Voices, Voices, Voices , The Power of Tolkien's Prose S. Walker,2009-11-23 Shortlisted for the 2011 Mythopoeic Scholarship Award for Inklings Studies Tolkien's unparalleled popularity has been largely attributed to his gifts as a storyteller and his thematic currency But The Lord of the Rings may have become a modern classic for a deeper reason than we've noticed Tolkien is a first rate stylist The Power of Tolkien's Prose illuminates the multifaceted appeal of Tolkien's prose style in dimensions ranging from his fantastic realism to his revitalizing imagery to his dynamic narrative to his expansive characterization to his engaging language Viewed through the lens of Steve Walker's stylistic appreciation Tolkien's fiction emerges as a new dimension of perception *Glory and Agony* Yael Feldman,2010-09-01 *Glory and Agony* is the first history of the shifting attitudes toward national sacrifice in Hebrew culture over the last century Its point of departure is Zionism's obsessive preoccupation with its haunting primal scene of sacrifice the near sacrifice of Isaac as evidenced in wide ranging sources from the domains of literature art psychology philosophy and politics By placing these sources in conversation with twentieth century thinking on human sacrifice violence and martyrdom this study draws a complex picture that provides multiple sometimes contradictory insights into the genesis and gender of national sacrifice Extending back over two millennia this study unearths retellings of biblical and classical narratives of sacrifice both enacted and aborted voluntary and violent male and female Isaac Ishmael Jephthah's daughter Iphigenia Jesus *Glory and Agony* traces the birth of national sacrifice out of the ruins of religious martyrdom exposing the sacred underside of Western secularism in Israel as elsewhere *Private Ownership* James Kelleher,1911 **The Cambridge Companion to the Poetry of the First World War** Santanu Das,2013-11-18 This Companion offers a major re-examination of the poetry of the First World War at the start of the war's centennial commemoration **EVP Lab 1.0** John Gruber,2010-03-30 *My Failures Success in Recording Electronic Voice Phenomenon* How I got started what updated methods and equipment to use along with a complete home and field EVP capture Guide paperback edition **Agur's Wisdom and the Coherence of Proverbs 30** Alexander T. Kirk,2024-05-10 In this first in depth study of Proverbs 30 the Words of Agur Alexander T Kirk examines a puzzling text attributed to an unknown figure that has long fascinated scholars While this material has been read as everything from a devout confession to a cry of despair few interpreters have found any real coherence in the chapter In this detailed philological study engaging both genre and tone Kirk demonstrates that the chapter is best read as a coherent collection that mocks pride and greed while it commends humility and contentment Kirk draws out many subtle literary features that augment Agur's message including humor and animal imagery Ultimately Proverbs 30 deepens the presentation of wisdom in the book of Proverbs by orienting it toward a proper relationship with God Obligation, Entitlement and Dispute under the English Poor Laws Peter Jones,Steven King,2015-11-25 With its focus on poverty and welfare in England between the seventeenth and later nineteenth centuries this book addresses a range of questions that are often thought of as essentially modern How should the

state support those in work but who do not earn enough to get by How should communities deal with in migrants and immigrants who might have made only the lightest contribution to the economic and social lives of those communities What basket of welfare rights ought to be attached to the status of citizen How might people prove maintain and pass on a sense of belonging to a place How should and could the poor navigate a welfare system which was essentially discretionary What agency could the poor have and how did ordinary officials understand their respective duties to the poor and to taxpayers And how far was the state successful in introducing monitoring and maintaining a uniform welfare system which matched the intent and letter of the law This volume takes these core questions as a starting point Synthesising a rich body of sources ranging from pauper letters through to legal cases in the highest courts in the land this book offers a re evaluation of the Old and New Poor Laws Challenging traditional chronological dichotomies it evaluates and puts to use new sources and questions a range of long standing assumptions about the experience of being poor In doing so the compelling voices of the poor move to centre stage and provide a human dimension to debates about rights obligations and duties under the Old and New Poor Laws
