## Hidden Manchester:

**Secret Manchester** Phil Page, Ian Littlechild, 2014-11-15 Explore Manchester's secret history through a fascinating selection of stories, facts, and photographs     Underground Cities Mark Ovenden, 2020-09-08 With over 60 per cent of the world's population living in cities, the networks beneath our feet which keep the cities above moving are more important than ever before. Yet we never truly see how these amazing feats of engineering work. Just how deep do the tunnels go? Where do the sewers, bunkers, and postal trains run? And how many tunnels are there under our streets? Each featured city presents a skyline of the underground through specially commissioned cut-away illustrations and unique cartography. Drawing on geography, cartography, and historical oddities, Mark Ovenden explores what our cities look like from the bottom up     Rocks and Rain, Reason and Romance David Howe, 2022-01-01 David Howe tells the story of the Lake District, England's most dramatic landscape. Home to vistas of stunning beauty and a rich heritage, it is an area of England that fascinates, inspires, and has bewitched David for a lifetime. With passion and an endless curiosity, he reveals how half a billion years of shifting ice, violent volcanoes, and of course falling rain have shaped the lakes and fells that have fired the imaginations of the great sons and daughters of the area: the poets and the scientists. He shows that Lakeland is a seamless web where lives and landscape weave together, where the ancient countryside has created a unique local history of farming and mining, of tight-knit communities of a resilient and proud people. The Lake District is a place of rocks and rain, reason and romance, wonder and curiosity. And this book celebrates it all: the very character of Cumbria. Praise for *Wandering in Norfolk*, East Anglian Book Awards 2017, SHORTLISTED. A real treat and a perfect read for that comfortable armchair in front of the woodburner on a cold winter's day. *Eastern Daily Press*. The pot-pourri style is very effective; thoughtful views on a variety of subjects and some beautifully written science lessons. An excellent and well-written book. Amazon reviewer. Beautifully written, a joy to read. Amazon reviewer     Our Jackie Karen M. Dunak, 2024-11-12 Tells the story of Jacqueline Kennedy Onassis through her evolving public persona from campaign wife to First Lady to fallen idol to treasured national icon. When Jacqueline Kennedy Onassis became First Lady of the United States over sixty years ago, she stepped into the public spotlight. Although Jackie is perhaps best known for her two highly publicized marriages, her legacy has endured beyond twentieth-century pop culture, and she remains an object of public fascination today. Drawing on a range of sources from articles penned for the women's pages of local newspapers to esteemed national periodicals to fan magazines and film, *Our Jackie* evaluates how media coverage of Jacqueline Kennedy Onassis changed over the course of her very public life. Jackie's interactions with and framing by the American media reflect the changing attitudes toward American womanhood. Over the course of four decades, Jackie was alternatively praised for her service to others and pilloried for her perceived self-interest. In *Our Jackie*, Karen M. Dunak argues that whether she was portrayed as a campaign wife, a loyal widow, a selfish jetsetter, or a mature career woman, the history of Jackie's highly publicized life demonstrates the ways in which news, entertainment, politics, and celebrity

evolved and intertwined over the second half of the twentieth century Examining the intimate chronicles of this famous First Lady's life *Our Jackie* suggests that media coverage of this enigmatic public figure revealed as much about the prevailing views of women in America how they should behave and whom they should serve as it did about Jacqueline Kennedy Onassis as an individual
