Sunday sch. lessons for 1889 (-1894).** George Frederick Pentecost,1893 **Old Testament Wisdom** James L. Crenshaw,1998-01-01 When Old Testament Wisdom appeared in 1981 new perspectives on biblical theology an increasing awareness of ancient Near Eastern texts resembling biblical wisdom and an emerging interest in ethnic proverbs were mere intimations of what was to become a dramatic outpouring of scholarship on wisdom literature In this expanded edition James Crenshaw takes stock of the wealth of new material produced by contemporary interpreters Liberation and feminists critics scholars in comparative religion specialists in devotional theology and researchers exploring educational systems in the ancient Near East all have enriched our understanding of wisdom literature in recent years and all receive insightful treatment in this new volume Now as before Crenshaw s Old Testament Wisdom is an invaluable asset for anyone wishing to understand the rich and complex legacy of wisdom literature **Was There a Wisdom Tradition** Mark R.

Sneed,2015-09-07 Essential reading for scholars and students in wisdom studies This collection of essays explores questions that challenge the traditional notion of a wisdom tradition among the Israelite literati such as Is the wisdom literature a genre or mode of literature or do we need new terminology Who were the tradents Is there such a thing as a wisdom scribe and what would that look like Did the scribes who composed wisdom literature also have a hand in producing the other traditions such as the priestly prophetic and apocalyptic as well as other non sapiential works Were Israelite sages open to non sapiential forms of knowledge in their conceptualization of wisdom Features Recent genre theory in distinction from traditional form criticism Ancient Near Eastern comparative material A balanced collection that includes essays that seriously challenge and affirm the consensus view as well as those that reconfigure it The State of Old Testament Studies H. H. Hardy, II,M. Daniel Carroll R.,2024-11-05 This book surveys the current landscape of Old Testament studies offering readers a concise guide to contemporary academic discussions Bringing together a diverse group of experts The State of Old Testament Studies provides an informed introduction to the many fields of Old Testament research by recognized scholars presents basic questions in each subfield surveys the primary methods of answering these questions engages prominent solutions and cites relevant and up to date resources It is an extensive guide to current research and an ideal supplemental textbook for a variety of courses on the Old Testament *The Cosmic Drama of Salvation* Sang Meyng Lee,2010 Revision of author s thesis Ph D Claremont Graduate University 2008 under title The cosmic drama of salvation the law and Christian Paul s undisputed writings from anthropological and cosmological perspectives *A Companion to Biblical Studies* William Emery Barnes,1916 **Wisdom About Wisdom** Greg Giles,2025-04-29 What is biblical wisdom The Bible gives three very different answers to that question First wisdom is the best possession possible so everyone should get wisdom Second wisdom is God s domain which no one can understand so the only wise path is to fear him Third Jesus the Messiah is God s wisdom alive He is co wise with God and reveals God s wisdom We can access his wisdom by living as he lived One lesson all of the wisdom writers agree upon is that wisdom is not about being smarter than everyone else but about having good character The wise display their wisdom in humility and good deeds **The Bible and Feminism** Yvonne Sherwood,Anna Fisk,2017 This collection provides readers with a concise high level introduction to the field of feminist and gender biblical criticism It consists of 36 chapters which tackle a wide range of new theoretical and methodological movements The Solomonic Corpus of 'Wisdom' and Its Influence Katharine J. Dell,2020-09-04 Solomon is the figurehead who holds the family of wisdom texts together In this study Katharine Dell argues that a core of Proverbs and Ecclesiastes forms the inner sanctum of the Solomonic wisdom corpus with the Song of Songs as a close relative but Job at one remove Proverbs Ecclesiastes and the Song contain attributions to Solomon and demonstrate key wisdom connections Solomon is also portrayed as an idealized character in the narratives about him in 2 Sam 24 1 Kings 11 He is the embodiment of wisdom thus linking both the narrative portrayal and canonical memory of his significance His connections with Egypt and Sheba shed

light on how Solomon gained his reputation for wisdom as do the roles in his court for scribes sages and seers Formative wisdom themes notably that of God as creator characterize the book of Proverbs and also influenced certain wisdom psalms and the prophets Isaiah and Jeremiah texts which share links to wisdom ideas and contexts For these prophets criticism of the wise is a key concern Dell introduces an intertextual method to open up fresh possibilities of ranging together different texts alongside the Solomonic corpus without the constraints of probing literary or historical linkages Ruth is considered with Proverbs Genesis 1 11 with Ecclesiastes and the wider theme of gardens and water in the Hebrew Bible with the Song of Songs While Solomon probably had very little to do with such readerly text play Dell s argument in *The Solomonic Corpus of Wisdom and Its Influence* is that he is the lynch pin that holds wisdom in its core texts and wider family together

Rethinking Scripture Miriam Levering, 1989-01-01 Exploring the nature of texts this book explains how scriptures function within religions Topics covered include the oral dimensions of scripture canon formation a study of the word in Hindu life and the role of text in Buddhism **The Oxford Handbook of Wisdom and the Bible** Will Kynes, 2021-01-25 This collection of leading scholars presents reflections on both wisdom as a general concept throughout history and cultures as well as the contested nature of the category of Wisdom Literature The first half of the collection explores wisdom more generally with essays on its relationship to skill epistemology virtue theology and order Wisdom is examined in a number of different contexts such as historically in the Hebrew Bible and its related cultures in Egypt and Mesopotamia as well as in Patristic and Rabbinic interpretation Additionally wisdom is examined in its continuing relevance in Islamic Jewish and Christian thought as well as from feminist environmental and other contextual perspectives The second half of the volume considers Wisdom Literature as a category Scholars address its relation to the Solomonic Collection its social setting literary genres chronological development and theology Wisdom Literature s relation to other biblical literature law history prophecy apocalyptic and the broad question of Wisdom influence is then discussed before separate chapters on the texts commonly associated with the category Contributors take a variety of approaches to the current debates surrounding the viability and value of Wisdom Literature as a category and its proper relationship to the concept of wisdom in the Hebrew Bible Though the organization of the volume highlights the independence of wisdom as concept from Wisdom Literature as a category seeking to counter the lack of attention given to this question in the traditional approach the inclusion of both topics together in the same volume reflects their continued interconnection As such this handbook both represents the current state of Wisdom scholarship and sets the stage for future developments **Studies of the Singers, Wisdom Writers and**
