High Country Showdown

Ray Gaulden

High Country Showdown:

High Country Showdown Ray Gaulden, 1961 *High Country Showdown* John Legg, 1991-03-01 Luke Wolfe sets out for the area in Arizona where his grandfather tells him he buried his gold but he finds that the present day owner of the land does not want him snooping around his property *Box Office*, 1962 **The Brumby Wars** Anthony Sharwood, 2021-09-01

It's not just a war over horses. It's a battle for the soul of Australia. This is a book about the intense culture war raging around Australia's wild horses known as brumbies. It pits a vision of the legendary Man from Snowy River and the iconic ANZAC Light Horse against the spectre of ecosystems destroyed by feral pests. The debate involves powerful politicians and media commentators and stars an animal mythologised in Australian poetry and prose. But in essence this is about us. The Brumby Wars is about Australians at war with each other over their vision of an ideal Australia. To ecologists and people who ski, walk and fish in the High Country and other areas where the brumbies proliferate, they are a feral menace which must be removed to save delicate alpine landscapes. To the descendants of cattle families and many Australians in urban and regional areas, brumbies are untouchable, a symbol of wildness and freedom. Something has to give. But what? The land or the horses? This war is set to escalate dramatically before we have an answer. Featuring interviews with characters from all sides of the debate, *The Brumby Wars* is the riveting account of a major national issue and the very human passions it inspires. It is also a journey, a quest to understand what makes us tick in our increasingly polarised country. Praise for Anthony Sharwood's *From Snow to Ash* Makes for inspirational reading. *West Australian*. A distinctive, charming narrative, a thinking, caring man's trek. *Canberra Times*. A joyous read with personality in spades. A book for the adventurer in us all. *Australian Geographic*. *All the Water the Law Allows* Christian S. Harrison, 2021-08-12

As the population of the greater Las Vegas area grows and the climate warms, the threat of a water shortage looms over southern Nevada. But as Christian S. Harrison demonstrates in *All the Water the Law Allows*, the threat of shortage arises not from the local environment but from the American legal system, specifically the Law of the River that governs water allocation from the Colorado River. In this political and legal history of the Las Vegas water supply, Harrison focuses on the creation and actions of the Southern Nevada Water Authority (SNWA) to tell a story with profound implications and important lessons for water politics and natural resource policy in the twenty-first century. In the state with the smallest allocation of the Colorado's water supply, Las Vegas faces the twin challenges of aridity and federal law to obtain water for its ever-expanding population. *All the Water the Law Allows* describes how the impending threat of shortage in the 1980s compelled the five metropolitan water agencies of greater Las Vegas to unify into a single entity. Harrison relates the circumstances of the SNWA's evolution and reveals how the unification of local, county and state interests allowed the compact to address regional water policy with greater force and focus than any of its peers in the Colorado River Basin. Most notably, the SNWA has mapped conservation plans that have drastically reduced local water consumption and in the interstate realm it has been at the center of groundbreaking water sharing agreements. Yet these

achievements do not challenge the fundamental primacy of the Law of the River If current trends continue and the Basin States are compelled to reassess the river's distribution the SNWA will be a force and a model for the Basin as a whole

Dead Pool James Lawrence Powell, 2008 Writing for a wide audience Powell shows us exactly why an urgent threat during the first half of the twenty-first century will come not from the rising of the seas but from the falling of the reservoirs BOOK

JACKET **"A" Western Filmmakers** Henryk Hoffmann, 2024-10-16 From *High Noon* to *Unforgiven* the A Western represents the pinnacle of Western filmmaking More intellectually ambitious and time consuming than the readily produced B or serial Westerns these films rely on hundreds of talented artists This comprehensive reference work provides biographies and Western filmographies for nearly 1,000 men and women who have contributed to at least three A Westerns These contributors are arranged by their role in film production Cinematographers composers actors actresses and directors receive complete biographical treatment writers whose work was used in at least two Westerns are also featured An appendix lists well-known actors who have appeared in either one or two A Westerns as specified Undermining Lucy R. Lippard, 2006-09-13 A marvelous slim book that weaves ideas facts images and histories into a whole about the ecology of the manmade world Rebecca Solnit In *Undermining* the award-winning author art historian and social critic Lucy R Lippard delivers another trademark work that combines text and full-color images to explore the intersection of art the environment geography and politics Kirkus Reviews Working from her own experience of life in a New Mexico village and inspired by the gravel pits in the surrounding landscape Lippard addresses a number of fascinating themes including fracking mining land art adobe buildings ruins Indian land rights the Old West tourism photography and water In her meditations she illuminates the relationship between culture industry and the land From threatened Native American sacred sites to the history of uranium mining she offers a skeptical examination of the subterranean economy Featuring more than two hundred gorgeous color images *Undermining* offers a provocative new perspective on the relationship between art and place in a rapidly shifting society Lippard's strength lies in the depth of her commitment her dual loyalty to tradition and modernity and her effort to restore the broken connection between the two Suzi Gablik *The New York Times Book Review* *Rawhide* Doyle Trent, 1989-08

This Land is My Land James R. Skillen, 2020-08-10 Among American conservatives the right to own property free from the meddling hand of the state is one of the most sacred rights of all But in the American West the federal government owns and oversees vast patches of land complicating the narrative of western individualism and private property rights As a consequence anti-federal government sentiment has animated conservative politics in the West for decades upon decades In *This Land Is My Land* James R Skillen tells the story of conservative rebellion ranging from legal action to armed confrontations against federal land management in the American West over the last forty years He traces the successive waves of conservative insurgency against federal land authority the Sagebrush Rebellion 1979 1982 the War for the West 1991 2000 and the Patriot Rebellion 2009 2016 and shows how they evolved from regional revolts waged by westerners with

material interests in federal lands to a national rebellion against the federal administrative state Cumulatively Skillen explains how ranchers miners and other traditional users of federal lands became powerful symbols of conservative America and inseparably linked to issues of property rights gun rights and religious expression Not just a book about property rights battles over Western lands *This Land is My Land* reveals how the evolving land based conflicts in the West since the 1980s reshaped the conservative coalition in America a development that ultimately helped lead to the election of President Donald J Trump in 2016

American Book Publishing Record Cumulative, 1950-1977: Title index R.R. Bowker Company. Department of Bibliography, 1978

The American Western A Complete Film Guide Terry Rowan, 2012-11-18 A comprehensive film guide featuring films and television shows of the great American western The stories of the men and women who tamed the old West Also featuring actors and directors who made these films possible *Paperbound Books in Print*, 1992
