Getting Your Manuscript Sold:

Getting Your Manuscript Sold Cynthia Sterling, Megan G. Davidson, 1995 *Get Your Book Seen and Sold* Claudine Wolk, Julie Murkette, 2023-09-25 Book marketing is intimidating for most authors. It's like learning a new language. Most authors believe that writing the book is the hard part of publishing and that they are done after writing the words. The End. Those in the publishing industry know better. The hard part of publishing starts after the book is completed. By the time most authors realize that they need to market their book, they are too late. Wolk and Murkette set out to change that outcome by providing an easy, fun system for book marketing that is straightforward and understandable. Authors want one thing to give their books the BEST chance to be seen and sold. Today, authors have so many easy ways to publish, literally at their fingertips, but after hitting the publish button, they find book sales elusive. In the brand new guide *Get Your Book Seen and Sold*, authors Claudine Wolk and Julie Murkette provide an easy book marketing strategy with a definitive starting point and a clear map. Through fun graphs, examples, and exercises in the guide, authors will stay focused and find the empowerment to successfully promote their books. *The Essential Guide to Getting Your Book Published* Arielle Eckstut, David Henry Sterry, 2010-11-11 A complete author's toolkit. The guide that demystifies every step of the publishing process. No matter what type of book you want to write (fiction, nonfiction, humor, sci-fi, romance, cookbook, children's book), here is how to take an idea you're passionate about, develop it into a manuscript or proposal, get it published, and deliver it into the hands and hearts of readers. Includes interviews with dozens of publishing insiders: agents, editors, bestselling authors, and booksellers. Real-life success stories and the lessons they impart. Plus sample proposals and query letters, a resource guide, and more. Updated to cover ebooks, self-publishing, digital marketing, the power of social media, and more. This complete author's toolkit includes information on locating, luring, and landing an agent; perfecting your pitch; the nuts and bolts of a book proposal; conquering the query letter; finding the right publisher for YOU; four steps to reaching readers online; making Amazon work for you; kickstarting your Kickstarter campaign; the ins and outs of ebooks; 10 things you should have on your author website; turning rejection into a book deal; new frontiers in self-publishing. [Sell & Market Your Book](#) Daniel Cooke, 2010-04-07 Whether you are thinking about publishing your own book or your book is already in print, this practical step-by-step guide tells you how to lead a successful marketing campaign to raise your profile as a published author and sell more copies of your book.
