**Discursive Approaches to Language Policy** Elisabeth Barakos, Johann W. Unger, 2016-11-02 This book brings together the fields of language policy and discourse studies from a multidisciplinary theoretical methodological and empirical perspective The chapters in this volume are written by international scholars active in the field of language policy and planning and discourse studies The diverse research contexts range from education in Paraguay and Luxembourg via businesses in Wales to regional English language policies in Tajikistan Readers are thereby invited to think critically about the mutual relationship between language policy and discourse in a range of social political economic and cultural spheres Using approaches that draw on discourse analytic anthropological ethnographic and critical sociolinguistic frameworks the contributors in this collection explore and refine the discursive and the critical aspects of language policy as a multilayered

fluid ideological discursive and social process that can operate as a tool of social change as well as reinforcing established power structures and inequalities

**Language Policy** D. Johnson, 2013-07-29 A detailed overview of the theories concepts research methods and findings in the field of language policy is provided here in one accessible source The author proposes new methodological theoretical and conceptual directions and offers guidance for doing language policy research

**Enciclopedia de Lingüística Hispánica Volume I** Javier Gutiérrez-Rexach, 2016-01-29 The Enciclopedia de Linguistica Hisp nica provides comprehensive coverage of the major and subsidiary fields of Spanish linguistics Entries are extensively cross referenced and arranged alphabetically within three main sections Part 1 covers linguistic disciplines approaches and methodologies Part 2 brings together the grammar of Spanish including subsections on phonology morphology syntax and semantics Part 3 brings together the historical social and geographical factors in the evolution of Spanish Drawing on the expertise of a wide range of contributors from across the Spanish speaking world the Enciclopedia de Linguistica Hisp nica is an indispensable reference for undergraduate and postgraduate students of Spanish and for anyone with an academic or professional interest in the Spanish language Spanish linguistics

**Language Policies in Finland and Sweden** Mia Halonen, Pasi Ihalainen, Taina Saarinen, 2015 In this volume authors from four disciplines join forces to develop an analysis of political discourse on a comparative and multidisciplinary basis Theoretically the book draws on the concept of language policy operationalising it through the politics and policies of Finland and Sweden

English Language Education Policy in Asia Robert Kirkpatrick, 2015-11-27 This volume offers comprehensive state of the art overviews of educational policies concerning the teaching of English in a large number of Asian countries Each contribution is written by a leading expert and gives a clear assessment of current policies and future trends Starting with a description of the English education policies in the respective countries the contributors then delve into the nuts and bolts of the English education policies and how they play out in practice in the education system in schools in the curriculum and in teaching Topics covered include the balance between the acquisition of English and the national language political cultural economic and technical factors that strengthen or weaken the learning of English

**Language of Instruction in Tanzania and South Africa - Highlights from a Project**, 2010-01-01 This book is based on chapters in a series of four books from the first five years 2002 2006 of the Language of Instruction in Tanzania and South Africa LOITASA project LOITASA is a NUFU funded Norwegian University Fund project which began in January 2002 and will continue through to the end of 2011 The chapters reflect the state of the research at the end of the first five years of LOITASA in 2006 and were selected by reviewers independent of the project The selection of chapters brought together bring to the forefront the dilemmas facing developing countries as they seek to position themselves in an increasingly interconnected global system while at the same time maintaining a sense of national and regional identity The chapters in this collection reflect both positive outcomes when the medium of instruction is a widely known language as well as the challenges of mother tongue instruction in countries where historically a powerful

language like English has dominated The four LOITASA books in this series from which the chapters in this book are drawn are Language of instruction in Tanzania and South Africa LOITASA published by E Zubeida Desai the South African project leader and Martha Qorro who is on the project steering committee in Tanzania

**Researching Agency in Language Policy and Planning** Gregory Paul Glasgow,Jeremie Bouchard,2018-12-21 This concise collection features seven studies on agency in language policy and planning across five different national contexts Building on themes explored in Agency in Language Policy and Planning this volume highlights the complex relationship between agency and broader ideological discourses integrating social theory toward contributing to and enhancing growing scholarship on language policy and planning This book will be of particular interest to students and scholars in language policy and planning language and education critical sociolinguistics and applied linguistics

**Language Policies in Education** James W. Tollefson,2013 This new edition of takes a fresh look at enduring questions at the heart of fundamental debates about the role of schools in society the links between education and employment and conflicts between linguistic minorities and mainstream populations

**Language Policy in Ethiopia** Mekonnen Alemu Gebre Yohannes,2021-02-18 This book examines the interplay and tensions between hegemonic and counter hegemonic language policy and processes in Tigray a regional state of Ethiopia in the period of pre and post 1991 Viewing language use and language policy as dynamic social and ideological processes the book presents Ethiopia as an example of language policy creation and implementation over time in a highly volatile political context The case of Ethiopia is unique in that different language policies and practices were put in place as the country s leaders changed through political takeovers Declared language policies were not always implemented and those implemented were often protested The book starts with an overview and review of language policy and planning followed by a chapter on the history of such planning in Ethiopia It then presents the methodology used for the study and examines the appropriation of hegemonic LPP patterns of resistance schools and public sites as centers of resistance and the emergence and development of specific patterns of language use in different regions of the country The book ends with recommendations for future research and draws the overall conclusion that since LPP is a dynamic and multilayered contextual process official or de facto language policy is often undermined by overt or covert unofficial language policies ideologies mechanisms and agents that result in different patterns of language use

**Language Policy and the Future of Europe** Alice Leal,Seán Ó Riain,2023-06-21 This volume offers an insider perspective on language policy in the EU bringing together two key figures well acquainted with its development to reflect critically on the future of language policy and practices in post Brexit Europe Born out of Alice Leal s English and Translation in the European Union this volume features annotated interviews with Se n Riain newly appointed Multilingualism Officer by the Irish diplomatic service whose decades of experience in key milestones in EU language policy offer a unique perspective on its development Each chapter bookended by a contextual introduction and a closing commentary by Leal addresses such key questions as How long can the EU keep

linguistic and cultural spheres off the policy making agenda How has the ECRML impacted linguistic diversity in the region How widespread is the dominance of English in EU institutions today and what impact does it have on EU multilingualism Why is EU language policy not given the attention it warrants What does the future of language policy hold in this post Brexit era Providing exclusive insights into EU language policy this book will appeal to scholars in applied linguistics translation studies sociolinguistics and political science as well as stakeholders in language policy and planning *Agency in Language Policy and Planning*: Jeremie Bouchard,Gregory Paul Glasgow,2018-12-21 This collection brings together theory and ethnographic research from a range of national contexts to offer unique insights into the nature of agency in language policy and planning Situated within a broader sociological framework the book explores agentive processes at work in case studies from around the world engaging in discussions of such key themes as language and identity language ideologies linguistic diversity in education and language revitalization Each chapter examines the ways in which decisions made at both the local and national level impact language use and in turn the dynamic relationship between language use policy and practice in these contexts Taken together this volume advances our understanding of agency in language policy and planning and directions for future research making this key reading for students and scholars in language and education critical sociolinguistics and applied linguistics **Agency in Multilingual Education Policy and Planning in Asia** Syed Abdul Manan,Anas Hajar,2025-10-13 Manan and Hajar invite experts and seasoned researchers from Asian contexts to explore the nuanced dynamics of language policy and educational practices in Asia underscoring the importance of understanding local agency at a micro level The chapters engage in the critical exploration of the tensions between structure and agency and spotlight the institutional constraints these micro level actors face in the enactment of multilingual education policy and planning The contributors chapters provide case study examples of the response of local actors towards policies at the micro level when creating potential spaces for multilingual pedagogies and possible affirmation of multilingual identities It also provides an analysis of how and why micro level actors engage in exercise of their agency and what motives drive them towards such responses The volume serves as a challenge to and hopes to change the normative assumptions pervasive postcolonial hierarchies and hierarchical multilingualism in favour of more egalitarian and inclusive multilingual policies and practices both within and outside the classroom More specifically the volume shares significant developments occurring around the role of agency in negotiating the prevailing Anglophonic and Anglonormative trends and practices This book will be of value to researchers and postgraduate students working in the fields of language policy and planning multilingualism and language education [The Palgrave Handbook of Applied Linguistics Research Methodology](#) Aek Phakiti,Peter De Costa,Luke Plonsky,Sue Starfield,2018-11-19 This Handbook provides a comprehensive treatment of basic and more advanced research methodologies in applied linguistics and offers a state of the art review of methods particular to various domains within the field Arranged thematically in 4 parts across 41 chapters it covers a range of research approaches

presents current perspectives and addresses key issues in different research methods such as designing and implementing research instruments and techniques and analysing different types of applied linguistics data Innovations challenges and trends in applied linguistics research are examined throughout the Handbook As such it offers an up to date and highly accessible entry point into both established and emerging approaches that will offer fresh possibilities and perspectives as well as thorough consideration of best practices This wide ranging volume will prove an invaluable resource to applied linguists at all levels including scholars in related fields such as language learning and teaching multilingualism corpus linguistics critical discourse analysis discourse analysis and pragmatics language assessment language policy and planning multimodal communication and translation
