Fish Bulletin California. Department of Fish and Game, 1919 *The End Times* Kurt B. Bakley, 2016-01-20 In this book we will read the ancient prophecies for the next 1000 years and beyond It quite different then any other works on this subject but I feel this is the correct one I could be wrong We will read the dates and time periods of Daniel and Revelation all the Bible Nostradamus and ancient Egyptian art to see what will happen and when All prophecies in all books will be fulfilled if true during this time span Se read on and see your future Be sure to read my other books entitled Predictions for 2015 Revised Edition The Experiment at Philadelphia Revised Edition End Time Signs II and The End Times Prophecies dont always happen the way we think they will and many times give more than one date event and time Some preachers call this secondary fulfillment For the prophecies of this book to come true the events of September 24 28 and or October 15 17 December 31 29 24 25 14 7 November 10 11 22 2016 or 2017 must come to pass or else another type of future will happen I explain this in this book and document how other books predicts four or five possible futures and from four or five one will come true as Isaac Newton and a woman in a life after death experience predicted She said when she was dead she saw four or five futures unfold before her She came back to life and forgot about them and one day in her kitchen she notice it was the exact copy of one of her futures she saw long ago when she was dead One comes true out of four or five If the people remain sinning the good prophecy could fail This book was finished on December 14 2015 leave in *HighTide Plays: 1* Beth Steel, Harry Melling, Dan LeFranc, Anders Lustgarten, 2016-11-16 HighTide Theatre Festival was founded in 2006 and has since become one of the most prolific homes of new writing It has been described by the Telegraph as one of the little gems of the artistic calendar in Britain and by the Daily Mail as famous for championing emerging playwrights and contemporary theatre 2016 marks ten years of HighTide during which time numerous emerging playwrights and new plays have shot to prominence This anniversary volume brings together four of the key plays that have come out of HighTide Theatre Festival s programme during this time Ditch by Beth Steel is a clear eyed look at how we might behave when the conveniences of our civilisation are taken away and a frightening vision of a future that could all too easily be ours peddling by Harry Melling is a poetic monologue about a young homeless man which confronts whether it s a good thing to turn a blind eye and let people get on with their lives or whether that s exactly how people fall through the cracks The Big Meal by American writer Dan LeFranc is a deeply comic and touching drama that looks at love marriage raising children and the general onslaught of life Lampedusa by Anders Lustgarten follows the day to day life of those whose job it is to enforce our harsh new rules on immigration an Italian coastguard and a payday lender from Leeds All now established in their own right these four plays demonstrate HighTide s extraordinary role in identifying and nurturing writers tackling some of the biggest issues of today The volume was published to coincide with HighTide s 10th annual festival in September 2016 and features an introduction by HighTide Artistic Director Steven Atkinson *Biology and Ecology of Shallow Coastal Waters* Anastasios
