Confluence Narratives Antonio Luciano de Andrade Tosta, 2016-10-19 Confluence Narratives Ethnicity History and Nation Making in the Americas explores how a

collection of contemporary novels calls attention to the impact of ethnicity on national identities in the Americas. These historical narratives portray the cultural encounters, the conflicts and alliances, peaceful borrowings and violent seizures that have characterized the history of the American continents since the colonial period. In the second half of the twentieth century, North and South American readers have witnessed a steady output of novels that revisit moments of cultural confluence as a means of revising national histories. *Confluence: Narratives* proposes that these historical novels published in such places as Brazil, Argentina, Mexico, the United States, and Canada make up a key literary genre in the Americas. The genre links the various parts of the hemisphere together through three common historical experiences: colonization, slavery, and immigration. Luciano Tosta demonstrates how numerous texts from the United States, Canada, Spanish America, the Caribbean, and Brazil fall into the genre. The book focuses on four case studies from ethnic groups in the Americas: Amerindians, Afro-descendants, Jewish Americans, and Japanese Americans. Tosta uses the experience of the American nations as a springboard to problematize the concept of the contemporary nation, an identity marked by border crossings and other experiences of deterritorialization. Based on the exploration of confluence narratives, Tosta argues that the contemporary nation is not as contemporary as one may think. Informed by postcolonial theory and transnational and ethnic studies, this book offers an important comparative study for and of inter-American literature. Its analysis of the representation of cultural encounters within distinctive national histories underscores the complex nature of otherness in the Americas, as well as the inherently transcultural aspect of a trans-continental American identity.

The Collected Stories of Moacyr Scliar Moacyr Scliar, 1999. From Brazil's most distinguished and important Jewish writer comes this anthology comprised of six collections. In *The Carnival of the Animals* Scliar uses political allegory to convey what was normally censored during the height of repression under Brazil's military regime. These tragicomic stories reveal Scliar's interest in issues of oppression, persecution, Holocaust, mutability, and the interplay between good and evil. *The Ballad of the False Messiah* develops the theme of postponement in the sense that for Jews redemption is always postponed in a vain wait for the Messiah. In *The Tremulous Earth* Scliar explores cruelty and violence in the tenuous lives of his characters, but his experience as a medical doctor informs his compassion for human frailty. Scliar expands his use of fantasy and magical realism in *The Dwarf in the Television Set* in topics that range from Jewish prophets to marital revenge. *The Enigmatic Eye* has been described as a masterpiece evoking the enigmas of art and life, and in *Van Gogh's Ear* Scliar uses dark and subtle humor in a collection of biblical parables. Here witchcraft, magic, conundrums, and labyrinths are shown to be part of everyday life. A final autobiographical piece ties the collections together in which Scliar discusses his membership in Jewish, medical, gaucho, and Brazilian tribes. These powerful stories individually humorous, bleak, or haunting together bring a compelling voice of the Jewish Diaspora to the wide readership it deserves.

Death of a Holy Land Rose L. Levinson, 2013-06-20. *Death of a Holy Land: Reflections in Contemporary Israeli Fiction* by Rose Levinson uses the work of four contemporary Israeli authors as a lens into present-day Israel. Discussing the novels of Orly Castel-Bloom, Michal Govrin, Zeruya Shalev, and Yoram Kaniuk, the book argues for a new understanding of today's Israel. Crucial to renewed awareness is a view of the country that jettisons the notion of Israel as an exceptional, sacred state immune from 21st-century discontents. Attention is focused on ways in which many of Israel's most pressing problems are linked to long-standing issues of Jewish identity. Continual reference to the novels gives weight and substance to *Death of a Holy Land's* underlying insistence on the need for a critical view of Israel as a country deeply ill at ease with itself.

At the Threshold of Memory Marjorie Agosin, 2003. A comprehensive selection of work from this renowned writer and human rights activist.

I Am of the Tribe of Judah Stephen A. Sadow, 2024-04-15. The first anthology of its kind, *I Am of the Tribe of Judah: Poems from Jewish Latin America* brings together poetry from the Mexican border to the tip of South America. Originally written in Spanish, Portuguese, Yiddish, Ladino, Castilian, and Hebrew, these poems have been translated into English many for the first time by a group of prize-winning translators. This multilingual collection looks at the tradition across more than five hundred years, featuring poems that exalt being Jewish, whether Ashkenazi or Sephardic, and poems that express humor and satire. Conversely, there are poems in response to anti-Semitism and poems of exile, of protest, and of the Holocaust. In a different mode, there are wondrous poems on mysticism and Kabbalah. The book includes an insightful introduction and historical background by world-renowned
