

King Alfred

María Íñigo Ros

King Alfred:

The Whole Works of King Alfred the Great Alfred (King of England),1852 **The Medieval Life of King Alfred the Great** A. Smyth,2001-11-28 Very few King s earn the appellation Great Alfred is the only English King honoured with this name and is credited with various successes the foundation of a navy English education system and religious revival His memory looms large in the English Imagination The medieval Life of King Alfred of Wessex purports to be written by Asser a monk in the King s service This account of one of England s best loved and most famous kings has been accepted as offering evidence on most aspects of life in early medieval England and beyond It was used in Victorian times to create a Cult of Alfred Alfred Smyth offers a carefully annotated translation of the Life together with a long commentary He argues that the Life is a forgery which has profound implications not only for our understanding of the early English and medieval past but also for the nature of biography and history This close scholarly rendering of the text allows the reader access to the intricacies of medieval history **King Alfred** David Horspool,2006 Horspool sees Alfred as inextricably linked to the legends and stories that surround him and rather than attempting to separate the myth from the reality he explores how both came together to provide a historical figure that was all things to all men King Alfred Allen J. Frantzen,1986 Biografi om Alfred den Store som behandler kongens betydning som forfatter og oversætter af værker som Gregor den Stores Liber Regulae Pastoralis Boethius De Consolatione Philosophiae Augustinus Soliloquia m m **The Story of King Alfred** Walter Besant,1905 *Alfred the Great* Asser,2004-07-01 Asser s Life of King Alfred written in 893 is a revealing account of one of the greatest of medieval kings Composed by a monk of St David s in Wales who became Bishop of Sherborne in Alfred s service and worked with him in his efforts to revive religion and learning in his kingdom this life is among the earliest surviving royal biographies It is an admiring account of King Alfred s life written in absorbing detail chronicling his battles against Viking invaders and his struggle to increase the strength and knowledge of his people and to unite his people at a time of conflict uncertainty and war The Life of King Alfred Asser of Sherbourne,2019-11-02 The Life of King Alfred by Bishop Asser is the earliest known source about an Anglo Saxon king a king often known today as Alfred the Great r 871 899 CE **King Alfred's Poems** Alfred (King of England),Martin Farquhar Tupper,1850 The Whole Works of King Alfred the Great Alfred (King of England),1969 A Maid at King Alfred's Court Lucy Foster Madison,2020-08-15 Reproduction of the original A Maid at King Alfred s Court by Lucy Foster Madison *King Alfred's Anglo-Saxon version of the ... History of the world by Orosius, containing a preface, notes, a literal Engl. tr., mr. Hampson's Essay on king Alfred's geography [&c.]* by J. Bosworth Paulus Orosius,1860 **King Alfred** John Fitchett,1842 **King Alfred's Old English version of Boethius** W.J. Sedgefield, KING ALFRED'S VIKING - the creation of Alfred's Fleet Charles W. Whistler,2018-08-30 The general details and course of events given in this story about King Alfred are in the main as written by Asser the King s chaplain One or two further incidents of the Athelney period are from the later chroniclers notably the sign given by St Cuthberht as are

also the names of the herdsman and the nobles in hiding in the fen But all the characters can be found here King Alfred Queen Ealhswith their daughters Asser Odda Osmund Cuthbert Guthrum Hubba St Neot Athelstan Godred Ethelred Thiodolf Thora and the other significant players of the age The story is told by Ranald Vemundsson son of the late Vemund king of Southmereland Norway slain by Jarl Rognvald on the orders of Harald Fairhair For his own safety Ranald fled Norway after being given a place on Jarl Einar s ship and so he came to England and the Danelaw Whether Ranald actually was Alfred s Viking is conjecture That Alfred put his first fleet into the charge of certain Vikings is well known though the name of their chief is not given These Vikings would certainly be Norse either detached from the following of Rolf Ganger who wintered in England in 875 A D the year before his descent on Normandy or else independent rovers who like Rolf had been driven from Norway by the high handed methods of Harald Fairhair Indeed the time when a Norse contingent was not present with the English forces from this period till at least that of the battle of Brunanburh in 947 A D would probably be an exception There are therefore good historic grounds for the position given to the hero of the story as leader of the newly formed fleet The details of the burning of his supposed father s hall and of the Orkney period are taken from the Sagas
