From Hitler to Jim Crow to Obama ChitlinKraut, 2009-11-20 Julian online I took note of an alarming number of thisisbyus writers posting horrendous and racist comments about a young Senator from Illinois actively campaigning for President of the United States Posting under the moniker Gabby on the Gulf Coast I promoted From Hitler to Jim Crow a story about the displaced in Pensacola my goal write for the world and move forward the first hand accounts about their struggles I so wanted the world to care about the continued and unrelenting day to day plight of human beings who lost everything due to a hurricane While some thisisbyus writers posted words revealing genuine concern and some provided positive feedback regarding the prose I chose there were countless others who took issue with the title From Hitler to Jim Crow Up to this point I never realized how many writers peddled their influence via virtual words attempting to set their plans of distraction in place against Senator Obama Embracing a laissez faire attitude has never been my style and I understood the price for the poor the displaced was too high for me to remain silent where these savvy writers were concerned As these writers began using Hitler and his ideology in their comparisons to Senator Obama I found myself becoming increasingly insulted Julian I am proud to be an American though naturalized and using any analogy to Hitler enabled me to confront their criminal words as it became clear Senator

Obama had a real shot at the White House Conversely Senator Hillary Clinton s supporters became to a greater extent venomous with what I perceived to be their race based objections used as diversions when they saw the handwriting on the wall Senator Obama was becoming the frontrunner in the race to the White House As I held tight to my dream and goal to show the plight of the displaced in Pensacola I found myself washed into a political hurricane once other writers became more and more aware of the strength of my conviction that Senator Obama was the only logical choice for President of the United States of America

The Arrangement 1-5 Nora Blackstock, 2015-01-12 Luke embraced Lori holding her tightly against him as he kissed her. She could feel his hot breath his wonderful lips and his muscular embrace. She could only surrender as his tongue entered her mouth. Luke broke the kiss and removed his overcoat hanging it in the closet. Where does Jonathan keep his scotch he asked. In the dining room. But it's only 8am. With my overseas dealings I keep an odd schedule. I drink when I want. Luke strode into the dining room and examined the bottles. He poured himself a scotch as if he owned the place. Luke Jonathan might come back. And the neighbors. Go upstairs. You know what I want he said without turning around. Lori had no other inclination but to obey despite her fear that Jonathan might return or a neighbor might knock or her Mother might pop by and use her key to walk in. The risk was real. If Jonathan found out her marriage would be over. Yet Lori's desire to please Luke was far stronger than her fear of being caught. You know what I want. Lori ran the words around her head over and over. As she entered the bedroom she thought back to her date at Luke's house. He had her position herself on all fours on his bed presenting herself. She couldn't wait to get in that position for him again.
