Handbook for New Converts William J. Morgan, 2012-11-16 Most churches have a poor to non-existent method of training new Christian converts Therefore the new convert has very little knowledge on how to make the transition from living the sinner's life living a separated life that is filled with forgiveness and charity They aren't trained to forgive and forget the sins and trespasses that are rendered against them They know not that the Holy Spirit lives in their heart and will tell them exactly what to do in every step they take and how to respond to every encounter they have whether it be positive or negative They know not that God will take care of them regardless in the wake of slander financial hardships or physical devastation They hear sermons from the pulpit about tithing but have no concept how to start or how it will affect their life if they start tithing on a regular basis They are unprepared to deal with gossip and verbal bullying that they will encounter They are members of a church for years and have no concept of how to effectively pray in public or how to witness effectively to a lost person This book is not written for a specific denomination It is written as a guide to all new converts **Hyper Biblical** Duke Jeyaraj, 2024-07-10 Well it is not simply enough to merely pray against hell-populating false teaching We must do more We must contend for the faith once for all delivered for the saints Jude 3 We must open our mouths and uncork our pens to warn about savage wolves which will come among you the local church believers not sparing the flock Acts 20:29 Spread virally thanks to the social media modern cultic false teachings such as 1 Hyper Grace No judgement for believers post-Cross 2 Hyper Supernaturalism It is always God's will to heal me here and now Believers in Jesus need not die if they chose to and 3 Hyper Love Everyone is already saved but they just don't know it yet You will stop existing in hell or will eventually come to heaven from there have locusts swarmed churches in South Indian cities and beyond In this book the incensed author argues vehemently from the Bible to show how much these scripture-twisting half-truths full of diabolical teachings have majorly deviated from the whole counsel of God The author offers these five loaves and two fish unto the Lord Perhaps the Lord use it for the restoration of the gangrene of false teaching infested Body of Christ back to sound doctrinal health this book also includes a section where there is an antidote against false teaching Those embracing these false teachings must be warned to steer clear of this book as it would greatly infuriate them calling a spade a spade without putting blade using illustrations from the world of Cricket The author's prayer is that the Holy Spirit could possibly cajole and convince such blood-bought precious believers through these peppery pages to swiftly abandon these eternity-shipwrecking doctrines and wholly embrace biblical balanced sound doctrine **Transit** Shawn Johnson, 2014-08-01 Fifteen years ago Shawn Johnson was a suicidal drug abuser working in Hollywood He wondered if God could ever be a part of his broken life To his surprise finding God was not that difficult But growing closer to Him was another story Three weeks after giving his life to God he relapsed and almost over-dosed He wanted to be closer to God but he just had no idea how to get

there As a result his faith eventually floundered He didn't know what steps he should be taking to move closer to God Embracing spiritual disciplines such as prayer Bible study healthy relationships sharing his testimony serving and giving was a foreign concept to him and therefore out of reach Shawn's hope is that Transit can keep people from losing faith in God today the way he did then Today Shawn is the lead pastor of Red Rocks Church in Golden Colorado one of the fastest growing churches in the country according to Leadership Network At Red Rocks he regularly encounters people who like him have had mountaintop experiences with God but then crashed and burned because they had no idea how to move closer to Him Time and time again he has seen that his post conversion experience is not an anomaly Shawn remembers what it was like to feel dazed and confused after a dramatic life transformation He also knows how easy it is for long time believers to fall into spiritual ruts where complacency disillusionment and frustration are the norm In Transit Shawn shares his personal journey in growing closer to God uncovering disciplines that were critical to that journey and invites each of us to ignite or re-ignite an authentic relationship with God one that actually changes our lives today

Pray Like Jesus Mark Driscoll, Ashley Chase, 2021 Praying like Jesus doesn't just change your prayer life it changes your entire life There are many books on prayer and books on Jesus but there is a need for a book about the prayer life of Jesus since His prayer life alone was the perfect prayer life How did Jesus pray Why did Jesus pray Where did Jesus pray These questions and more will be examined as we look at what Jesus taught about prayer as well as what Jesus modeled in prayer This book will be biblical practical and easy to read so that it is accessible to a broad audience Many people Christian and non Christian alike statistically value prayer and try to have some sort of prayer life But most people struggle to build any momentum in their prayer lives when they fall into a rut In *Pray Like Jesus* Mark and Ashley want to help people build momentum in their prayer lives by experiencing the presence of God in an ever deepening life giving burden relieving and hope lifting relationship with Jesus Christ

R. Luke Thompson, 2009-12-31 Jesus said all the commandments rest on loving God with all of your heart soul and strength and loving your neighbor as yourself At the last supper Jesus commanded those closest to Him to love each other as He loved them So You're A Christian Who Knew is about spiritual growth for living Monday through Saturday using the commands that Jesus has given us
