Introduction To Shakespeares Comedies

William Shakespeare

Introduction To Shakespeares Comedies:

Shakespeare's Comedies Bart van Es, 2016-03-24 From *The Two Gentlemen of Verona* in the early 1590s to *The Two Noble Kinsmen* at the end of his career around 1614 Shakespeare wrote at least eighteen plays that can be called comedies a far higher number than that for any other genre in which he wrote So what is a Shakespearean comedy We associate these plays with such themes as mistaken identities happy marriages and exuberant cross dressing but how representative are these of the oeuvre as a whole In this Very Short Introduction Bart van Es explores the full range of the playwright's comic writing from the neat classical plotting of early works like *The Comedy of Errors* to the corrupt world of the so called problem plays written in the middle years of Shakespeare's life Examining Shakespeare's influences and sources van Es compares his plays to those of his rivals and looks at the history of the plays in performance from the biographies of Shakespeare's original actors to the plays' endless reinvention in modern stage productions and in films Identifying the key qualities that make Shakespearean comedy distinctive van Es traces the changing nature of Shakespeare's comic writing over the course of a career that spanned nearly a quarter century of theatrical change ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **An introduction to Shakespeare's comedies**, 1985

An Introduction to Shakespeare's Comedies Patrick Swinden, 1976-06-01 *The Cambridge Introduction to Shakespeare's Comedies* Penny Gay, 2008-04-07 Why did theatre audiences laugh in Shakespeare's day Why do they still laugh now What did Shakespeare do with the conventions of comedy that he inherited so that his plays continue to amuse and move audiences What do his comedies have to say about love sex gender power family community and class What place have pain cruelty and even death in a comedy Why all those puns In a survey that travels from Shakespeare's earliest experiments in farce and courtly love stories to the great romantic comedies of his middle years and the mould breaking experiments of his last decade's work this book addresses these vital questions Organised thematically and covering all Shakespeare's comedies from the beginning to the end of his career it provides readers with a map of the playwright's comic styles showing how he built on comedic conventions as he further enriched the possibilities of the genre

Introduction to Shakespeare's Comedies William Shakespeare, 1900 *Beyond a Common Joy* Paul A. Olson, 2008-01-01 Soul of the age Ben Jonson eulogized Shakespeare and in the next breath He was not of an age but for all time That he was both of the age and for all time is this book suggests the key to Shakespeare's comic genius In this engaging introduction to the First Folio comedies Paul A Olson gives a persuasive and thoroughly engrossing account of the playwright's comic transcendence showing how Shakespeare by taking on the great themes of his time elevated comedy from a mere mid level literary form to its own form of greatness on par with epic and tragedy Like the best tragic or epic writers

Shakespeare in his comedies goes beyond private and domestic matters in order to draw on the whole of the commonwealth. He examines how a ruler's or a court's community at the household and local levels shapes the politics of empire existing or nascent empires such as England, the Holy Roman Empire, Spain, Venice, and the Ottoman Empire, or part empires such as Rome and Athens, where all their suffering and silliness play into how they govern. In Olson's work, we also see how Shakespeare's appropriation of his age's ideas about classical myth and biblical scriptures bring to his comic action a sort of sacral profundity in keeping with notions of poetry as inspired and comic endings as more than merely happy but as in fact uncommonly joyful. Introduction to Shakespeare's Comedies, 19?? Comedies, Volume 1 William

Shakespeare, 1995-07-10 Shakespeare forged his tremendous art in the crucible of his comic imagination which throughout his life enveloped and contained his tragic one. His early comedies with their baroque poetic exuberance, intense theatricality, explosive bursts of humor, and superbly concrete realizations of the dialects of love capture as in a chrysalis all that he was to become. They provide a complete inventory of the mind of our greatest writer in the middle of his golden youth. This volume contains *The Comedy of Errors*, *The Taming of the Shrew*, *The Two Gentlemen of Verona*, *Love's Labor's Lost*, *A Midsummer Night's Dream*, and its companion piece *Romeo and Juliet*, which Tony Tanner describes in his introduction as a tragedy by less than one minute. The texts authoritatively edited by Sylvan Barnet are supplemented with textual notes, bibliographies, a detailed chronology of Shakespeare's life and times, and a substantial introduction in which Tanner discusses each play individually and in the context of Shakespeare's oeuvre. *An Introduction to Shakespeare* Henry Noble

MacCracken, Frederick Erastus Pierce, Willard Higley Durham, 1910 *The Cambridge Introduction to Shakespeare's Poetry* Michael Schoenfeldt, 2010-10-07 Shakespeare's poems, aside from the enduring appeal of the Sonnets, are much less familiar today than his plays, despite being enormously popular in his lifetime. This Introduction celebrates the achievement of Shakespeare as a poet, providing students with ways of understanding and enjoying his remarkable poems. It honours the aesthetic and intellectual complexity of the poems without making them seem unapproachably complicated, outlining their exquisite pleasures and absorbing enigmas. Schoenfeldt suggests that today's readers are better able to analyze aspects of the poems that were formerly ignored or the source of scandal: the articulation of a fervent same-sex love, for example, or the incipient racism inherent in a hierarchy of light and dark. By engaging closely with Shakespeare's major poems, *Venus and Adonis*, *Lucrece*, *The Phoenix*, and *the Turtle*, the Sonnets, and *A Lover's Complaint*, the Introduction demonstrates how much these extraordinary poems still have to say to us. **Shakespeare's Comedies and Poems** H. H. Anniah Gowda, 1986

Comedies, Volume 2 William Shakespeare, 1996-04-16 Shakespeare's later comedies were written at the astonishing pace of about two plays a year. In them, he moves beyond the farce of his earlier comedies to richer and more varied dramas. These range from the famous problem plays which blend humor with tragedy to the idyllic romances set in such timeless locales as the Forest of Arden. They contain some of his wittiest and most memorable characters, from cross-dressing heroines bantering

lovers and wisecracking fools to the villainous but sympathetic Shylock and the boisterous and bawdy Falstaff This volume contains The Merchant of Venice The Merry Wives of Windsor Much Ado About Nothing As You Like It Twelfth Night All's Well That Ends Well and Measure for Measure The authoritatively edited text of the plays is supplemented with footnotes bibliographies a detailed chronology of Shakespeare's life and times and a substantial introduction in which Tony Tanner discusses each play individually and in the context of Shakespeare's work

Gale Researcher Guide for: Shakespearean Comedy Ian Calvert, Gale Researcher Guide for Shakespearean Comedy is selected from Gale's academic platform Gale Researcher These study guides provide peer reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research

Shakespeare: The Basics Sean McEvoy, 2024-10-31 Shakespeare The Basics is a lively and accessible introduction to reading and studying Shakespeare Exploring all aspects of Shakespeare's plays Sean McEvoy considers the language cultural contexts and modern interpretations This essential guide to a range of contemporary Shakespearean criticism explores and unpacks the different dramatic genres in which he wrote comedy history tragedy and romance It also provides a wealth of relevant and concise information on the historical social and political contexts in which the plays were produced and have been understood Extensively updated throughout the fourth edition provides A comprehensive account of Shakespearean tragedy for students An introduction to ecocritical ethical and queer readings of the plays Analysis of notable recent Shakespeare films and productions Enhanced contextual material on race and empire gender roles and the theatre in politics With fully updated further reading throughout and a wide range of case studies and examples Shakespeare The Basics is an indispensable introduction for college and university students of literature and theatre but also for anyone with an interest in the world's most influential dramatist

The Definitive Shakespeare Companion Joseph Rosenblum, 2017-06-22 This expansive four volume work gives students detailed explanations of Shakespeare's plays and poems and also covers his age life theater texts and language Numerous excerpts from primary source historical documents contextualize his works while reviews of productions chronicle his performance history and reception Shakespeare's works often served to convey simple truths but they are also complex multilayered masterpieces Shakespeare drew on varied sources to create his plays and while the plays are sometimes set in worlds before the Elizabethan age they nonetheless parallel and comment on situations in his own era Written with the needs of students in mind this four volume set demystifies Shakespeare for today's readers and provides the necessary perspective and analysis students need to better appreciate the genius of his work This indispensable ready reference examines Shakespeare's plots language and themes his use of sources and exploration of issues important to his age the interpretation of his works through productions from the Renaissance to the present and the critical reaction to key questions concerning his writings The book provides coverage of each key play and poems in discrete sections with each section presenting summaries discussions of themes characters language and imagery and clear explications of key passages

Readers will be able to inspect historical documents related to the topics explored in the work being discussed and view excerpts from Shakespeare's sources as well as reviews of major productions The work also provides a comprehensive list of print and electronic resources suitable for student research Alexander's Introductions to Shakespeare Peter Alexander, 1964 *The Cambridge Companion to Shakespearean Comedy* Alexander Leggatt, 2012 This is an accessible wide ranging and informed introduction to Shakespeare's comedies and romances Rather than taking each play in isolation the chapters trace recurring issues suggesting both the continuity and the variety of Shakespeare's practice and the creative use he made of the conventions he inherited The first section places Shakespeare in the context of classical and Renaissance comedy his Elizabethan predecessors and the traditions of popular festivity The second section traces themes through Shakespeare's early and middle comedies tragicomedies and late romances illuminating particular plays by close analysis

The Cambridge Introduction to Russian Literature Caryl Emerson, 2008-07-10 Russian literature arrived late on the European scene Within several generations its great novelists had shocked and then conquered the world In this introduction to the rich and vibrant Russian tradition Caryl Emerson weaves a narrative of recurring themes and fascinations across several centuries Beginning with traditional Russian narratives saints lives folk tales epic and rogue narratives the book moves through literary history chronologically and thematically juxtaposing literary texts from each major period Detailed attention is given to canonical writers including Pushkin Gogol Dostoevsky Tolstoy Chekhov Bulgakov and Solzhenitsyn as well as to some current bestsellers from the post Communist period Fully accessible to students and readers with no knowledge of Russian the volume includes a glossary and pronunciation guide of key Russian terms as well as a list of useful secondary works The book will be of great interest to students of Russian as well as of comparative literature

Shakespeare for Everyone Lucy Potter, 2025-03-21 Shakespeare for Everyone offers an accessible and engaging introduction to the worlds of Shakespeare's plays and sonnets By focusing on emotions it enables readers to build the skills and confidence to understand appreciate and enjoy Shakespeare's plays by getting up close and personal with the characters in them with their emotional journeys and with the dramatic genres of comedy tragedy tragicomedy and history in which they are cast It provides insights into the forces that shaped Shakespeare's work and includes in depth chapters on emotions in four representative plays love in *A Midsummer Night's Dream* hate in *Othello* jealousy in *The Winter's Tale* and the manipulation of emotions in *Henry V* The book also considers how emotions were conceptualised in Shakespeare's time and are understood today by modern psychological science Additionally the book enables readers to get to know Shakespeare himself and gain insights into the processes of his art Featuring end of chapter further reading sections and an invaluable glossary of key terms through which to unlock the meaning of any Shakespeare play this practical and informative guide proves that Shakespeare is for everyone Written in a conversational tone this short yet compelling book is not just a series of insights into what Shakespeare's plays mean but a way of exploring what it is to be human *A/AS Level English Literature*
