Introducing the Old Testament John William Drane, 2001 There is a wealth of the latest scholarship here yet written so lucidly and simply that the message is absolutely clear It makes exciting reading of a most informative kind Church of England Newspaper **The Old Testament: Canon, Literature and Theology** John Barton, 2016-02-17 This collection of John Barton's work engages with current concern over the biblical canon in both historical and theological aspects with literary reading of the Bible and current literary theory as it bears on biblical studies and with the theological reading and use of the biblical text John Barton's distinctive writing reflects a commitment to a liberal approach to the Bible which places a high value on traditional biblical criticism and also seeks to show how evocative and full of insight the biblical texts are and how they can contribute to modern theological concerns This invaluable selection of published writings by one of the leading authorities on biblical text and canon also includes new essays and editorial introductions from the author **Dictionary of the Old Testament: Wisdom, Poetry & Writings** Tremper Longman III, Peter Enns, 2010-05-11 Tremper Longman III and Peter E Enns edit this collection of 148 articles by over 90 contributors on Job Psalms Proverbs Ecclesiastes Song of Songs Lamentations Ruth and Esther Theology of the Old Testament Walter Brueggemann, 2012-06-01 In this powerful book Walter Brueggemann moves the discussion of Old Testament theology beyond the dominant models of previous generations Brueggemann focuses on the metaphor and imagery of the courtroom trial in order to regard the theological substance of the Old Testament as a series of claims asserted for Yahweh the God of Israel This provides a context that attends to pluralism in every dimension of the interpretive process and suggests links to the plurality of voices of our time **Introducing the Old Testament** John Drane, 2019-08-23 Continuously in print for over 30 years and available in many different languages John Drane's *Introducing the Old Testament* has long been recognized as an authoritative and accessible survey of the subject This new edition has been fully revised and updated with fresh material on a range of topics especially the political and cultural context that influenced the compilation of its books and the development of the faith of ancient Israel and Judah Specific issues that will be of particular interest to students are highlighted in special boxed feature sections along with an extensive glossary of technical terms and key maps and diagrams This book is the ideal starting point for readers who wish to explore the Old Testament and its world in the light of recent scholarship and its relevance to life in the twenty first century

An Introduction to the Old Testament Raymond B. Dillard, Tremper Longman, 1994 This companion textbook to Carson Moo and Morris's acclaimed *Introduction to the New Testament* puts intellectual muscle into Old Testament study

'The Real Scriptures' of God - Old Testament James Platter, 2012-11 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isn't in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D

therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else s church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language The Real Scriptures edited by James Platter above a layman who formerly studied the scriptures for many years with the Baptist Bible Fellowship in San Dimas California in the United States but now rejects the reduced 1627 A D Version of the KJV Bible and formally learned the Greek language of the New Testament at Capernwray Missionary Fellowship Moss Vale N S W Australia under the Reverend Alan Catchpoole in 1973 Genesis Kinds Todd Charles Wood,Paul A. Garner,2009-01-22 Mission statement coresci.org Series Editor Todd Charles Wood Core Academy of Science encourages young Christian scholars to explore the hardest problems in creation Engineers sometimes classify problems as easy hard and impossible Easy problems are trivial because they can be solved merely by applying known principles Impossible problems cannot be solved no matter how hard we try Hard problems are the problems in between that require the most work but yield the greatest rewards Sometimes hard problems are accumulations of many easy problems and sometimes they turn out to be impossible When a hard problem is solved though it is widely celebrated For Christians and especially young age creationists understanding creation has many hard problems Evidences of the great age of the universe and earth can be difficult to explain Likewise with evidences of evolution Creationists reject the conventional explanations that involve millions of years and humans evolving from animals but alternative explanations that satisfy our scientific curiosity and our desire to remain true to the revealed Word of God are much rarer and not widely accepted It is much easier to focus on the detection of error rather than the more difficult discovery of truth This focus on error rather than truth pervades evangelical Christianity because it s relatively easy We all like the easy and impossible We teach our children to recite verses from the Bible and answers to our catechisms but when they ask difficult questions we say Only God knows We might even scold them for being impertinent or irreverent Core Academy equips the next generation to tackle these great mysteries by first and most importantly helping young scholars to develop a bold confident faith All too often scholars who face challenging puzzles become disillusioned and stray from the faith Our first goal then must be enriching and nurturing strong faith in Jesus Christ as Savior and Creator **Ethical and Unethical in the Old Testament** Katharine Dell,2010-09-02 Discusses ethical behaviour in the OT and beyond through its characters its varying portrayals of God and humanity in mutual dialogue and through its authors Old Testament

Theology Hermann Schultz, 1892 **A Survey of the Old Testament** Andrew E. Hill, John H. Walton, 2000 A Survey of the Old Testament goes far beyond simply rephrasing biblical material to provide balanced insights on the literary historical and theological issues of each Old Testament book and of the Old Testament as a whole This revised edition makes the exceptional scope of the first edition more accessible to contemporary readers A redesigned interior complete with new visuals maps photos timelines and charts makes this book more attractive and useful than ever Treating the books of the Old Testament in the order of the English canon A Survey of the Old Testament explores the purpose and message of each book and shows how its literary structure has been applied to accomplish the intention of its inspired author The book also introduces the reader to issues such as Israelite and Near Eastern history archaeology the formation of the canon and geography Written by two widely respected scholars and educators A Survey of the Old Testament is designed to help readers develop a broad grasp of the Old Testament **The Old Testament World** Philip R. Davies, John William Rogerson, 2005-01-01 Rogerson's name appears first on the earlier ed **The Christian and the Old Testament** Walter C. Seibert, 2021-11-16 Is it really possible to enjoy the Old Testament Eric Seibert understands why many Christians find this part of the Bible confusing theologically troubling or just uninteresting Offering dozens of practical exercises for hands on interaction with the text this unique resource equips readers with a variety of creative approaches to bring even the seemingly dry passages to life How to Preach and Teach the Old Testament for All Its Worth Christopher J. H. Wright, 2016-04-19 Many preachers ignore preaching from the Old Testament because they feel it is outdated in light of the New Testament and difficult to expound On the other hand some preachers will preach from the Old Testament frequently but fail to handle it correctly turning it into moralistic rules or symbolic lessons for our spiritual life In How to Preach and Teach the Old Testament for All Its Worth Christopher J H Wright proclaims that preachers must not ignore the Old
