Getting Colour Right:

The Complete Guide to Digital Color Correction Michael Walker, Neil Barstow, 2006 **Style and Substance** Helena Morrissey, 2021-10-14 An inspiring guide to developing your personal brand achieving your career goals and shaping the future of work Red Everything every career woman needs to know and yet is rarely shared so honestly Anya Hindmarch Refreshingly relevant and practical Roksanda Ilincic Women have made great advances in the workplace but despite that and the overwhelming amount of career advice out there the same issues continue to arise how to succeed in a man's world how to combine a career with a family how to be authentic and fit in and whether it is even possible to achieve a work life balance while chasing career goals Unfortunately much of the advice women are offered is badly out of date and lacking in cut to the chase strategies that really tally with their experience of the workplace now What's more the advice often tends to be defensive focused on overcoming obstacles rather than drawing upon strengths Style and Substance starts from a very different perspective Written by Helena Morrissey who has learned through her own experiences as a woman in the workplace and as a business leader it will help you understand what really matters when it comes to career progression today whatever your age situation and aspirations Style and Substance will show you how to build your own style your personal brand and how to have confidence in it and in yourself Once you realise how much agency you have and the steps that you can take to look the part sound the part feel the part and therefore be the part you'll be empowered to achieve your goals in your own way secure in who you are and what you have to offer **Picturing Socialism** J. R. Jenkins, 2020-12-24 This vibrant history of the former German Democratic Republic's public art reveals a barely known but visually and theoretically rich cultural legacy Picturing Socialism shows how works of art and design in the urban spaces of East Germany were the site of a sustained struggle between practitioners critics and political leaders This was not the oft assumed conflict between artistic freedom and political dogma at stake was the self identity of the republic as socialist Art and its relationship to architecture functioned as the testing ground for East Germany's relationship to socialist realism and modernism against the backdrop of Cold War competition from the neighbouring Federal Republic Picturing Socialism makes a timely contribution to the recent groundswell of interest in the legacy of East Germany's art and architecture illuminating and elucidating the public art which has been lost or remains under threat since unification in 1990 CSI School Peter Jeans, This is a fantastic fill in work manual for teaching Forensic Science at the secondary high school level Alternatively a great resource for the avid forensic science fan with many techniques discussed and practical tasks throughout the book For this price you get unlimited use of the book to photocopy for your own classes **FACE2FAITH** Jenni Eden, 2010-08 Jenni has had the most incredible journey and had help from the most incredible source Jenni believes this timeless source of support is available to everyone if they choose it and ask for it Jenni is now a highly respected and sought after artist with work on display all over the world how she got there is detailed in this book Jenni believes her journey will help inspire you if you are

looking to find more contentment in life and a career that helps you fire on all cylinders As Jenni became more successful she was asked not to keep her journey to herself but to share with others so they too may benefit On December 16th 1986 it seems to Jenni that God came and sat on her bed gave her hope unconditional love and a great gift She wasn't even sure if she believed in God at the time and the next twenty years proved to be a challenging yet incredible journey The gift she believes she received from God is her gift for painting This book tells the journey Jenni have travelled with her faith and with art
