theories shaped by a deep understanding of the region's long history of violent encounters, exploitation and cultural diversity. Examining the relationship between living bodies and the spirits of the dead, the contributors investigate the changes in cosmologies and rituals in the cultural sphere of death in relation to political developments, state violence, legislation, policing and identity politics. Contributors address topics that range from the ever-evolving role of divinized spirits in Haiti and the contemporary mortuary practice of Indo-Trinidadians to funerary ceremonies in rural Jamaica and ancestor cults in Maroon culture in Suriname. Questions of alterity, difference and hierarchy underlie these discussions of how racial, cultural and class differences have been deployed in ritual practice and how such rituals have been governed in the colonial and postcolonial Caribbean. [A Treasury of British Folklore](#) Dee Dee Chainey, 2018-10-26. An entertaining and engrossing collection of British customs, superstitions and legends from past and present. Did you know in Cumbria it was believed a person lying on a pillow stuffed with pigeon's feathers could not die. Or that green is an unlucky colour for wedding dresses. In Scotland it was thought you could ward off fairies by hanging your trousers from the foot of the bed and in Gloucestershire you could cure warts by cutting notches in the bark of an ash tree. You've heard about King Arthur and St George but how about the Green Man, a vegetative deity who is seen to symbolise death and rebirth. Or Black Shuck, the giant ghostly dog who was reputed to roam East Anglia. In this beautifully illustrated book Dee Dee Chainey tells tales of mountains and rivers, pixies and fairy folk and witches and alchemy. She explores how British culture has been shaped by the tales passed between generations and by the land that we live on. As well as looking at the history of this subject, this book lists the places you can go to see folklore alive and well today. The Whittlesea Straw Bear Festival in Cambridgeshire or the Abbots Bromley Horn Dance in Staffordshire for example, or wassailing cider orchards in Somerset. **The Leading Ladies** Connie L. The International ,1897 *Haunted People* Elliott O'Donnell,1955 Questions of Authority Nizar Zouidi,2016-04-26

This book studies the questions of authority and authorship in William Shakespeare s problematic masterpiece Hamlet It argues that the Bard seeks to eternalize himself through his play that Hamlet dramatizes the authorial quest for sempiternity As the epigraph to this book indicates authors have since the age of the pyramids and probably before it sought to live forever Shakespeare was no exception However his medium that of theatre is usually associated with the present This book approaches the strategies of authorial survival from a perspective that is theoretically and historically eclectic It is therefore informed by works that belong to different eras and that are not separated by time alone They are brought together by the theme of sempiternity The challenging task of dealing with such a theme is made even more arduous by the nature of the play itself Hamlet denies its readers the satisfaction they crave In this play Keats negative capability is a luxury that no one

can afford be they critics or characters In Hamlet the answer is always with the author who comes in questionable shapes assuring everyone that he has more to tell His authority does not hinder the endless proliferation of meaning however but rather guarantees it A model pastor of the old school. Recollections of the rev. D. Johnston and the parish of North Leith Margaret E. Foster,1878 *Perpetual Care* Laura Beth Caldwell,2009-06 NAOMI TALBOT is haunted by shadows shadows which confide in her shadows which taunt her shadows which remind her of what she has become Popular fiction would label her vampire But she is more than what that word can define She is a traveler between parallel worlds the worlds of the living and the dead Savannah Georgia is as much a part of Naomi s existence as is the stolen blood which flows through her veins For it was in this sultry city in the year 1923 that Naomi learned of love A love that found its place in the hearts of two young women a love that would transcend death itself For Naomi ESTHER BLANKENSHIP was the embodiment of that love Cut off from the living at the birth of her sexual awakening Naomi journeys through eight decades of self discovery as she questions love immortality and God In her quest to reunite herself with her lost Esther she soon learns of the dark curse which has brought about her condition a curse that was placed on her family by slaves long dead for sins which have not been forgotten As Naomi seeks answers from the spirits of her dead ancestors she is soon called upon to protect the last living member of her family from the darkness which haunts them For Naomi this will come at a great price
