BattleTech Legends: Sword of Sedition Loren L. Coleman, 2021-10-15 POLITICS OF DESTRUCTION Newly elected Exarch Jonah Levin is still trying to come to terms with the responsibilities of his office With his recent discovery of treachery in The Republic s Senate he can trust very few people and not even his own Paladins have been immune to murderous intrigue Tensions are heating up between Exarch Levin and the

senators determined to fight what they call the injustice being done to the Republic's government. Some are even agitating for Levin's censure, a move that could accomplish the same thing as the recent attempted coup that killed legendary Paladin Victor Steiner Davion. One of The Republic's last hopes is the summit of Inner Sphere leaders gathering on Terra. Ostensibly a tribute to the assassinated Steiner Davion, it also has the potential to halt the escalating violence of the last few years. And although Victor would not have wanted his death to be the cause of more political maneuvering, Levin knows the great man would not begrudge the Republic this one final service to stave off all-out war if only it isn't too late.
