If You Decide To Go To The Moon:

The Storytime Handbook Nina Schatzkamer Miller, 2014-01-27 Fresh fun ideas for children's storytime fill this book. The author, a long-time storytime facilitator, has put together 52 weekly themes plus additional plans for holidays, all with detailed instructions for talking about the theme and choosing the books, crafts, songs, poems, games, and snacks. Each storytime idea is illustrated with photographs of a suggested craft and snack for easy reference. Libraries, bookstores, preschools, and parents alike can use this book to offer themed storytimes that include discussion, literature, art, music, movement, and food. Options are provided for each storytime so the ideas can be used year after year. *If You Decide to Go to the Moon* Faith McNulty, 2005-01 *The Picture Book Almanac* Nancy J. Polette, 2015-11-10 This essential guide has exactly the right books to help you celebrate special days throughout the year, even holidays you've never heard of, and provides hundreds of fun titles and activities that could inspire your students to become life-long readers. Young students need to continually be presented with a vast variety of types of books, authors, illustrators, and subject matter in order to find the perfect concept or image that sparks their imagination, takes their comprehension to a new level, or helps them turn the corner to becoming a book lover. Nancy J. Polette's *The Picture Book Almanac* (Picture Books and Activities to Celebrate 365 Familiar and Unusual Holidays) can be used year-round as a key to open that great literary treasure vault. The books Polette has painstakingly selected for their value as learning opportunities tie into both familiar and unusual holidays, ranging from official, nationally recognized holidays to obscure ones such as Milk Day and Thesaurus Day. The daily featured book titles cover the classics such as books in the Paddington Bear series and Cinderella, to outstanding current and just published titles, collectively representing the best choices for collection building over time. This book is an excellent tool for collection development as well as an indispensable resource for reading teachers and classroom teachers. **Books Come Alive** William Teale, Miriam G.
