Introduction To The Theology Of The New Testame

James D. G. Dunn

Introduction To The Theology Of The New Testame:

A Critical Introduction to the New Testament Carl R. Holladay, 2011-07-01 This book introduces the New Testament in two senses it not only provides basic literary and historical information on each of the twenty seven writings but also orients readers to the religious theological and ethical issues related to the message and meaning of Jesus Christ The overall goal is to help interested readers of the New Testament become informed responsible interpreters of these writings and thereby enrich their personal faith and understanding By giving special emphasis to how the New Testament has helped shape the church s identity and theological outlook throughout the centuries as well as the role it has played within the broader cultures of both East and West this introduction also seeks to assist readers in exercising creative informed leadership within their own communities of faith and in bringing a deeper understanding of early Christianity to their conversations with the wider public Along with separate chapters devoted to each New Testament writing there are chapters explaining how this collection of texts emerged as uniquely authoritative witnesses to the church s faith why they were recognized as canonical whereas other early Christian writings were not how the four canonical Gospels are related to one another including a discussion of the Synoptic Problem how the Jesus tradition his teachings stories from his ministry and the accounts of his suffering death and resurrection originated and developed into Gospels written in narrative form and how the Gospels relate to Jesus Christ as he was and is Also included is a chapter on the writings of Paul and how they emerged as a collection of authoritative texts for the church This chapter includes a discussion of ancient letter writing special considerations for interpreting the Pauline writings and Paul s decisive influence within the history of the church and western culture

The History and Theology of the New Testament Writings Udo Schnelle, 1998 A classic kind of introduction to the New Testament Schnelle s book presents full and up to date information about the individual writings with respect to date author place of writing structure of the document current scholarship and themes and theological aims The book intended to supersede W G Kummel s introduction informs the reader of all the important historical issues and describes the range of scholarly opinion and literature preparing the reader to pass judgment After providing an overview of the development of the New Testament canon Schnelle then takes up in turn the letters of Paul the Synoptic Gospels including Q Acts the Deutero Paulines the Catholic letters the Gospel of John and Revelation With extensive anglicized bibliographies

An Introduction to the Theology of the New Testament Alan Richardson, 1958 To present in less than 400 pages excluding the indexes the whole sweep of New Testament thought is an excessively formidable task calling not only for scholarship and learning but also for an artist s sense of proportion and economy of stroke There are few who could have succeeded so well as Dr Richardson *Journal of Theological Studies* This book will stand for a long time as the indispensable handbook for the theological student who wants both to see the general picture of the apostolic Church s faith and also to have a convenient and reliable digest of what the New Testament says about particular topics such as for example Christology or salvation

Church Times Alan Richardson is a theologian whose praise in the gospel is or deserves to be in all the churches on account both of the books which he has written himself and of those which he has edited His latest work *An Introduction to the Theology of the New Testament* will probably be found more serviceable by students and teachers than anything he has previously produced Theology Alan Richardson who died in 1975 was for many years Professor of Christian Theology at Nottingham University and subsequently Dean of York

New Testament Theology James D. G. Dunn, 2009 Moves beyond a purely descriptive approach to the study of Scripture into a genuine and faithful application of the message of Scripture to questions of contemporary life

The New Testament: A Very Short Introduction Luke Timothy Johnson, 2010-03-01 As ancient literature and a cornerstone of the Christian faith the New Testament has exerted a powerful religious and cultural impact But how much do we really know about its origins Who were the people who actually wrote the sacred texts that became part of the Christian Bible The New Testament A Very Short Introduction authoritatively addresses these questions offering a fresh perspective on the underpinnings of this profoundly influential collection of writings In this concise engaging book noted New Testament scholar Luke Timothy Johnson takes readers on a journey back to the time of the early Roman Empire when the New Testament was written in ordinary Greek koine by the first Christians The author explains how the Gospels Acts of the Apostles and Revelation evolved into the canon of sacred writings for the Christian religion and how they reflect a reinterpretation of the symbolic world and societal forces of first century Greco Roman and Jewish life Equally important readers will find both a positive and critical reading of the New Testament one that looks beyond its theological orientation to reveal an often surprising diversity of viewpoints This one of a kind introduction engages four distinct dimensions of the earliest Christian writings anthropological historical religious and literary to provide readers with a broad conceptual and factual framework In addition the book takes an in depth look at compositions that have proven to be particularly relevant over the centuries including Paul s letters to the Corinthians and Romans and the Gospels of John Mark Matthew and Luke Ideal for general readers and students alike this fascinating resource characterizes the writing of the New Testament not as an unknowable abstraction or the product of divine intervention but as an act of human creativity by people whose real experiences convictions and narratives shaped modern Christianity

An Introduction to the New Testament M. Eugene Boring, 2012-10-13 This thoroughly researched textbook from well respected scholar M Eugene Boring presents a user friendly introduction to the New Testament books Boring approaches the New Testament as a historical document one that requires using a hands on critical method Moreover he asserts that the New Testament is the church s book in that it was written selected preserved and transmitted by the church Boring goes on to explore the historical foundation and formation of the New Testament within the context of pre Christian Judaism and the world of Jesus and the early church He then examines the individual books of the New Testament providing helpful background information and methods for interpretation and revealing the narrative substructure found within each of the Gospels and Letters This volume includes

helpful illustrations charts notes and suggestions for further reading Sections are laid out in a well organized manner to help students navigate the content more easily

The New Testament Donald A. Hagner, 2012-11-15 This capstone work from widely respected senior evangelical scholar Donald Hagner offers a substantial introduction to the New Testament Hagner deals with the New Testament both historically and theologically employing the framework of salvation history He treats the New Testament as a coherent body of texts and stresses the unity of the New Testament without neglecting its variety Although the volume covers typical questions of introduction such as author date background and sources it focuses primarily on understanding the theological content and meaning of the texts putting students in a position to understand the origins of Christianity and its canonical writings Throughout Hagner delivers balanced conclusions in conversation with classic and current scholarship The book includes summary tables diagrams maps and extensive bibliographies

Called by the Gospel Michael Paul Middendorf, Mark Schuler, 2007-07-15 Called by the Gospel is the title for a series of introductory theological textbooks written from a distinctly Lutheran perspective In keeping with the predominant place of the gospel in Lutheran theology this introductory volume on the New Testament carries the same title as the series Called by the Gospel Readers will find within its pages a high view of the Christian Scriptures explanation of key texts with careful attention to the historical and cultural contexts particular focus on the presentation of Jesus by the various texts and a conversational style that seeks to convey the message of the text for contemporary times Although the book was written with university students in mind any Christians who seek to deepen their grasp of the New Testament will find within its pages helpful and challenging insights This book builds on material presented in the first volume of the series Called to be God's People and supplements its contents with maps photos suggested readings discussion questions and a glossary Together these two volumes prepare the university student for an in depth consideration of Christian doctrine in Called to Believe Teach and Confess

The New Testament in Its World N. T. Wright, Michael F. Bird, 2019-11-19 Your ticket from the twenty first century to the era of Jesus and the first Christians A readable one volume introduction placing the entire New Testament and early Christianity in its original context written by distinguished scholar and author N T Wright An ideal guide for students The New Testament in Its World addresses the many difficult questions faced by those studying early Christianity including What was the first century understanding of the Kingdom of God What is the meaning of the resurrection in its original context What were the Gospels and how did they come about Who was Paul and why are his letters so controversial Written for both classroom and personal use this book brings together decades of ground breaking research writing and teaching into one volume It presents the New Testament books along with their subjects Jesus and the early church within the historical and social context of Second Temple Judaism and Greco Roman politics and culture The New Testament in Its World allows you to recover the excitement of what it was like to live as Christians in the first or second centuries Features include Surveys of each New Testament book that discuss their significance and provides

commentary on their contents along with implications for the Christian life Major sections on the historical Jesus the resurrection of Jesus and Paul s chronology and theology Up to date discussions of textual criticism and the canonization of the New Testament Frequent illustrations maps charts diagrams and artwork provide additional explanations and insights A distillation of the life work of N T Wright on the New Testament with input from Michael Bird Also available are Video and Workbook companion resources sold separately to enhance learning and experience the world of the New Testament

Introducing the New Testament Mark Allan Powell,2018-05-15 This lively engaging introduction to the New Testament is critical yet faith friendly lavishly illustrated and accompanied by a variety of pedagogical aids including sidebars maps tables charts diagrams and suggestions for further reading The full color interior features art from around the world that illustrates the New Testament s impact on history and culture The first edition has been well received over 60 000 copies sold This new edition has been thoroughly revised in response to professor feedback and features an updated interior design It offers expanded coverage of the New Testament world in a new chapter on Jewish backgrounds features dozens of new works of fine art from around the world and provides extensive new online material for students and professors available through Baker Academic s Textbook eSources

A Biblical-Theological Introduction to the New Testament Michael J. Kruger,2016-05-31 Introductions to the New Testament often take a defensive stance focusing on historical critical issues but failing to address the interests and needs of pastors and Bible teachers However with an emphasis on the theology key themes and overall message of each book in the New Testament this collaborative effort of nine biblical scholars takes a more positive and pastorally relevant approach Written from a distinctly Reformed covenantal and redemptive historical perspective this theologically rich expositional resource will equip readers to study and teach each book in the New Testament with clarity and insight

An Introduction to the New Testament Helmut Köster,1983 *The New Testament as Canon* Brevard S. Childs,1984

Reading the New Testament Pheme Perkins,2012 Reading the New Testament is an excellent introduction to the New Testament by a prominent scholar who is able to communicate its main the structure of the book has been rewritten extensively updating the information and incorporating the results of new biblical approaches and research Highlights of this new revised edition include Extensive revisions Results of new biblical exegesis Updated and expanded bibliography New maps and illustrations Book jacket

Interpreting the New Testament Text Darrell L. Bock,Buist M. Fanning,2006-10-20 With the explosive increase in availability of English Bible translations the question can easily be asked Why bother with the hard work of biblical exegesis Computers can translate foreign languages and our English texts can take us very close to the original meanings so why exegete Answer because the deepest truths of the Bible are found through the deepest study This book teaches the principles methods and fundamentals of exegeting the New Testament It also has examples of textual exegesis that clearly and helpfully show the value of exegeting a text well Any serious student of Scripture would benefit from utilizing this book in the study of the Bible

Discovering the New

Testament Mark J. Keown, 2018-10-31 Discovering the New Testament is a new and comprehensive introduction to the New Testament in three volumes reflecting current research and scholarship in New Testament studies Each volume provides a thorough discussion of background issues as well as treating theological themes and practical application The first volume on the Gospels and Acts covers Jewish and Greco Roman backgrounds critical methodologies the synoptic problem and surveys each of the four gospels and Acts It concludes with three chapters that explore the key theme of the kingdom of God including its Old Testament background the place of miracles and an examination of Jesus parables Ideal for college or seminary students the volumes provide numerous maps and charts as well as discussion questions for each chapter and a focus on real life relevance and application Forthcoming volumes will focus on Paul Vol 2 and the general epistles and Revelation Vol 3

Understanding the New Testament and Its Message Vincent P. Branick, 1998 A solid well done introduction to the New Testament for undergraduates that explores teaching on faith issues as well as the theology and spirituality of the New Testament Reflections study questions charts and indexes are included

An Introduction to the New Testament D. A. Carson, Douglas J. Moo, Leon Morris, 1992

New Testament Theology Donald Guthrie, 1981 New Testament theology maintains Donald Guthrie centers on Jesus Christ his person work and mission and is unified by repeated emphasis on the fulfillment of Old Testament promise community the Spirit and the future hope An extended introduction surveys the history nature and method of New Testament theology and sets forth the distinctive of Guthrie's synthetic approach Guthrie then examines New Testament thought under the thematic headings of God man and his world Christology the mission of Christ the Holy Spirit the Christian life the church the future the New Testament approach to ethics and Scripture Within each chapter he explores the synoptic Gospels the Johannine literature Acts Paul Hebrews the remaining Epistles and Revelation Marked by scholarly rigor and thoroughness this volume is a standard reference and text reflecting mature conservative scholarship at its best

New Testament Introduction Louis Berkhof, Louis Berkhof well known Reformed theologian from the early 20th century left us with this widely appreciated and timeless resource on the New Testament Complete with well organized outlines and clearly presented overviews of each New Testament book this work is a valuable addition to any reference library

Embracing the Track of Appearance: An Mental Symphony within **Introduction To The Theology Of The New Testame**

In a global taken by monitors and the ceaseless chatter of instantaneous connection, the melodic splendor and mental symphony produced by the prepared term often fade in to the backdrop, eclipsed by the relentless noise and distractions that permeate our lives. However, nestled within the pages of **Introduction To The Theology Of The New Testame** an enchanting literary prize filled with raw feelings, lies an immersive symphony waiting to be embraced. Crafted by an elegant composer of language, that fascinating masterpiece conducts viewers on an emotional trip, well unraveling the hidden tunes and profound affect resonating within each carefully constructed phrase. Within the depths of the moving examination, we will discover the book is central harmonies, analyze their enthralling publishing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
