Ellen Glasgow's Development as Novelist Marion K. Richards, 2019-05-20 No detailed description available for Ellen Glasgow's Development as Novelist Ellen Glasgow's Development as a Novelist... Marion K.. Richards, 1911 **The Development of Ellen Glasgow as a Novelist** Marion Kazmann Richards, 1961 **Ellen Glasgows's Development as a Novelist** Marion K. Richards, 1971 **Reader's Guide to Women's Studies** Eleanor Amico, 1998-03-20 The Reader's Guide to Women's Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women's studies. Some 200 scholars have contributed to the project which adopts a multi-layered approach allowing for comprehensive treatment of its subject matter. Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors *The Forgotten Man* Andrew R. Parnell, 2024-11-15 *The Forgotten Man* is a biography of Walter Hines Page 1855-1918 a turn of the nineteenth century North Carolinian writer, newspaper and magazine editor, political and educational reformer and U.S. ambassador to Britain during the first World War. Page stood up to self-serving Southern politicians, helped defeat the antebellum myth entrenched in the legacy of slavery, was one of America's preeminent magazine editors and campaigned for public school systems in the South. Andrew R. Parnell's biography sheds new light on Page's quest to improve the lives of fellow Americans, particularly those living in the South. For many, improvement and opportunity were impeded by the question of race in the South. Parnell contends that Page's position on race was not as complex as is often implied; it was very simple. He believed in people as people, regardless of race. Page was relentless in advocating for practical, proven solutions, often in the face of great resistance and criticism. In 1897, he delivered his seminal *Forgotten Man* speech, which emphasized that nothing—class, economic means, race, nor religion—should be a barrier to education. This speech was a catalyst for the transformation of education in the South. Page championed equality, universal education, and industrialization across the South, and his legacy includes laying the foundation for North Carolina State University. Page also profoundly influenced American culture in the early twentieth century during his tenure at several national periodicals, most notably *The Forum* and *The Atlantic*, and then his own magazine, *The World's Work*. Having established a national reputation as a defender of democracy, Page was asked by President Woodrow Wilson to serve as ambassador to Britain. Page's actions during the War have wrongly attracted significant criticism, but Parnell shows how Page was looking out for America's interests. Throughout his life, Page showed that democracy was not based on the idea that some people were born for labor and others were born to live luxuriously, but that all were free to strive for self-improvement **The Wheel Of Life Part IV Reconciliation** Ellen Glasgow, 2024-08 *The Wheel of Life* by Ellen Glasgow is a novel that spans multiple parts, exploring themes of love, social change, and personal growth in the American South during the early 20th century.
