**Getting More for Less** George LaRoque III, 2014-10-07 This book is written as a self help guide It explores the ideas of what shapes our behavior and what makes our kids think and act the way they do It teaches about life education jobs and the power of our choices It focuses on the idea of repeated imbalances that recur throughout most our lives and the book teaches to use this information as a tool to get the results we all are after happiness and success for our children in the world of disparity that they currently face

*Getting (more out of) Graphics* Antony Unwin, 2024-09-13 Data graphics are used extensively to present information Understanding graphics is a lot about understanding the data represented by the graphics having a feel not just for the numbers themselves the reliability and uncertainty associated with them but also for what they mean This book presents a practical approach to data visualisation with real applications front and centre The first part of the book is a series of case studies each describing a graphical analysis of a real dataset The second part pulls together ideas from the case studies and provides an overview of the main factors affecting understanding graphics

**Key Features** Explains how to get insights from graphics Emphasises the value of drawing many graphics Underlines the importance for analysis of background knowledge and context Readers may be data scientists statisticians or people who want to become more visually literate A knowledge of Statistics is not required just an interest in data graphics and some experience of working with data It will help if the reader knows something of basic graphic forms such as barcharts histograms and scatterplots

*Getting (More of) What You Want* Margaret A. Neale, Thomas Z. Lys, 2015-07-14 Two top business professors offer up the best research and advice on negotiation Chip Heath Do you know what you want How can you make sure you get it Or rather how can you convince others to give it to you Almost every interaction involves negotiation yet we often miss the cues that would allow us to make the most of these exchanges In *Getting More of What You Want* Margaret Neale and Thomas Lys draw on the latest advances in psychology and behavioral economics to provide new strategies for negotiation that take into account people s irrational biases as well as their rational behaviors Whether you re shopping for a car lobbying for a raise or simply haggling over who takes out the trash *Getting More of What You Want* shows how negotiations regularly leave significant value on the table and how you can claim it

The Art of Getting More Back in Diplomacy Eric N. Richardson,2021-10-26 In the field of negotiation theory the Harvard Project s Getting to Yes and Donald Trump s The Art of the Deal occupy polar opposition locations on a spectrum considering distributive and integrative negotiation theories The Art of Getting More Back in Diplomacy offers case studies from international negotiations in which the author participated that can help illustrate the tactics and theories of each type of

negotiation and to make students in law business and other fields into better negotiators Among the case studies are lessons drawn from negotiating denuclearization with North Korea political reconciliation in Libya human rights improvements in China Israel Palestinian peace processes and UN negotiations over surveillance privacy atrocities prevention LGBTI rights and other fundamental freedoms By illustrating these lessons *The Art of Getting More Back in Diplomacy* strengthens the tools that students and teachers of negotiations should have in their negotiating toolbox Perhaps most importantly Richardson provides concrete examples of how a negotiator is likely to Get More Back for their clients if they deploy these tactics rather than having them used against the negotiator     *The W.B.A. Review* ,1919     **Advertising & Selling** ,1928
