to speak out Thomas Paine said The pen is mightier than the sword Thus I took up my pen Some may find what is said in this book offensive Again Thomas Paine is called upon for his wisdom He who is afraid to offend cannot be honest This book is written with an honest heart and love for our country

A Republic, If You Can Keep It Michael Riccards, 1987 Riccards has written a unique account of the creation of and early experience with the US presidency The author first explores the English and colonial experience that was relevant to structuring executive authority at the constitutional convention as well as the theories supporting this experience He then turns to familiar subjects the decision making in Philadelphia that led to a presidency and the role of the executive article in the ratification debate All this is accomplished with clarity and economy of writing The longer second part of the

book is an analysis of George Washington's presidency showing that Washington followed a federalist or strong executive model. Several brief chapters discuss the man and his popularity among the American people, the condition of the executive and bureaucracy before Washington became president, and events and policies that occupied the first president. The last chapter is an epilogue that all too briefly sets the Washington presidency in comparative and historical context. The book is a useful contribution to presidential scholarship. **Choice**

Summary of Eric Metaxas's If You Can Keep It by Milkyway Media Milkyway Media, 2018-08-31 In *If You Can Keep It: The Forgotten Promise of American Liberty* 2016 Eric Metaxas issues a call for Americans to remember the tenets upon which their country was founded and to save the United States from losing its prominence in the world. Approaching the history of the United States from a religious standpoint, Metaxas revisits early moments in American history that have defined the country and praises the work of the framers of the Constitution. Purchase this in-depth summary to learn more. **A Free Press, If You Can Keep It** Giovanna Maria Dora Dore, Arya D.

McCarthy, James A. Scharf, 2023-05-11 This Brief introduces a novel research approach to investigate freedom of the press in Hong Kong. The authors pair computational analyses from the field of natural language processing with qualitative content analysis of patterns of journalistic practice in volatile political settings. Together, these shed light on the evolution of press freedom in Hong Kong since its return to Chinese sovereignty. Providing an interdisciplinary perspective, the Brief will appeal to a wide range of readers with interests in computational social science, public policy, political sciences, as well as policy makers, think tanks, and practitioners who focus on the China-Hong Kong nexus. **Democracy, If We Can Keep It** Ellis

Cose, 2020-07-07 Published to coincide with the ACLU's centennial, a major new book by the nationally celebrated journalist and bestselling author. For a century, the American Civil Liberties Union has fought to keep Americans in touch with the founding values of the Constitution. As its centennial approached, the organization invited Ellis Cose to become its first ever writer in residence with complete editorial independence. The result is Cose's groundbreaking *Democracy If We Can Keep It*. The ACLU's 100 Year Fight for Rights in America, the most authoritative account ever of America's premier defender of civil liberties. A vivid work of history and journalism, *Democracy If We Can Keep It* is not just the definitive story of the ACLU but also an essential account of America's rediscovery of rights it had granted but long denied. Cose's narrative begins with World War I and brings us to today, chronicling the ACLU's role through the horrors of 9/11, the saga of Edward Snowden, and the phenomenon of Donald Trump. A chronicle of America's most difficult ethical quandaries, from the Red Scare, the Scottsboro Boys trials, Japanese American internment, McCarthyism, and Vietnam. *Democracy If We Can Keep It* weaves these accounts into a deeper story of American freedom, one that is profoundly relevant to our present moment. [If We Can Keep It: How the Republic Collapsed and How it Might Be Saved](#) Michael Tomasky, 2019-02-05 A game-changing account of the

deep roots of political polarization in America, including an audacious fourteen-point agenda for how to fix it. Why has American politics fallen into such a state of horrible dysfunction? Can it ever be fixed? These are the questions that motivate

Michael Tomasky's deeply original examination into the origins of our hopelessly polarized nation. One of America's finest political commentators, Michael J. Sandel, Tomasky ranges across centuries and disciplines to show how America has almost always had two dominant parties that are existentially and often violently opposed. When he turns to our current era, he does so with striking insight that will challenge readers to reexamine what they thought they knew. Finally not content merely to diagnose these problems, Tomasky offers a provocative agenda for how we can help fix our broken political system, from ranked choice voting and at-large congressional elections to expanding high school civics education nationwide. Combining revelatory data with trenchant analysis, Tomasky tells us how the nation broke apart and points us toward a more hopeful political future. *American Vinegar Industry and Fruit Products Journal*, 1928 **Anglo-American Telegraphic Code to Cheapen Telegraphy and to Furnish a Complete Cypher** Anglo-American code and cypher Co, 1891 **Report** Iowa State Horticultural Society, 1904 **American Gardening**, 1895 **Philippine Education Magazine**, 1906 **St. Nicholas** Mary Mapes Dodge, 1926 **The Minnesota Horticulturist**, 1906 The Complete Works John Bunyan, 1877 **Proceedings** New England Railroad Club, Boston, 1903
