

The background of the cover is a painting. It depicts a woman with long, flowing red hair, wearing a blue dress, leaning over a large, seated statue of Joseph Stalin. She is touching the statue's chest. The statue is wearing a military uniform with a red star on the collar. In the background, there is a large red flag and a lit torch on the left. The overall tone is dramatic and provocative.

Marples,2016-09-17 Why did the Soviet Union collapse in 1991 The collapse of the Soviet Union has widely been seen as the result of the arms race and Cold War and the failure of the Soviet side to keep pace with new technology This book argues that the disintegration was mainly a result of two interrelated factors the rise of the Soviet national republics and the manipulation of the new Russian presidency by Boris Yeltsin in what became a direct power struggle between Yeltsin and the Soviet leader Gorbachev Written in a clear and accessible manner the book provides an explanation of how the national question came to dominate Soviet politics by 1990 1 analysis of the economic crisis that occurred in the late 1980s a chapter devoted to the year 1991 from the referendum to reform the Soviet Union to the unforeseen dissolution of the country by December a discussion of the personalities of and political confrontation between the two key statesman Gorbachev and Yeltsin Also containing a Chronology Glossary and Who s Who of key figures The Collapse of the Soviet Union is essential reading for students of twentieth century European history Other Russias B. Baer,2009-04-13 This book examines the unprecedented explosion of homosexual discourse in post Soviet Russia and details how homosexuality has come to signify a surprising and often contradictory array of uniquely post Soviet concerns **The Road to Innamincka** R.A. Dalkey, When a 10 year old R A Dalkey decided he was going to become an Outback truck driver the poor Australia besotted boy had no idea what he was getting into He d been born on the wrong continent for a start And even if he could make it out of Africa one day where was an Australian work visa to come from Or for that matter a licence to drive 53 metre trucks on red desert roads A sensible adult would have filed that dream away as a juvenile fantasy and gotten on with life Especially after taking five attempts to get the most basic of car licences But R A Dalkey never claimed to be a sensible adult did he Join the author as he pursues the ultimate whimsical travel quest From that careless moment of childhood inspiration this true account will take you to small town South Africa the ugly side of Cape Town the

claustrophobic sprawl of Greater London and New Zealand's sleepy Waikato And then on to the Holy Grail Australia Dalkey digs deep into this puzzling generous nation as he travels to every one of the mainland states He explores Australia's quirky history and its modern cities from seductive Sydney to bad ass Brisbane He rides trains across the Nullarbor Plain and watches cricket everywhere But all this is merely the backdrop to his dogged pursuit of that decades old mission driving heavy loads to tiny rural specks deep in the Outback Chechnya Richard Sakwa,2005 A remarkable collection of essays considering every angle of the Chechen conflict **Inside Russian Politics** Edwin Bacon,2017-09-26 Inside Russian Politics is an intelligent critical and engaging account of the realities of contemporary Russian politics It is distinctive in widening our view of Russia beyond the standard account of global power plays and resurgent authoritarian menace Putin matters but he is not Russia Russian military adventurism has had a major effect on contemporary international affairs but assessing its aims and projecting future intentions and impacts requires analysis within a context deeper than the stock Cold War renewed story The holistic approach of this book facilitates our understanding of power politics in and beyond the Kremlin and of Russian policy on the international stage Revealing the Russia beyond Moscow and the central figures around Putin Edwin Bacon focuses on Russia's political present not to ignore the past but to move beyond cliché and misleading historical analogy to reveal the contemporary and future concerns of Russia's current generation of politicians **Distorted Mirrors** Donald E. Davis,Eugene P. Trani,2009 Drawing on memoirs archives and interviews Davis and Trani trace American prejudice toward Russia and China by focusing on the views of influential writers and politicians over the course of the twentieth century showing where American images originated and how they evolved Provided by publisher **Rural Inequality in Divided Russia** Stephen Wegren,2013-07-24 This book examines economic and political polarisation in post Soviet Russia and in particular analyses the development of rural inequality It discusses how rural inequality has developed in post Soviet Russia and how it differs from the Soviet period and goes on to look at the factors that affect rural stratification and inequality using human and social capital profession gender and village location as independent variables The book uses survey data from rural households and fieldwork in Russia in order to highlight the multiplicity of divisions that act as fault lines in contemporary rural Russia *Coming Clean* Eric Heinze,2025-04-08 What has gone wrong with the left and what leftists must do if they want to change politics ethics and minds Leftists have long taught that people in the West must take responsibility for centuries of classism racism colonialism patriarchy and other gross injustices Of course right wingers constantly ridicule this claim for its wokeness In *Coming Clean* Eric Heinze rejects the idea that we should be less woke In fact we need more wokeness but of a new kind Yes we must teach about these bleak pasts but we must also educate the public about the left's own support for regimes that damaged and destroyed millions of lives for over a century Stalin in the Soviet Union Mao Zedong in China Pol Pot in Cambodia or the Kim dynasty in North Korea Criticisms of Western wrongdoing are certainly important yet Heinze explains that leftists have rarely engaged in the kinds of open and public self scrutiny that

they demand from others Citing examples as different as the Ukraine war LGBTQ people in Cuba the concept of hatred and the problem of leftwing antisemitism Heinze explains why and how the left must change its memory politics if it is to claim any ethical high ground **Hearings, Reports and Prints of the House Committee on Foreign Affairs** United States.

Congress. House. Committee on Foreign Affairs,1980 **Promoting Democracy and Human Rights in Russia** Sinikukka Saari,2009-12-04 European regional organisations have spent significant amount of time energy and money in supporting Russia s transition towards the western liberal democratic model since the end of the cold war This book explores the role the Council of Europe European Union and Organisation for Security and Cooperation in Europe have played in Russia s post Soviet transition in the field of human rights and democracy The book argues that the organisations have played an important initial role in setting the reform agenda and in providing a general framework for interaction in the field of human rights and democracy However since the mid 1990s the impact of regional organisations has been slipping Lately Russia has challenged the European human rights and democracy norms and now it threatens the whole framework for regional normative cooperation Russia s attitude towards western liberal order has become more assertive and its defiance increasingly concerted even internationally The main finding is that democracy and human rights promotion is not a one way transference of norms like much of the theoretical literature and European practices presume The Russian case demonstrates that the so called target state can influence the norm promoters and the interpretation of the norms in a fundamental way This is a finding that has significant implications both for theory and practice *Disaster Security* Chad M.
