## Get Shorty 1st Edition:

AB Bookman's Weekly ,1999      **Twisted Romance First Edition** Donna Kakonge,2016-12-23 Twisted Romance is a collection of short stories that deal with heartbreaking often humorous and also peculiar romantic situations Read and laugh This is the first edition      **Screenwriters** José Guilherme Correa,2016-07-13 Screen writing is a unique literary form Screenplays are like musical scores in that they are intended to be interpreted on the basis of other artists performances rather than serving as finished products for the enjoyment of their readers They are written using technical jargon and tight spare prose to describe set directions Unlike a novella a script focuses on describing the literal visual aspects of the story rather than on its characters internal thoughts In screen writing the aim is to evoke those thoughts and emotions through subtext action and symbolism Prominent Hollywood script doctors include Steve Zaillian William Goldman Robert Towne Mort Nathan Quentin Tarantino etc while many up and coming screenwriters work as ghost writers This book is a modest catalogue of some of the most prominent screenwriters listed from A to Z The good are sometimes bad and they can be even Ugly Many comments herein included were googled in deference to the multiplicity of information available today yet they reflect exactly or almost what I thought An amazing thing today is how anonymous commentators on the Internet rival and even surpass the poor quality of professional media and specialised literature It all comes down to watching the truth 24 times per second to quote Jean Luc Godard s phrase Not to mention that such truth may include sex scenes violence pedophilia etc We know that a literary masterpiece like Henry James Portrait of a Lady became a film of very poor quality as scripted by Laura Jones We know conversely that a mediocre writer like Mickey Spillane inspired at least one film as remarkable as Kiss Me Deadly thanks to A I Bezzerides script Asa former screenwriter Mr Correa must avow that he found the job most gratifying Writing that looks effortless is often hellish to write and revise It was something he did have to slog through but it proved particularly pleasing Editing discussing finishing your work is particularly gratifying Identifying your flaws and working to mitigate them is also gratifying It is a general perception that creative careers are more interesting and fun than others But the privilege of earning money through imagination and creativity is effectively hard won Please comment at will Please disagree at will Be facetious in your remarks but please be neither vicious nor mean spirited      *My MacGuffin* Jayden Bliss,Michael Nunes Burgess,2012-09 Advisor Coach Mentor Support Professional Therapist Business owner Spiritual beliefs Business and spirituality are thought to be irreconcilable In humorous non prescriptive style the authors share the highs and lows of integrating the two Touching profound raw and raucous My MacGuffin enables the enablers to lift the world of commerce to its highest ideal an indispensable resource for improving your practice and your clientele In life you meet few special people with an undeniable sense of integrity sharing and generosity I ve just had such an experience and I want to share how I feel because these feelings create incredible memories Thank you so much Jayden for your unconditional giving Andrea Gutwirth SoulTalk Foundation Michael is a spiritual mentor for me and when it comes

to business coaching he'll save you money and mistakes Simon Dixon author CEO Bank to the Future Alfred Hitchcock termed a plot device as a MacGuffin A seemingly vital element the hidden contents of a case secret documents unseen by the audience yet intrinsic to character motivation It correlates with the quest to learn who we are why we are here and where we're going Jayden Bliss built a successful software company before founding a global networking organisation He has since run property and financial services ventures diversifying as an award winning film short producer Michael Nunes Burgess has undertaken more than eight thousand client sessions in seventeen years in management consulting Thousands of students have gained from his endorsed social enterprise and business programmes American Book Publishing Record ,2003

*The Milagro Beanfield War* John Nichols, 2013-12-10 *The Milagro Beanfield War* is the first book in John Nichols's New Mexico trilogy. Gentle, funny, transcendent. *The New York Times Book Review* later adapted to film by Robert Redford. Joe Mondragon, a feisty hustler with a talent for trouble, slammed his battered pickup to a stop, tugged on his gumboots, and marched into the arid patch of ground. Carefully and also illegally, he tapped into the main irrigation channel. And so began, though few knew it at the time, the Milagro beanfield war. But like everything else in the dirt-poor town of Milagro, it would be a patchwork war fought more by tactical retreats than by battlefield victories. Gradually, the small farmers and sheepmen began to rally to Joe's beanfield as the symbol of their lost rights and their lost lands. And downstate in the capital, the Anglo water barons and power brokers huddled in urgent conference, intent on destroying that symbol before it destroyed their multimillion-dollar land development schemes. The tale of Milagro's rising is wildly comic and lovingly tender, a vivid portrayal of a town that half-stumbling and partly prodded gropes its way toward its own stubborn salvation. *New York Magazine*
