Get 'em All! Kill 'em! Bruce Wilshire, 2005-01-01 Why do groups become genocidal and try to incapacitate all members of an alien group even sometimes killing fetuses Prematurely alluding to evil or to the Devil blocks the possibility for further inquiry Get Em All Kill Em is the first systematic attempt to explain what up until now has seemed to be inexplicable phenomena **Get 'em All! Kill 'em!** Bruce W. Wilshire, 2005-01-01 Why do groups become genocidal and try to incapacitate all members of an alien group even sometimes killing fetuses Prematurely alluding to evil or to the Devil blocks the possibility for further inquiry Get Em All Kill Em is the first systematic attempt to explain what up until now has seemed to be inexplicable phenomena Genocide Or Ethnocide, 1933-2007 Bartolomé Clavero, 2008 Cosmopolitanism and the Evils of the World Michael H. DeArme, 2020-05-28 This book analyses five forms of transnational evils and offers cosmopolitan recommendations for reducing their occurrence With civilisation in crisis it is crucial now more than ever to attempt to mitigate the catastrophes that face us in the decades to come In a compelling and frightening account of transnational evil DeArme identifies and explores in depth the dark side of human behaviour from genocide slavery torture and terrorism to the greatest disaster of our time the worldwide destruction of the earth's biosphere Building on Kant's theory of a new world organisation designed to eliminate the evil of war and strengthen the world community DeArme develops a biotic and value based theory of dignity reconstructing a cosmopolitan world order that supports the Kantian theories of respect care and hospitality Cosmopolitan changes to the United Nations are proposed including a bicameral assembly and crucially an environmental council with legal powers In each chapter cosmopolitan recommendations are made that will reduce the occurrence of the transnational evil in question it is through these recommendations that the dignity and world citizenship of humanity can be protected and strengthened Without them we are headed towards the collapse of civilisation and mass extinction in the biosphere *A Biographical Encyclopedia of Contemporary Genocide* Paul R. Bartrop, 2012-07-06 This book documents the devastating effects of genocide in the world's most destructive human environments since the end of World War II and explores why such events still occur A Biographical Encyclopedia of Contemporary Genocide Portraits of Evil and Good is a unique study of humanity's most reprehensible actions It documents genocides that have occurred after World War II a period that was supposed to be the fulfillment of the promise never again by providing biographies rather than extensive historical narratives The entries describe the personal backgrounds careers and relationship to genocidal events humanitarian actions or international initiatives relevant to each person in the book Beyond examining the genocidaires who played key roles in mass murder individuals who contributed to efforts to stop genocide are also profiled By adopting a biographical approach to post World War II genocide the author sheds light on why people behave the way they do toward their fellow human beings and provides vital insights into the extremes of human positivity and negativity that have characterized this period of history Serving as a vital tool for scholars and students of

genocide as well as compelling reading for general audiences the book highlights individual human behaviors motivations backgrounds and intentions that can form a platform from which to raise and discuss issues of morality and ethics in the modern world

Logics of Genocide Anne O'Byrne, Martin Shuster, 2020-05-27 This book is concerned with the connection between the formal structure of agency and the formal structure of genocide The contributors employ philosophical approaches to explore the idea of genocidal violence as a structural element in the world Do mechanisms or structures in nation states produce types of national citizens that are more susceptible to genocidal projects There are powerful arguments within philosophy that in order to be the subjects of our own lives we must constitute ourselves specifically as national subjects and organize ourselves into nation states Additionally there are other genocidal structures of human society that spill beyond historically limited episodes The chapters in this volume address the significance moral ethical political of the fact that our very form of agency suggests or requires these structures The contributors touch on topics including birthright citizenship contemporary mass incarceration anti black racism and late capitalism Logics of Genocide will be of interest to scholars and advanced students working in philosophy critical theory genocide studies Holocaust and Jewish studies history and anthropology

The History of Genocide in Cinema Jonathan Friedman, William Hewitt, 2016-10-27 The organization Genocide Watch estimates that 100 million civilians around the globe have lost their lives as a result of genocide in only the past sixty years Over the same period the visual arts in the form of documentary footage has aided international efforts to document genocide and prosecute those responsible but this book argues that fictional representation occupies an equally important and problematic place in the process of shaping minds on the subject Edited by two of the leading experts in the field The History of Genocide in Cinema analyzes fictional and semi fictional portrayals of genocide focusing on amongst others the repression of indigenous populations in Australia the genocide of Native Americans in the 19th century the Herero genocide Armenia the Holodomor Stalin's policy of starvation in Ukraine the Nazi Holocaust Nanking and Darfur Comprehensive and unique in its focus on fiction films as opposed to documentaries The History of Genocide in Cinema is an essential resource for students and researchers in the fields of cultural history holocaust studies and the history of film
