

Hierarchy and Trust in Modern Mexico and Brazil

Luis Roniger

Hierarchy And Trust In Modern Mexico And Brazil

Tina Hilgers, Laura Macdonald

Hierarchy And Trust In Modern Mexico And Brazil:

Hierarchy and Trust in Modern Mexico and Brazil Luis Roniger, 1990-10-24 In this book Luis Roniger offers a comprehensive and systematic discussion of the influence of clientelism and clientelistic relationships in social and political life in Mexico and Brazil. The author describes, analyzes, and compares clientelistic arrangements not only in terms of economic development and social differentiation but also as a strategy of interaction and control over economic and political markets shaped both by structural factors and cultural patterns. Contrary to some theorists who argue that clientelism disappears following industrialization and modernization, Roniger sees clientelistic networks as both a distinct institutional pattern and a major model of structuring social exchange. Thus he argues that it may be more reasonable to expect changes in the forms of Mexican and Brazilian clientelism rather than its demise following economic development and political transformation. Roniger begins with a general discussion of clientelism and trust, exploring the variety of clientelistic bonds, the conditions which lead to the emergence of clientelism, and the dynamics of Latin American clientelism. Following a chapter on the institutional contexts of Mexico and Brazil, the author presents an extended analysis of clientelism in the two countries. In each case, Roniger presents a historical overview, discusses the dominant characteristics of clientelism in that country, and examines clientelism in the rural, urban, labor, and political sectors. Subsequent chapters compare and contrast Mexican and Brazilian variants of clientelism. In the final chapter, Roniger places the Latin American data within its broader cultural context, comparing Mexican and Brazilian clientelism with hierarchical arrangements in Japan, Thailand, and India. He concludes that although political and social change in Mexico and Brazil has led to major transformations in clientelistic patterns, clientelism has been retained as an important element of social exchange in these societies. Sociologists, anthropologists, political scientists, Latin American specialists, and students of development will find Roniger's work and incisive portrait of Mexican and Brazilian institutional development and social realities.

The Deadlock of Democracy in Brazil Barry Ames, 2009-01-22 Many countries have experimented with different electoral rules in order either to increase involvement in the political system or make it easier to form stable governments. Barry Ames explores this important topic in one of the world's most populous and important democracies, Brazil. This book locates one of the sources of Brazil's crisis of governance in the nation's unique electoral system, a system that produces a multiplicity of weak parties and individualistic, pork-oriented politicians with little accountability to citizens. It explains the government's difficulties in adopting innovative policies by examining electoral rules, cabinet formation, executive-legislative conflict, party discipline, and legislative negotiation. The book combines extensive use of new sources of data, ranging from historical and demographic analysis, in focused comparisons of individual states to unique sources of data for the exploration of legislative politics. The discussion of party discipline in the Chamber of Deputies is the first multivariate model of party cooperation or defection in Latin America that includes measures of such important phenomena as constituency effects, pork barrel receipts, ideology, electoral

insecurity and intention to seek reelection With a unique data set and a sophisticated application of rational choice theory Barry Ames demonstrates the effect of different electoral rules for election to Brazil's legislature The readership of this book includes anyone wanting to understand the crisis of democratic politics in Brazil The book will be especially useful to scholars and students in the areas of comparative politics Latin American politics electoral analysis and legislative studies Barry Ames is the Andrew Mellon Professor of Comparative Politics and Chair Department of Political Science University of Pittsburgh

The New Politics of Inequality in Latin America Douglas A. Chalmers, 1997-01-30 Against a broader backdrop of globalization and worldwide moves toward political democracy The New Politics of Inequality in Latin America examines the unfolding relationships among social change equity and the democratic representation of the poor in Latin America Recent Latin American governments have turned away from redistributive policies at the same time popular political and social organizations have been generally weakened inequality has increased and the gap between rich and poor has grown Hanging in the balance is the consolidation and the quality of new or would be democracies this volume suggests that governments must find not just short term programmes to alleviate poverty but long term means to ensure the effective integration of the poor into political life The New Politics of Inequality in Latin America bridges the intellectual chasm between on the one hand studies of grassroots politics and on the other explorations of elite politics and formal institution building It will be of interest to students and scholars of contemporary Latin American politics and society and more generally in the vicissitudes of democracy and citizenship in the late twentieth century global system

Trusting and its Tribulations Vigdis Broch-Due, Margit Ystanes, 2016-04-01 Despite its immense significance and ubiquity in our everyday lives the complex workings of trust are poorly understood and theorized This volume explores trust and mistrust amidst locally situated scenes of sociality and intimacy Because intimacy has often been taken for granted as the foundation of trust relations the ethnographies presented here challenge us to think about dangerous intimacies marked by mistrust as well as forms of trust that cohere through non intimate forms of sociality

Latin American Social Movements Hank Johnston, Paul Almeida, 2006 The two current trends of democratization and deepening economic liberalization have made Latin American countries a ground for massive defensive mobilization campaigns and have created new sites of popular struggle In this edited volume on Latin American social movements original chapters are combined with peer reviewed articles from the well regarded journal Mobilization Each section represents a major theme in Latin American social movement research Original chapters discuss the Madres de Plaza de Mayo movement in Argentina and the Zapatista movement in Chiapas Mexico Also included in the book's coverage of the region's major movements are los piqueteros and antisweatshop labor organizing This is the first study to focus closely on the related issues of neoliberal globalization democratization and the workings of transnational advocacy networks in Latin America

Informality Barbara Misztal, 2002-09-11 For most of the twentieth century modernity has been characterised by the formalisation of social

relations as face to face interactions are replaced by impersonal bureaucracy and finance As we enter the new millennium however it becomes increasingly clear that it is only by stepping outside these formal structures that trust and co operation can be created and social change achieved In a brilliant theoretical tour de force illustrated with sustained case studies of changing societies in the former eastern Europe and of changing forms of interaction within so called virtual communities Barbara Misztal argues that only the society that achieves an appropriate balance between the informality and formality of interaction will find itself in a position to move forward to further democratisation and an improved quality of life

Democracy, Clientelism, and Civil Society Luis Roniger, Ayşe Güneş-Ayata, 1994 **Honor, Shame, and Guilt**

Daniel Y. Wu, 2016-07-31 In this study Wu explores how the concepts honor shame and guilt function in the book of Ezekiel as well as in the wider contexts of their general use in anthropological or social scientific approaches to biblical studies He frames Ezekiel's key terms for honor kabod shame bosh and guilt awah within an analysis of a broad perspective on these terms in the body of the Old Testament as a way of forming the concept spheres within which the specific instances of each term in Ezekiel sit Wu gleans insight from the dominant contemporary definitions of honor shame and guilt in the fields of psychology and anthropology and their application to biblical studies and he reflects on how this broader context informs and is informed by his analysis of Ezekiel The study concludes by drawing together the implications and contribution of the analysis of Ezekiel and applying them to the development of social scientific models for the future *Societies of Fear* Kees

Koonings, Dirk Kruijt, 1999-08 Latin America is in the grip of a double challenge coping with what may be the worst economic crisis since the 1930s and the huge problems of poverty and inequality this has produced while simultaneously consolidating its democratic transition trying to recover from the traumas of many years of authoritarian rule and state terror This superb collection of original scholarship and historical and analytical overviews examines a subject that has received too little attention the legacy of past conflict violence and terror in all the most important countries of South and Central America This volume is ideal for scholars concerned with Latin American society and politics generally and civil military relations peace building and good governance in particular **Constructing Collective Identities & Shaping Public Spheres** Sznajder

Roniger, Luis Roniger, 1998-01-01 This text shows how different collective identities in Latin America shape the access to and participation in the public domain Collective identities were previously thought to be primordial components that would not survive the modern world but now theorists think of them as a modern creation Imagining Brazil Jessé Souza, Valter Sinder, 2007-01-01 Imagining Brazil provides a comprehensive and multifaceted picture of Brazil in the age of globalization Privileging diversity in relation to the authors as well as the manner in which Brazil is perceived Jessé Souza and Valter Sinder have assembled historians political scientists sociologists literary critics and scholars of culture in an attempt to understand a complex society in all its richness and diversity Rising from one of the world's poorest societies in the 1930s to the eighth largest world economy in the 1980s Brazil is used as an example of globalization's impact on peripheral societies

exploring in new contexts the serious social problems that have always characterized this society Imagining Brazil explores the connections between society and politics and culture and literature creating an encompassing volume of interest to scholars of Latin American studies as well as those interested in how globalization impacts the varied aspects of a country

Comparing Special Education John Richardson,Justin Powell,2011-05-17 Comparing Special Education unites in depth comparative and historical studies with analyses of global trends to uncover similarities and differences found in special education systems around the world

Decentralization, Democratization, and Informal Power in Mexico Andrew Selee,2015-10-20 In the last two decades of the twentieth century many countries in Latin America freed themselves from the burden of their authoritarian pasts and developed democratic political systems At the same time they began a process of shifting many governmental responsibilities from the national to the state and local levels Much has been written about how decentralization has fostered democratization but informal power relationships inherited from the past have complicated the ways in which citizens voice their concerns and have undermined the accountability of elected officials In this book Andrew Selee seeks to illuminate the complex linkages between informal and formal power by comparing how they worked in three Mexican cities The process of decentralization is shown to have been intermediated by existing spheres of political influence which in turn helped determine how much the institution of multiparty democracy in the country could succeed in bringing democracy closer to home

Violence in Latin America and the Caribbean Tina Hilgers,Laura Macdonald,2017-09-14 Violence in Latin America and the Caribbean is no longer perpetrated primarily by states against their citizens but by a variety of state and non state actors struggling to control resources territories and populations This book examines violence at the subnational level to illuminate how practices of violence are embedded within subnational configurations of space and clientelistic networks In societies shaped by centuries of violence and exclusion inequality and marginalization prevail at the same time that democratization and neoliberalism have decentralized power to regional and local levels where democratic and authoritarian practices coexist Within subnational arenas unique configurations of historical legacies economic structures identities institutions actors and clientelistic networks result in particular patterns of violence and vulnerability that are often strikingly different from what is portrayed by aggregate national level statistics The chapters of this book examine critical cases from across the region drawing on new primary data collected in the field to analyze how a range of political actors and institutions shape people s lives and to connect structural and physical forms of violence

Political Conflict and Development in East Asia and Latin America Richard Boyd,Galjart Benno,Tak-Wing Ngo,2007-01-24 Long run processes of socio economic change generate prodigious problems of social conflict and social control and governments responsible for these processes must therefore manage the resultant conflict Consequently the success or failure of a government s management of such conflicts is a crucial factor in development outcomes This volume investigates the political struggle for development specifically in two vital regions East Asia and Latin America This analysis calls into question the

dominant emphasis on institutional and cultural bases for stable growth A careful historical account of the two regions is presented which permits the rigorous testing of conventional wisdoms regarding development Of importance to a broad range of academics in the spheres of development studies politics political economy and sociology this book will also make an interesting read for those with a general interest in these areas

Buying Audiences Paula Muñoz Chirinos, 2019 Develops a new theory of how politicians campaign and deploy electoral clientelism in weak party systems

Poor People's Politics Javier Auyero, 2001 Examines how Argentina's urban poor use political networks and informal webs of reciprocal help to solve their everyday survival needs

The Jewish Presence in Latin America Judith Laikin Elkin, Gilbert Merkx, 2020-04-06 Originally published in 1987 this collection of essays is a major contribution toward developing a realistic picture of the Latin American Jewish communities in the late 20th Century The book will be of interest to students of comparative studies Jewish studies and Latin American studies and responds to the need to learn more about the Jewish communities of Latin America both as a fragment of the Jewish diaspora and as an element in the economic and social life of the continent

Declarations of Dependence Gregory P. Downs, 2011 In this highly original study Gregory Downs argues that the most American of wars the Civil War created a seemingly un-American popular politics rooted not in independence but in voluntary claims of dependence Through an examination of the pleas and

Clientelism, Interests, and Democratic Representation Simona Piattoni, 2001-09-10 This book charts the evolution of clientelist practices in several western European countries Through the historical and comparative analysis of countries as diverse as Sweden and Greece England and Spain France and Italy Iceland and the Netherlands the authors study both the supply side and the demand side of clientelism This approach contends that clientelism is a particular mix of particularism and universalism in which interests are aggregated at the level of the individual and his family particularism but in which all interests can potentially find expression and accommodation in universalism

Thank you very much for downloading **Hierarchy And Trust In Modern Mexico And Brazil**. As you may know, people have look numerous times for their chosen readings like this Hierarchy And Trust In Modern Mexico And Brazil, but end up in infectious downloads.

Rather than reading a good book with a cup of tea in the afternoon, instead they are facing with some infectious virus inside their computer.

While this might not be the Hierarchy And Trust In Modern Mexico And Brazil full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Hierarchy And Trust In Modern Mexico And Brazil eBooks, including some popular titles.

FAQs About Hierarchy And Trust In Modern Mexico And Brazil Books

What is a Hierarchy And Trust In Modern Mexico And Brazil PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Hierarchy And Trust In Modern Mexico And Brazil PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Hierarchy And Trust In Modern Mexico And Brazil PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Hierarchy And Trust In Modern Mexico And Brazil PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Hierarchy And Trust In Modern Mexico And Brazil PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are

there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
